

Beavers Shut Out Hollywood As Borkowski Scores Five, Helping Team To 11-0 Win

Hollywood — Bob Borkowski batted in five runs on two doubles, a single and a grand slam homer Saturday as the Portland Beavers shut out the Hollywood Stars, 11-0, in a series opener at Gilmore field.

Portland collected 18 hits off three Hollywood pitchers. Each of the Beaver batters got at least one hit.

Bob Alexander went all the way for Portland for his eighth win of the season, against 11 losses. He allowed only one walk. The loser was Hollywood starter Bennie Daniels (12-4).

The Stars threatened to get on the scoreboard in the ninth inning, but the rally was nipped

quickly. Joe Duhem singled aboard and went to third on a double by Bill Hall, but the threat ended when Pete Naton hit to third and was out on a toss to first which ended the game.

The Beavers scored single runs in the first, second and fourth innings, then widened their lead with four runs in the fifth inning on two walks, two singles and a double.

Alexander's grand slam homer came in the eighth inning.

John Carmichael (5-9) and Bob Thorpe (7-10) will start for the Beavers in tomorrow's doubleheader against Bob Garber (6-4) and Ben Wade (5-7).

LA Golfer in Tourney Finals

Colorado Springs, Colo. — Defending champion Fred Brown of Los Angeles, approaching and putting brilliantly, gained the finals of the Broadmoor Invitational golf tourney Saturday with a 3 and 1 victory over Jim English of Denver.

In the other semi-final match, 53-year-old Howard Creel of Denver won a ragged 2 and 1 decision over Claude Wright of Denver.

Creel, this year's medalist, won the Broadmoor championship in 1925 and again in 1938. Judging from Saturday's form, he has little chance to win it from Brown today.

Rudy Hernando Tennis Champ

Champaign, Ill. — Little Rudy Hernando, 17, of Detroit, came from behind Saturday to upset top-seeded Chris Crawford of Piedmont, Calif., 2-1, 6-1, 2-6, 6-1 and 7-5 and thus gain the western junior tennis championship.

Meanwhile Bobby Siska, 14, of San Francisco, defended his 1956 western boys title by defeating Bill Bond of La Jolla, Calif., 8-6 and 6-3.

Crawford, top-ranked junior in the nation, jumped off to an impressive start by defeating Hernando, ninth-seeded in the tournament, 6-2 in the first set.

Dove Hunting To Be Permitted in County

A dove hunting season will be held in Jackson county in September.

Yielding to hunter sentiment, the Oregon state game commission Friday reversed the tentative decision it made two weeks ago. Dove shooting will be Sept. 1-22 throughout Oregon. Bag limit is 10 per day or 10 in possession.

In formulating tentative regulations, the commission had voted to keep dove hunting closed in Jackson county while permitting it elsewhere in the state.

Final hunting regulations for 1957 were established by commissioners at the Friday session.

General deer season will be Sept. 28-Oct. 18 as determined in the tentative rules and hunter's choice season was kept at Oct. 19-21, despite some opposition to having any either sex hunting at all.

Week Added for Elk

Commissioners added a week to the elk season as temporarily set up. Final regulations call for the season to open on Oct. 26. It will continue through Nov. 11 in the west coast region and through Nov. 24 in the northeast and southeast. Hunts are slated Aug. 24-28 in three southeastern Oregon sections.

Archery hunts in 11 areas at varied times will be held as previously projected. They include a Dec. 7-22 season in the Rogue river valley.

Pheasant hunting was set a week ahead of the tentative date. It will be Oct. 19-Nov. 4, opening at 8 a.m. Bag for western Oregon is two per day and 12 for the season and for eastern Oregon three per day with 12 in the season.

Valley Quail plans have been changed to allow hunting in Jackson and Josephine counties. Season will be the same dates as for pheasants with hunting in eastern Oregon and only in the two counties in western Oregon. The commission said that a late count showed sufficient quail population in Jackson and Josephine. Limit is five per day and not more than 10 in possession. Pigeons Sept. 1-30.

Pigeon hunting will be Sept. 1-30 with limit of six birds per day and limit of 30 a season.

Only buck deer with forked horns or more can be killed in the general season west of the Cascade summit. East of the Cascade crest deer with visible antlers can be taken. Either sex hunting Oct. 19-21 will be allowed for hunters with unused

deer tags. Shooting will be allowed in most of Oregon east of Highway 97 and a part west of that route. There are exceptions in central Oregon. Killing is permitted within one mile of agricultural lands.

Hunter's choice in Jackson and Josephine counties in the three-day season will be confined to a strip two miles wide on each side of Rogue river from two miles above Shady Cove to two miles below Robertson bridge.

