

A LESSON IN BALANCE—Rated Europe's best kicker, Bobby Collins (striped shirt) of the Glasgow Celtics shows how to get the ball away from Alfredo Vidrio of the San Francisco All-Stars. Vidrio goes to one knee (upper left) in effort to keep the ball away and falls back (upper right). Collins manages to keep his balance (lower left) as Vidrio hits the sod. Lower right, Collins triumphantly looks around for teammates to pass the ball to. The Scots, a pro team on tour, beat their amateur opponents, 5-0.

57 NET BY ED GORDON POSSIBLY BEST SCORE IN NATION ON GOLF DAY

One of the lowest net scores in the country, if not the record for the occasion, was fired at Rogue Valley Country club Saturday in National Golf Day competition.

Ed Gordon carded a 57 net for 18 holes, 13 strokes under the 70 gross tabulated by Dr. Cary Middlecoff, national open champ, at Toledo, Ohio. Links men throughout the nation attempted to "beat" Middlecoff's gross with their nets.

At the local links Gordon grossed 85. He has a 28-stroke handicap. It was reportedly the first time he has broken 100 strokes.

Three other RVCC golfers will also receive medals for "beating" the champ in the charity affair sponsored by the Professional Golfers association. A. C. Broyles had a 63 net with an 86 gross and 23 handicap. Dr. Carl Buck fired 73-6—67 and Robert Schmidt 72-4—68.

Two Medford divoters "tied" the champ, Glen Fabrick with 79-9-70 and Deane Lambert with 78-8—70.

Thirty-three men took part in National Golf day rivalry here. No entries locally were listed of women attempting to beat Kathy Cornelius, women's national open titlist. The titlist was rained out of her round Saturday and shot a 73 yesterday.

Vancouver Mounties Beat Portland Twice

The Vancouver Mounties, playing as if they were on a "pep pill" diet, retained their half-game lead over San Francisco today in a hectic Pacific Coast league race that shoved major league invasion chatter into the background.

Manager Charley Metro's Canucks, who had been laughed off as strictly a cellar outfit before the season opened, took a double header from Portland yesterday while the Seals did the same thing to Hollywood to keep the pace.

Vancouver won by scores of 7 to 4 and 3 to 1, with pitcher Erv Palica helping himself to his sixth triumph with a home run in the opener. The Seals, exploding for 16 hits in the first game, downed the Twinks, 7 to 3 and 4 to 1.

San Francisco now gets to play last place Sacramento seven times in the Solon park this week while the Mounties go to Hollywood.

Los Angeles split with Seattle in other league action yesterday, winning the nightcap 7-5 on Steve Bilko's lusty hitting after the Suds took the opener, 5 to 1. Stalemate.

San Diego took advantage of the Rainiers' stalemate to bump them out of fifth place by downing hapless Sacramento twice, 7 to 3, and 4 to 0.

The Mounties got some more of that sterling pitching which has been their trademark all season as rightie Palica and lefty Don Ferrarese both went the distance. The Beavers got to Palica for two runs in the first inning and two more in the night but other than that, the former Brooklyn chucker was in little trouble. His home run in the seventh frame was strictly window dressing while the Mounties battered Johnny Briggs and two more Portland hurlers for 12 hits.

Ferrarese turned in a five-inning seventh-inning finale while winning his third game against no defeats since returning to his old PCL haunts from Baltimore. Vancouver scored singletons in the fourth, fifth and sixth frames as Bob Anderson, the first of three pitchers to work, lost his seventh decision.

The 23 runs set a new series record.

Beck Takes Drag Honors; Wildcats Roar on Strip

Charles Beck with his Triumph motorcycle was top eliminator and Bernie Miller and Bob Rudig with their Oldsmobile dragster had top speed of the day yesterday in official competition at Southern Oregon Timing association drag races at the Camp White strip.

Beck who had an hour's speed of 97.82 miles per hour, was victor also in the A cycle class. The Miller-Rudig machine was timed at 113.200 mph. Mechanical trouble then put the dragster out of competition.

There were 93 entrants who contended in 18 classes yesterday. They drove before an estimated 1,500 onlookers.

Unusual Manner

Time trials got underway in an unusual manner. Dick Foy of Medford Air Service roared down the strip in a Gruman Wildcat, World War II fighter airplane and turned up 125.84 mph before becoming airborne. Dale Newton followed in the same type of craft and got up to 118.32.

The drags saw a new dragster at the strip. The machine was built by the Swiftons of Medford, headed by Noel Black. Special mention went to the Swiftons for the work on the dragster, which would be a credit to any strip. It was built in only five days.

Black drove the machine at 90 mph for B dragster prize.

Next drags by SOTA at the Camp White strip will be on Sunday, June 23.

Holmes Intends To Attend OSC

Portland—Garry Holmes, the Seaside hurler who led his mates to the class A-2 high school championship Saturday night is slated to enroll at Oregon State college next fall.

The young Holmes, who struck out 22 batters in the seven-inning championship game, plans to study fish and game at OSC.

The young left hander is reportedly sought after by several major league scouts.

As to whether the young Holmes still might sign with a pro club, Garry's father said it was still a possibility.

Ray Asher moved up from semi-main victories of the two previous weeks to drive home first in the main event in hardtop races Saturday night at the Valley View track.

Ray Brackman took second place and Bob Wilcox third.

The main was marked by a mix-up which involved six or seven cars and brought the disqualification of Bob Jenkins.

Bob McGilvray was running first in the No. 1 race until his motor went out and Wayne Lem-

ley was rolling along in second until having motor trouble. Crock Hunter also "lost" his motor in the event.

Monte Hall won the semi-final and the first heat race.

Other winners were Jenkins, second heat, and Hunter, fourth heat.

Bear Bulge Sliced to 3

By UNITED PRESS

The Yakima Bears are taking stock today of a situation none too pleasant to the Northwest league front-runners.

In the past seven days, the Bears once impressive seven-game bulge over the rest of the league has been cut to three. The Eugene Emeralds accounted for a couple of those games, including yesterday's 2 to 0 win in the opener of a double-header. Yakima grabbed off the second contest, 1 to 0, but lost the series, 3 game to 2.

In the other Sunday twin bills, Tri-Tri took two from Sale, 7 to 6 and 2 to 1 to end the Senators' winning streak at seven games. And Wenatchee topped last place Lewiston twice, 10 to 0 and 6 to 3.

Nantucket — The good ship "Mayflower II" is racing northward will all sails bared to the breeze today.

The 92-foot square rigger, a replica of the Pilgrim ship, is within 300 miles of the New England coast and her final destination, Plymouth.

The plucky little pioneer ship weathered some of the worst seas of its transatlantic journey Sunday when struck by gale force winds. Captain Allan Villiers radioed that he expects to arrive in Provincetown, where the Pilgrims first landed, Tuesday.

Then Wednesday it's on to Plymouth and a joyful reception for ship and the men who would relive history.
