Milwaukie Man Hurt When Struck by Pole

McMinnville — (AP) — Arlos Crocker, 45, Milwaukie, Ore., was injured critically Thursday when a pole he was unloading at the city water and light storage yard rolled on him.

Crocker had hauled a load of poles to the storage yard for a Portland firm and was on the load when a pole rolled and threw him off the truck. He landed on his back and the pole fell on top of him.

Ashland Man Found Innocent; Logging Firm Found Guilty

Sacramento—A federal court jury last week acquitted R. Drew Lamb, Ashland lumberman, charged with theft of federal government timber and destruction of government property in Humboldt county, Calif.

However, the jury returned a verdict of guilty on both counts against Magnolia Motor and Logging company, of which Lamb is president.

Motion Indicated

Company attorneys have indicated a motion for acquittal will be filed on behalf of the corporation. Federal Judge J. Frank McLoughlin said he would levy a penalty against the company as soon as he receives a probation report. Maximum fine on each count is $10,000.

The charges grew out of a "hiatus" or gap in survey lines between two townships in a survey made several years ago, it was explained. The company followed the original survey lines when logging operations began. In 1954, the government established new lines. Logging operations were stopped in the area and trees which had been felled in 1953 were not removed. The government contended the land was federal property.

$25,000 Timber

Lamb and the company were accused of removing $25,000 worth of timber from government land.

Assistant U.S. Attorney James S. Eddy was quoted as saying criminal charges in this type of case are rare. Usually, he said, settlements are made out of court or civil actions are taken.

The trial started Monday, June 3. The jury started deliberating Thursday night and the verdict was returned a short time later.

Pendleton — (AP) — Umatilla county, the largest wheat growing county in the state, has approved Thursday the wheat market quota of the 1958 crop by an overwhelming majority of 91½ per cent.

McDermitt, Nev. —(AP)— Jerry Shea, 38, Jordan Valley, Ore., was killed Thursday when a forgotten dynamite charge in the Cordero mercury mine here exploded underground.
