

Local and Personal

Machine Taken—Theft of a gum machine from in front of the Craterian theater on South Central ave. was reported Friday to city police. It was valued at \$27.50. Officers are also investigating the theft of a 24-by-36-foot canvas tarpaulin from a pile of lumber at 60 Hawthorne st. Myers D. Jones, building contractor, reported the theft Friday morning.

To Travel—County Judge Rodney Keating plans to attend a meeting in Portland Monday of the public land committee of the Association of Oregon counties. Keating said the committee will discuss problems pertaining to public lands in various counties. A report also will be made by the legal council during the annual meeting.

News About Servicemen

ABOARD BATTLESHIP
Midshipman 1/c Orlin M. Stansfield, son of Mr. and Mrs. E. M. Stansfield, route 2, box 381C, is aboard the battleship USS Wisconsin in the Atlantic.

IN TRAINING
Pvt. Jerry L. Loper, Talent, is receiving eight weeks advanced individual engineer construction training at Ft. Leonard Wood, Mo.

Loper, son of Mr. and Mrs. Lewis Loper, route 1, Talent, recently completed eight weeks of basic combat training. He is entering the second phase of six months of active duty under the Reserve Forces Act program.

ABOARD WISCONSIN
Midshipman 3/c Donn R. Johnson, son of Mrs. Helen M. Johnson, Central Point, is among the naval reserve training corps midshipmen on a summer training cruise aboard the battleship USS Wisconsin.

Johnson is a student at Oregon State college. The 11 ships on the cruise left Norfolk, Va., June 19 and will return Aug. 5, according to a navy news release.

Omer Ritter Dies After Logging Mishap

Omer A. Ritter, 58, of Camp U Rest, highway 99 south of Medford, died yesterday in a local hospital. He was injured Friday when struck by a tree. Ritter was employed by the Ft. Milling and Planing mill at Ashland. He was logging near Dead Indian rd., when a tree he was felling struck another tree, which bounced up and struck Ritter.

Conger Morris funeral home is in charge of funeral arrangements.

Obituaries
GESENA OSBORN
Gesena Johanna Osborn, 77, died in a Medford hospital Friday night.

Mrs. Osborn was born Aug. 14, 1879 at Emden, Germany. She has been a resident of Ashland for the past year. She came from Centerville, Calif. She is survived by her three sons, Dewey Osborn of Richmond, Calif., Russell Osborn of Ashland, Roy Carrier of Ashland; one daughter, Betty Jane Drake of Paulsbo, Wash., and a granddaughter, Mary Gay Peacock of Ashland.

Funeral services will be held at 3 p.m. today at Litwiler's Mountain View Chapel in Ashland. The remains will be taken to the Chapel of The Chimes, Oakland, Calif.

Roseburg Man Killed In Highway Crash

Coquille, Ore. — Andrew Ross Knott, Roseburg, was fatally injured Saturday when his car went out of control and struck a bridge abutment and telephone pole on highway 42 three miles east of here. State police said Knott, about 75, died at a hospital in Myrtle Point soon after his arrival. Knott was following a pickup truck driven by his son-in-law, Leon King, of Remote, Ore. They were on their way to the beach to dig clams. When King noticed his father-in-law's car was not following, he went back, found the injured man and took him to the hospital.

IDENTIFIED—A pretty 19-year-old student nurse identified John Rexinger, 23, as the "torture-kit rapist" who assaulted her in San Francisco's Golden Gate Park July 20. Rexinger, an ex-convict with a sex crime record, is shown here in City Prison after being booked as a suspect in the case.

WHO'S AFRAID OF A BIG OL' BEAR? — Apparently Jeaniene Cook (Miss Sacramento County) isn't. Jeaniene, an entrant in the Maid of California contest, was posing with this ursine ruse at the state fairgrounds in Sacramento. Her charms are natural and obvious but the bad ol' bear got that leering expression from the whimsical end of a retouch artist's brush.

