

STATE SKI MEET COMPETITOR — Lon Skinner, Medford, above, was one of the main forces in organizing for the first annual Oregon Water Ski championships and he'll be among leading entrants next Saturday and Sunday, June 29 and 30, when the tournament is held at Gardener lake east of Medford and some 15 miles from the city. Skinner has held the Northern California champion-

ship and took the 1956 Golden State tourney overall with first in the slalom, second in tricks and third in the jump. The tournament is being sponsored by Crater Lions club and will draw some of the outstanding talent of the Pacific coast area. There will be much activity at the lake today and through the week as skiers practice for the tournament.

Real Estate Deals Eyed

New York — The congressional investigation of sports will make public various baseball real estate deals, including the sale and re-sale of Yankee Stadium and the Brooklyn Dodgers' purchase of the ball park at Los Angeles, Rep. Emanuel Celler (D-N.Y.), said Saturday.

Celler, home for the week end, said "the public has the right to know all about the parks, not only the Yankees and Dodgers, but others also."

"Our purpose generally is to investigate baseball, football, hockey and other sports, and the places they play," he said. "We have a number of witnesses to be heard concerning the land deals. We are trying to find if these are sports only, or business only, or a combination. When there are huge profits involved in the sale of ball parks, we must investigate."

Celler pointed out that baseball Commissioner Ford Frick had asked that baseball be exempted from anti-trust laws, and that Celler had asked what, then, would rule the sport in place of the government board or commission usually appointed to control a monopoly.

"Frick said the public would do so, because it would be informed," said the congressman. "I asked about the Dodge and Giant shift to the West Coast and he said he didn't know, and neither did the public."

"Our purpose is to make it possible for the public to know all about all the workings of the sports we are investigating."

Cal Schools Can Break After '58

Berkeley, Calif. — UCLA, more than a year to break out which has been agitating for of the Pacific Coast Conference, can have its wish after the 1958 football season—but must follow a stricter athletic code than the one it violated.

That was the gist of a compromise resolution passed Friday by the board of regents which governs both the Bruins and the University of California.

The plan calls for the two schools to play out their 1957 and 1958 round-robin football schedules within the PCC. After that season, they will be at liberty to schedule any team outside the conference they desire.

At the same time, the regents imposed a stricter set of regulations on the pair than those recently passed by the Pacific Coast Conference. They take effect immediately. UCLA was put on three years probation in May of last year for illegal payments to athletes, as were three other PCC schools.

The group, headed by Victor O. Schmidt of the Pacific Coast Conference, will convene Wednesday and continue session through July 2. The meeting almost coincides with the NCAA golf tournament at the Broadmoor hotel, which begins Monday and ends Saturday.

Included among the items for discussion by the commissioners are recruiting, rules of transfer students, football television, summer basketball and baseball, the national physical fitness program, the rules and mechanics for officiating in football and basketball and NCAA policies in general. They will also elect officers.

BROWN OFFERED \$40,000

Milan, Italy — World lightweight champion Joe Brown of New Orleans was offered \$40,000 Saturday by Italian boxing promoter Dr. Vittorio Strumolo to defend his title against European champion Duilio Loi of Italy.

Angels Homer Nine Times; Padres Win

Los Angeles — The Los Angeles Angels had a field day Saturday, slamming out nine home runs for a stunning 22-5 victory over the Sacramento Solons in a Pacific Coast league game at Wrigley field.

The nine homers tied the league record for one team in a single for a single inning. The old record was four, set by Salt Lake City in 1923 and San Francisco in 1938.

Bert Hamric led the home run onslaught with three homers, one in the second inning and two in the seventh. Steve Bilko collected his 17th homer of the year in the seventh to take over the league lead in that department.

Ralph Mauriello (5-2) went the distance for the Angels, allowing six hits. The loser was Sacramento starter Roger Osenbaugh (3-10).

The victory gave the Angels a 4-2 advantage in the current series.

San Francisco — Floyd Robinson hit his sixth home run of the season in the top of the ninth inning Saturday to break a 6-6 tie and give the San Diego Padres a 7-6 victory over the Pacific Coast league leading San Francisco Seals.

The win clinched the series for the Padres, who have taken four out of five games from the Seals.

Such Crust III Coasts to Victory

Detroit — Such Crust III coasted to an easy top-point win Saturday in the Detroit Memorial Regatta on the Detroit river.

Freddie Alter drove the flashy boat through three races in the regatta, winning each for a perfect 1,200 points. Alter shoved the craft to an average speed of 85.769 miles per hour in the final 15-mile race and screeched it at 93.717 miles in the final lap—the fastest lap of the day.

The newly-christened Wild-root Charley pushed Such Crust III through the three races but finished second with 925 points. Such Crust III is owned by Jack Schaeffer, Detroit.

Miss Wayne was third at 596 points and Miss Supertest ran fourth with 525.

Wha-Hoppen-Two finished last in the five-boat field just four points back of Miss Supertest.

TIGERS SIGN PLAYER

Detroit — The Detroit Tigers have signed pitcher Bob Weiss of Wheeling, W.Va., to a contract with their Class B Durham, N.C., club and infielder-outfielder Dick McAuliffe of Hartford, Conn., to a Class D, Erie, Pa., contract.