Information on six controlled deer hunts will be available when the synopsis is published.

Bull Elk Regulations

In elk hunting in the west coast section killing of bulls with antlers longer than ears will be permitted in Coos, Curry and Josephine counties and Douglas county west of Highway 99. Bulls with three points or better can be shot elsewhere in the area. Northeast Oregon limit is a bull with antlers longer than ears and in southeast Oregon an elk of either sex can be taken.

Two-hundred permits in each of the three antelope areas are scheduled. Deer and elk hunting will be permitted in five of the 11 archery areas.

Archery area in the Rogue valley will be the same as for last year's extended deer season. One boundary will extend along Table Rock rd. from a point two miles north of Bybee bridge to Medford. The line will follow Highway 238 to the Applegate river at Applegate and will go northwest to Rogue river and northwesterly down the Applegate river to Rogue river and northwesterly down the Rogue to Robertson bridge (13 miles from Grants Pass). Boundary will run easterly two miles then easterly along a line parallel and two miles from Rogue river and back to Bybee bridge.

Definite shooting hours for waterfowl and upland game will be printed in the hunting regulations.

Patterson Favored To Keep Ring Title

New York — Champion Floyd Patterson and challenger Tommy (Hurricane) Jackson finished training Saturday, with Patterson favored at 5-1 for a successful first defense in their heavyweight title fight at the Polo Grounds Monday night.

The champ seeks his 19th straight victory.

Each tapered off with light limbering exercises — on the road and in the gymnasium — for the first independently promoted heavyweight championship bout since the late Mike Jacobs staged Jim Braddock vs. Joe Louis 20 years ago.

Their 15-rounder will be televised and broadcast nationally by NBC at 10 p.m. (EDT) except for a 75-mile TV blackout in the New York area.

They are scheduled to break camp tomorrow and motor into New York — Patterson from Greenwood Lake, N.Y., and Jackson from Columbia, N.J., where they've been conditioning since the match was made, May 24.

It's a return encounter. Before 22-year-old Patterson of Mount Vernon, N. Y., became the youngest heavyweight ruler in history, he won a split 12-round decision over the eccentric Hurricane of St. Albans, N. Y., at Madison Square Garden, June 8, 1956.

Promoter Emil Lence, the dapper, five-foot-four dress manufacturer, who — like a little David — is challenging goliath Jim Norris of the International Boxing club, expects at least 25,000 and \$235,000 for what may be the last fight in the historic Polo grounds.

SWOON'S SON UPSET

Chicago — Manassas, a bay 4-year-old owned by John Zitoik, upset Swoon's Son, one of the turf's top 10 money winners Saturday with a two length victory in the \$125,400 Arlington handicap on grass.

MEDFORD TRIBUNE SPORTS

LIKE FATHER, LIKE SON—Rarely photographed Joe DiMaggio Jr., son of the Yankee baseball star, is pictured having fun vacationing with his mother, actress Dorothy Arnold, at the Hotel Tropicana in Las Vegas, Nev. The 15-year-old youngster follows in his father's footsteps, graduating from Black Fox Military Academy in Los Angeles as a four-letter man in sports. He excelled in baseball, football, track and basketball.

THROWING SMASHING RIGHT to jaw of Bob Baker, Eddie Machen, Redding, Calif., heavyweight shows ease with which he was able to hit opponent in Chicago 10 rounder. Judges gave Machen decision at end of bout featured by Baker's ineptness. (International)

Bendix Trophy Race Scheduled for Today

Chicago — Six sleek, supersonic jet interceptors will streak today from Chicago to Washington, D.C., in the Bendix Trophy race, hopeful of flying the first supersonic race ever held in the United States.

Within an hour after leaving the air force base at O'Hare international airport outside Chicago, the fan-winged jets will scream by pylons at Andrews Air Force base at Washington, D.C.

The F-102 Delta Dagger interceptors were to take off from O'Hare at five-minute intervals, beginning at 9 a.m. (PST) and zoom to the nation's capital in about 50 minutes.

No one is predicting speeds of the planes, which will fly at altitudes of 35,000 to 40,000 feet under the control of pilots from the Air Force Continental Defense Command.

Experts, however, figure the existing Bendix record of 666 miles per hour will be topped. Capt. Manuel J. (Pete) Fernandez set that mark last year in a 100-minute flight from George Air Force base in California to Oklahoma City.

You get more space per dollar with a BUTLER Building

Clear span interiors let you use all the space — from floor to roof — in a Butler building.

Look at a Butler steel building from the outside: Then step inside. You'll hardly believe your eyes, when you see the amount of obstruction-free space — all usable for your business.

