Camp Director Arrives For Low Echo Camp

Miss Irene Knox, camp director from College Park, Md., and Miss Thelma Crenshaw, dietitian from Richmond, Va., arrived in Medford Monday afternoon to complete final plans for the opening of Low Echo, Girl Scout camp at Lake of the Woods, July 7.

The board members and Miss Ruth Ellborn, executive director of the council met with them informally to review the plans for the camping season. Miss Knox has had 10 years of camping experience as a director, both in the United States and France. This will be her third year as camp director for Low Echo.

She described a typical day at camp, including the activities and responsibilities of both campers and staff.

Discussion followed concerning open house or visiting day at the camp June 30, from 12 to 3 p.m. All attending are reminded to bring a picnic lunch, coffee will be provided by the committee.

Camp officials said that there are a few available openings in the first session of seven days, July 7 to 14. The second session is filled but reservations are still being taken for the third session, July 15 to August 5, and the fourth session, August 6 to 16, both ten day sessions.

Any girl desiring to attend camp should make her application as soon as possible to assure her a place in the session she desires. Campers are reminded to have a medical examination, from their own doctor, no more than ten days prior to the time she goes to camp and to take the medical certificate signed by her doctor and parents to the office with the balance of her camp fee six days before going to camp. No money will be accepted at Low Echo, this transaction must be made at the Girl Scout office, or mailed in to 599 East Main street, Medford. There will not be a group examination this year, all girls are asked to see their own physician for medical examinations.

The open house or visiting day before camp opens was discussed by the board members. It is to familiarize both parents and friends with the operations of a Girl Scout camp. With a day set aside for visiting, the program of the camp would not be disturbed while in session. However during the season parents may visit any day if they can ar-

Other officers elected were Mrs. Verne Brander, Chemult, vice-president; and Mrs. T. R. Fettes, Portland, corresponding secretary. Officers were installed by Miss Claire Hanley of Jacksonville, past state president of the federation.

Officers were installed Tuesday evening following a formal banquet.

Omelet Garnish
Omelets are usually made with the sauce folded "inside," but here's a recipe for an "outside" omelet sauce: Melt 2 tablespoons butter or margarine, add 2 tablespoons flour and make a smooth paste. Add the liquid drained from 2 cans mushrooms, adding enough good broth to make one cup. Stir until smooth and bubbling. Then add the (chopped) mushrooms, minced chives, watercress, a touch of tarragon. Then add the seasoning to taste. Heat to boiling and pour over piping hot omelet and serve immediately.

Garlic Bread Substitute
Try this change from garlic bread: Soften instant minced onion in equal amount of lemon juice. Blend with soft butter and spread on French or whole wheat bread. Toast under broiler or in hot oven, and serve at once. The flavor is always mild with this easy-to-use dry onion, and the bit of lemon is a surprise.

POCAHONTAS COUNCIL
The Pocahontas council will meet Friday, June 28, at Redman hall. A covered dish dinner will be served at 6:30 p.m. prior to the meeting. Entertainment will follow the meeting.

Almonds
A can of slivered or buttered diced roasted almonds makes a quick dress-up for ice cream, to top fruit salads, or to sprinkle over cookie bars before baking.

When in a baking mood, make several loaves of quick prune nut bread, and store extras in freezer. It's delicious with fruit salads, or to serve with glasses of milk for between-meal snacks.