Legion Crew In Twinbill At Klamath

Klamath Falls' American Legion junior baseball has taken sort of a back seat to Babe Ruth league play in the Pelican community but the Medford Legion nine, which plays at Klamath this afternoon, is anticipating tougher opposition than it encountered last Sunday at Lakeview.

Two games are billed today with the first at 1 p.m. Each scrap is planned for seven innings.

There's little information available on the Klamath nine. It has played two games to date, defeating Bend 7 to 5 and losing to the crew 17 to 5. A probable pitcher for one of the games is Dean Dunson.

Wayne Allen and Dennis Barr are likely moundsmen for Medford with Tom Laurence available for relief if necessary.

Business Manager Jack Sides has expressed much optimism concerning the Medford nine this year, terming it "the sharp, fastest team in four or five years." However, he's indicated that the local Legion baseball program is hurting financially with funds pretty well depleted after today's trip. He's reported a couple of contributions lately from businessmen.

Judge Works On Decision

New York — Federal Judge Sylvester J. Ryan worked Saturday on next Monday's decision that will tell how the Jim Norris boxing monopoly must be broken up.

The judge indicated several times during the hearing on remedies, which finished Friday, that his decision will order:

—Chief stockholders Norris and partner Arthur Wirtz to sell their \$2,000,000 worth of stock in the Madison Square Garden Corp. through a trustee during the next five years, meanwhile losing immediately their voting powers on the stock and their offices as president and director.

—The dissolution of the International Boxing clubs of New York and Illinois, now owned by the Garden Corp., and the Chicago Stadium Corp., respectively.

—A limit of two world title fights each year to the Garden Corp. and to the Chicago Stadium, for a total of four.

—No exclusive contracts on fighters, except for a single return championship bout, and no exclusive contracts on other fight arenas.

—A compulsory leasing of the Garden and Chicago stadium to independent promoters for title fights at reasonable rentals.

—A limit of but one series of weekly TV fights to one promotional organization.

Last March, Ryan found the defendants guilty of monopoly in the conduct of title fights. The defendants were: Norris, Wirtz, the IBCs of New York and Illinois, and the Garden Corp.

Monday's "decision on remedies" will give the lines to be followed in the break-up, and a "final judgment" in the first week of July will provide the machinery and teeth for carrying out the plans.

The tournament, which will feature a number of the outstanding slat artists on the Pacific coast, will be held on Saturday, and Sunday, June 29 and 30, at Gardener lake in Yankee creek area east of Medford. Crater Lions club is sponsor of the meet which is American Water Ski association sanctioned. It will feature AWSA competition and novice events.

Skiers from various west coast communities will begin arriving early this week to get in practices ahead of the meet.

Events will include slalom, tricks and jumping in men's, women's veterans, junior boys, junior girls and pee wee divisions. First rivalries each day are set for 9 a.m. with concluding events between 4:30 and 5:30 p.m.

Among the first to arrive for workouts on the 55-acre lake owned by the Victor Gardener family, will be Bill Barlow, Piedmont, Calif. He is to arrive Tuesday with his own boat. He is considered top contender for trick skiing laurels in the men's division and was trick champ in the Sodabay tournament earlier this month at Clear Lake, Calif.

Godfrey and Lew West, Seattle, Wash., former coast champs, are to come Thursday. Carol Van Wyke, who took third place in the 1956 national girls' slalom, is due by Wednesday noon. Twenty members of the Sacramento, Calif., Ski club are to arrive Thursday night by bus.

Entry of novices, those who have not been in a meet before, from this area is being encouraged. Entry blanks are available.

Joey Draws With Rory

Syracuse, N.Y. — Skillful Joey Giambra and aggressive Rory Calhoun, ranking middle-weight contenders who fought to an unusual 10-round draw Friday night, don't want a championship fight—they want a rematch.

What was closest to the hearts of both fighters today was a chance to prove the draw as a "fluke," although the state's boxing rules have a supplemental point system to make such a decision a rarity.

The fourth-ranked Giambra, a slight favorite going into the fight, weighed 157½ and the sixth-ranked Calhoun weighed 159.

Referee Ruby Goldstein scored it for Calhoun, 5-4-1 and judge Nick Gamboli gave the same margin to Giambra. Judge Frank Forbes gave each fighter four rounds with two rounds even. His card also had an even five points for each boxer under the supplemental point system. The United Press card gave it to Giambra, 5-4-1.

Portland Buys Rapp From Pads

Portland — Earl Rapp, a left-handed hitting outfield veteran, has been purchased by the Portland Beavers from San Diego of the Pacific Coast league.

Rapp was added to give the Beavers more left-handed batting strength. He has been with Louisville of the American association for the past month, but had been returned to San Diego.

Arnold, Cooper Win at London

London — Mimi Arnold, 18-year-old American girls' champion from Redwood, Calif., and 20-year-old Ashley Cooper of Australia won the singles titles Saturday in the London lawn tennis championships, final tune-up for Wimbledon.

Miss Arnold beat 32-year-old Suzy Kormoczy of Hungary, 6-1, 5-7, 6-3, in an exciting and well fought 70 minute match, and then Cooper defeated Neale Fraser of Australia, 6-8, 6-2, 6-3, in a routine match.
