When you shop for meats at Safeway, you can feel confident you are treating yourself and your family to the finest meats obtainable. Safeway meats are scientifically "aged" in huge warehouses to give added flavor to each pound of steer beef. Every cut Safeway sells is properly trimmed of excess fat, so you pay for only the tender meat. Yes, you can be sure when you shop Safeway because every cut is sold on a 100% money-back guarantee.
