It's NATIONAL SHRINE HOSPITAL DAY—Today!
We Salute Nobles of Hillah Temple and ALL Shriners Upon the 36th Anniversary of the World's Greatest Philanthropy
the Shriners Hospitals for Crippled Children

Sunday, June 9, will be National Shrine Hospital Day! This day will mark the 36th birthday of the world's greatest philanthropy, the Shriners' Hospital for Crippled Children. All Shriners feel deep pride in the achievements of the seventeen fine institutions, dedicated to the glory of God and all humanity, regardless of race, creed or color. One of the 17 fine Shrine Hospitals is located at Portland. Here are some interesting facts concerning this fine unit: Since its founding in 1924 at an original cost of \$450,000, the Portland Shrine Hospital has treated more than 8,500 children as bed patients, a number equal to the population of Grants Pass! This fine Portland unit has given out-patient treatment to more than 20,000 children, a number equal to the population of Bremerton, Washington! And, the seventeen Shrine Units throughout North America and Hawaii have cured or materially benefitted a quarter-million youngsters, a number equal to the entire population of Tacoma, Washington! A healing, helping hand to little children from humble families, that's what Shrine Hospitals extend. But it takes money to straighten warped and twisted little limbs. It takes \$300,000 to operate the Portland Unit alone in addition to donations of food, services and other essentials.

Congratulations to Shriners from all of us at **Jorgensen's DAIRY PRODUCTS**
