

Madman Killer of Truck Driver, Two Divorcees Sought by Police

Carlsbad, N.M.—State police extended the search for a madman killer to the back roads and isolated towns of southern New Mexico today.

Road blocks were thrown up for 100 miles around the little town of Tenny, N.M., after a man—possibly the slayer of three persons on lonely New Mexico roads Monday night—terrorized the postmistress, Mrs. Virginia Guest, 40.

In California, police pondered whether the New Mexico slayer was the same person who killed two policemen at El Segundo, a .22 caliber weapon was used in both crimes, and there was time for the killer to travel from California to New Mexico.

The New Mexico victims were truck driver J. D. Cantrell, 26, of Carlsbad, and two young divorcees, Mrs. Barbara Lemmons and Mrs. Dorothy Gibson, both 23 and both from Hobbs, N.M.

Cantrell's body was found beside his truck on U.S. Highway 180, 30 miles east of Carlsbad, shot five times at close range.

Two Accidents Are Reported to Police

Two accidents on Highway 99 were reported to state police yesterday.

Darwin E. Hazlett, 1325 Mt. Pitt ave., a passenger in a car driven by his son, Robert E. Hazlett, Portland, suffered a cut on his hand when the car in which they were riding collided with another car at the intersection of Highway 99 and Scenic ave., north of Central Point, operated by Byron Charles Teacock, route 1, box 318, Central Point, police said. Teacock was cited for failure to yield right of way to oncoming traffic, officers reported.

At 9:55 p.m., Rachel June Thompson, Grants Pass, reported to state police that a car she was driving on Highway 99 one mile north of Rogue River was sideswiped by another vehicle which did not stop at the scene of the accident, according to police.

East Oregon Fire Situation Controlled

Portland — Guy Johnson, regional dispatcher for the U.S. Forest Service, said today the fire situation in eastern Oregon was under control in national forests and that no immediate further trouble was expected.

John Hunt, fire control officer for the Bureau of Land Management, said the situation on rangelands also had eased following a rugged night Monday when fires broke out in rugged country. A crew of ranchers worked all night 10 miles north of Drewsey in eastern Harney county to halt one blaze.

Another fire, near Halfway, was brought under control Monday night after covering some 2,000 acres.

There are about 1,100 known tributaries of the Amazon river.

Thirty five miles away, 10 miles south of Hobbs, the bodies of the women were found six hours later. They too had been killed with 22 caliber bullets.

Asked for Bed
The Tenny incident occurred Tuesday afternoon, several hours after the killings. Mrs. Guest told police the man came into the post office and asked for a bed for the night, and then tried to cash a money order. She refused both requests.

She said he looked at the criminal wanted circulars on the post office bulletin board and asked: "How come my picture isn't up there?"

He asked Mrs. Guest to come with him to his car, she said, but she refused. "I have something in my car that will make you come with me," he said and started for his car, a red 1952 Hudson.

Mrs. Guest said she took a revolver from a drawer and fired a shot in his general direction. The postmistress said the man dropped and for a second she thought she had hit him. But he got up, ran to his car and drove west, away from Tenny and Carlsbad.

Doubtful Suspects
Meanwhile, Sheriff Jewell McAdoo said the former husbands of the two dead women, Charles Lemmons of Carlsbad and Pete Gibson of Hobbs, have agreed to take lie detector tests.

Graham Planning Vacation Aug. 15

New York — Evangelist Billy Graham said Tuesday night that if his extended New York Crusade "goes beyond Aug. 10 they may have to get another preacher."

The 38-year-old minister said he had no idea who started the "rumor" that the crusade would continue until Labor Day but that he definitely was going on a vacation with his wife Aug. 15.

It was learned earlier, how committee holds an option on Madison Square Garden through Sept. 2.

Addressing some 15,000 persons in the Garden, at the opening session of the second New York Crusade extension, Graham said that many of them had betrayed Jesus Christ for a "moment of passion, a moment of lust."

"There are hundreds of you here tonight who have betrayed the Lord Jesus Christ for 30 pieces of silver, some of you for less than that."

Tuesday night's attendance raised the total for the crusade which began May 15 to 1,218,100. There were 369 new "decisions for Christ," making a grand total of 37,471 during the crusade.

regardless of the fact that the Camp White team plays away from home all this month, interest has been generated by the soft ball league games at Memorial Field.

In addition to the mens' and girls teams, a pee wee league of boys has established a regular schedule with at least one game in the afternoon each week. This week Central Point and Ashland are billed to play at 8 p.m. Wednesday as the second game of a double header.

Camp White is now the center of a budding recreation area with a new amusement park and outdoor theatre being built across the highway.

Higher Demand for Electric Power Seen

Port Angeles, Wash. — William A. Pearl, Bonneville Power administrator, said here Tuesday lumber, pulp, paper, composition board and plywood mills are expected to increase their demands for electric power about 185 per cent by 1980.

Addressing a Kiwanis Club meeting, Pearl said forest products are one of the Pacific Northwest's greatest users of electric energy. He said they consumed more than four-billion kilowatt hours in 1955.

Dr. and Mrs. Arthur Schoenberg are planning a trip to Central America about the end of August. They plan to visit with their son, Richard, who is with a British trading company in Honduras.

Domiciliary Officer R. H. Ruffin is another Camp White representative who expects to vacation south of the border. He plans to go to Mexico and a fishing trip.

The recreational interest which has assembled in Building 218 will be moved to the volunteer section of the post office building. Three buildings of this wing, 216, 217 and 218, are being converted into dormitories for Section A convalescents, as a convenience and a short cut to the dining hallway.

4-H CLUB NEWS

Phoenix Dairy Club
Phoenix Dairy club held a meeting at the Calkins' home Sunday, July 21. Showmanship was practiced before the meeting was called to order.

During the meeting it was decided to have a sign to identify the club at the county fair. Roberta Calkins, sister of member Vernon Calkins, is going to draw the picture to be used on the sign.

The club members decided to have a swimming party on the Applegate river after the county fair.

After the meeting Mrs. Calkins served homemade ice cream and cupcakes for refreshments.
