

Summer hats are in bloom all over town and for every costume there's a bright bouquet to top it off. Cotton toques, turbans or wide floppy brimmed styles from John Fredericks Charmers collection appear in this gay garden series which includes a variety of buds and hues. Fabrics are pique, chintz and cotton satin.

Sorority Chapter Holds Ceremonies Saturday Evening

Alpha Lambda chapter of Epsilon Sigma Alpha, international sorority, held formal installation ceremonies June 15, in the Pioneer room at the Jackson hotel. Members and husbands were served dinner preceding the various ceremonies.

Mrs. Clarence B. Patch was honored guest for the evening. Mrs. Patch for several years was county chairman of the Easter Seal campaign. Her interest in crippled children has continued, and she has cooperated in helping many of the chapter money raising projects for the benefit of the Crippled Children's Hospital school located in Eugene.

Mrs. Lyman Smith presented Mrs. Chester Peterson and Mrs. Russell Roseborough with ten-year pins, in recognition of active sorority work.

Alpha Lambda chapter was chartered June 28, 1946. Mrs. Fred Stammen, now of Albany, Calif., is the only charter member to have received a ten-year pin.

Mrs. Howard Phillips was presented a past president's gavel. She is a past president of both Alpha Lambda chapter here and Beta Rho chapter of Klamath Falls.

Mrs. Smith, junior past president, installed Mrs. Chester Peterson, president; Mrs. Robert Shangle, vice-president; Mrs. Thomas Makris, secretary; Mrs. Bill Raymond, treasurer; Mrs. George Lee, parliamentarian; Mrs. Willie Fischer, educational director; and Mrs. Bob Klumph, historian.

Epsilon Sigma Alpha Sorority is the oldest non-academic sorority of this country, having been founded in 1929. It is an educational, philanthropic and social sorority. This year the study topic will be "Gracious Hostess."

NYLON SUITS
Hancock, Mass. — Some 30 technicians working in a new laboratory built here to test high-precision radar antennas will wear special nylon suits and undergo a thorough vacuum cleaning every time they enter the plant. The purpose is to maintain a dust-free atmosphere.

Mrs. Chester Peterson (at left) and Mrs. Russell Roseborough were presented 10-year pins by Mrs. Lyman Smith at the annual installation ceremonies of Alpha Lambda chapter, Epsilon Sigma Alpha sorority, June 15 at the Jackson hotel. Mrs. Peterson was installed president of the chapter. Epsilon Sigma Alpha is an educational, philanthropic and social sorority, and Oregon members have as their main service project aid to crippled children and to Children's Hospital school, Eugene.

ROBIN FREED
Hartford City, Ind. — A robin carrying a piece of string to a nest was trapped high in a tree when the string caught on a branch and the bird's claw at the same time. Members of the Charles Russell family, seeing the bird's plight, called firemen, who hoisted an aerial ladder and freed the robin.

The Mason-Dixon line was named after Charles Mason and Jeremiah Dixon, British astronomers whose calculations were used in determining the boundaries between colonial Maryland and Pennsylvania.

FOR THE BIRDS
New York—Two yellow flags at the end of runway nine at LaGuardia Airport warn "Keep Clear" to planes and other marauders. Pheasant eggs hatching is the reason.

The first woman to be seated as a member of the U.S. Senate was Mrs. Rebecca L. Felton (D-Ga.), in 1922. She was appointed to fill the vacancy caused by the death of Sen. Thomas W. Watson.
