

# CLEAN CLEAR THROUGH

—and Deodorized Too!

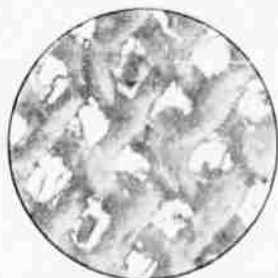

# THAT'S A FAB WASH!

Microscope, magnifying fabric 100 times, shows the amazing difference between FAB-washed clothes and others washed with less effective products.

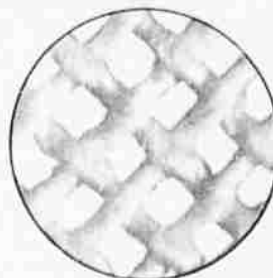

FAB (see Picture No. 2) gets clothes clean clear through, *not just surface clean* . . . not just bleached white or blued white. Millions of women use washday products (see Picture No. 1) that leave hidden dirt in clothes. Do you? Dirt can cause odor! You don't have this problem with FAB-washed clothes. They're really clean, yes, *clean clear through—and deodorized, too!*