You get the space you need — when you need it — and slash up to 47 per cent off your building budget: And Butler buildings can be erected in days instead of weeks, adding further to your savings.

What's more, with Butler buildings on the job, you have practically no maintenance expense. Galvanized or aluminum sheets, bolted tightly to the rigid steel framework, assure you years of weather-tight, fire-safe and wind-safe protection.

Before you build, let us show you how a Butler building can be adapted to your business. Call or write today.

Zell Eaton Blazes Into 54-Hole Lead In Utah Tournament

By MURRAY M. MOLER United Press Sports Writer
Salt Lake City — Zell Eaton of Pomona, Calif., his putter as hot as the bright shirt he wore, blazed his way into the 54-hole lead of the \$7500 Utah Open golf tournament Saturday by shooting a two under par 68 for a three-quarter mark total of 208.

Eaton's steady play gave him a one stroke lead over Smiley Quick of Downey, Calif., and Don Collett of San Diego. Quick had held the leadership in the tournament for the first two days despite the handicap of having to post a \$200 bond.

He promised to forfeit the bond if his conduct was as bad this year as it has been in previous Utah Opens.

Saturday, he shot a one over par 71 when his chip shots began fading. Collett, a 31-year-old Chief Petty Officer in the Navy's Public Information Office at San Diego, was the blazing star most of the way. After eight holes, Collett, a native of Midvale, Utah, was four under par, but his luck faded on the way home and he wound up with a 69 — just one under regulation figures.

Defending champion Dick Lundahl of Pasadena posted a 68 over the long, narrow blazing hot Fort Douglas course to take third place at 208.

Bud Ward of San Mateo, had an even par 70, for a three-quarter total of 210. If Ward had not been penalized two strokes for dropping a ball wrong on some repaired ground yesterday, he would have been in a tie with Lundahl.

Youthful Tony Lema of Elko, Nevada, a former Oakland and San Francisco pro, was in fifth place at 211.

Best Nine Holes

The best nine holes of the third round were turned in by Marlowe Quick, assistant pro at Salt Lake City's Bonneville course, who made a 67. This gave him a tie at 212 with Cliff Whittle of Twin Falls, Idaho.

Also tied at 212 were Billy Johnston of Provo, Utah, Walt Harris of Salt Lake City and

Al Feldman of Tacoma, Wash. Tommy Williams of Ogden, Utah and Eddie Hamilton of Oceanside, Calif., were next in line with 213.

At 214 were J. D. Taylor of Denver and Ockie Eliason of Tacoma.

The top amateurs were Babe Hiskey of Pocatello, Idaho and Lou North of Salt Lake City with 215's. They were tied with pros Jim Haynes of Tuscon, Ariz., and Billy Korns of Caldwell, Idaho.

Mike Demassey of Stockton, Calif., had a 36-37-73 Saturday for a third round total of 216 and a tie with John Zontek of Perkins, Calif., and Jack Mann of Los Serranos, Calif.

Eaton said he had only one bad shot out of his 68 total today and felt he played about as perfect golf as I can. He added he hoped he would be paired tomorrow with both Quick and Ward, neither of whom has any love for Eaton.

"If there's any fighting to be done we might as well do it out here on the course with the clubs," Eaton said with a laugh.

MOWING HAZARD
Valparaiso, Ind. — C. V. Adams, 63, was knocked down by a passing car which hit his elbow as he swung his lawn mower around, extending his right arm out over the street.

Angels Lead Score 3-0 Win

Sacramento, Calif., July 27 — John Janese scattered five hits Saturday night to lead Los Angeles to a 3-0 win over Sacramento in a Pacific Coast League series opener.

Los Angeles — 3 8 0
Sacramento — 0 5 0
Janese and Teed; Watkins, Coon (9) and Neal. Home run—Hamric, L.A., 4th, none on.

Forty-Niners Start Drilling

Moraga, Calif., July 27 — The San Francisco Forty Niners of the National Football league opened training at St. Mary's college Saturday with 32 rookies and 9 veterans answering the first roll call.

Coach Frankie Albert said the balance of the squad — 24 old hands — was scheduled to report for duty next Saturday.

One rookie was cut from the squad when he failed to pass a physical examination. Doctors said Bill Yelverton, all south-eastern conference lineman from Mississippi, had not recovered sufficiently from surgery to correct a knee injury to permit him to play this year.

REMOTE MUSIC
Boston — Boston University staged six performances of Bizet's opera, "Carmen," without an orchestra in the theater. The orchestra played in another building because the BU theater has no pit for musicians, and the singers heard the music by a loudspeaker system.

The large white sea bird called the gannet is related to the pelican.
