

THE WALTZ was never like this! In the land of Strauss, Austrian and Bavarian dancers are beating the bejabers out of one another.

More violent than rock 'n' roll, the frenetic sets seldom end without one or more of the participants becoming black and blue and bloody.

Actually, the dances—which are still revived annually at harvest festivals—antedate Elvis Presley by several hundred years. Each one acts out traditional village or mountain episodes—and the acting includes such ballroom movements as slapping, kicking, and generally trying to break a few bones.

Austrian-Bavarian dances make sense when you learn this kicker depicts a husband defending his wife's honor.

This step symbolizes a tree about to be burned. Realism, fortunately, stops short of scorching.

A dancer is judged by how high and hard he can kick. He must also land with a resounding thud.

Yes, they're still dancing, but no need here to explain action. "Playful" slaps can draw blood.

After the brawl is over, opponents—er, dancers—ride cow to show they're peaceful and friendly.