'Girard Case' Bill Passage Expected

Washington — The House appeared likely Saturday to pass a heavily watered-down bill designed to prevent another "Girard case" in the foreign trial of American servicemen.

However, proposals for a major revision of the international status of forces agreement on trial and punishment of U.S. troops overseas were losing ground in the face of stiff administration opposition.

A compromise bill, if it clears the House, will still face in the Senate a log-jam of legislation caused by the lengthy civil rights debate. Its chances of Senate approval before adjournment remain slim.

Rep. Carl Vinson (D-Ga.), veteran chairman of the House armed services committee, said he favored a slight change in U.S. administrative procedures under the foreign trial arrangements. Unless some compromise bill is approved by the committee, he said, "We may be confronted on the floor with something that could cause a lot of friction with our allies."

More planes per person are owned in Nebraska Sand Hills than in any other region of the world, according to the Nebraska Aeronautics Department. Most of the ranchers and farmers fly their own planes.

MEDFORD (OREGON) MAIL TRIBUNE—FIFTEEN

Charred Bodies Of Boys Found

Brockton, Mass. — The charred mutilated and bound bodies of two young brothers were found in a public park under a pile of burning branches Saturday, the victims of a sadistic killer.

The youngsters, John Logan, 12, and his brother, Paul, 10, who had been missing since Friday when they went for a swim, were found face down about a yard apart close by a large pond. The bathing suits had been stripped from their bodies, their wrists had been bound with clothesline rope and one of them had been hocked with a knife.

Car keys on a ring were beneath one boy's body.

The youngsters, of Stoughton, Mass., had been missing after their father took them to the D. W. Field park, which is guarded by eight lifeguards and park police.

Late Friday their clothes and half eaten lunches were found beside the Ellis Brett pool in the park by the father when they failed to come home.

Garcia Nominated as Philippine President

Manila — The majority Nationalist party has nominated President Carlos P. Garcia by an overwhelming majority to run for president in the November elections.

Garcia won the nomination by a landslide over three other candidates, indicating he has almost as much popularity in the party as his predecessor, the late Ramon Magsaysay.

Garcia was elected vice president in the 1955 election and ascended to the presidency when Magsaysay was killed in a plane crash last March 17.

TEENAGE TRAGEDY—For two days, Elaine Soule, 19-year-old typist (above) from Freeport, Long Island, N. Y., lived with the body of her roommate in their Burlingame, Calif. apartment. The roommate, Catherine Marie Elvins, from Seattle, also 19, had been brutally bludgeoned with a flatiron and repeatedly stabbed. Elaine told police she did it for a \$160 check that Miss Elvins had received from her mother.

Sultan of Oman Beefs Up Forces

Sharja, Trucial Oman — The Probritish sultan of Oman beefed up his forces on the edge of rebel-held territory Saturday in preparation for an all-out campaign to wipe out an Arab insurrection that threatens his rule.

Half the Sohar regiment from the sultan's Muscat and Oman force had moved into the area at Ibbi. Ibbi is 80 miles northeast of the rebel headquarters at Nizwa.

In the Buraimi oasis, Trucial Oman scouts commanded by British Col. Stewart Carters established headquarters and started sending patrols down the rough, sun-baked trail to Ibbi, 80 miles to the southwest. Ibbi has served as the nerve center of the sultan's Oman regiment since it was pushed out of Nizwa by the rebels in the week-old desert war.

Approximately 1,000 Trucial scouts moving into Buraimi were expected to take off shortly to join the sultan's Sohar and Oman forces of about 400 men.

Hearing Scheduled on Government Return

Washington — Congressional hearings will open Monday on President Eisenhower's proposal to return to state and local governments some of the jobs now being handled by the federal government.

Chairman L. H. Fountain (D-N.C.) of the House subcommittee on intergovernmental relations said the Washington sessions will lay the groundwork for further hearings to be held after Congress adjourns in various regions of the country.

U.S.-Panama Highway To Be Completed in 1959

Washington — The inter-American highway linking the U.S. border with Panama is expected to be ready for traffic in early 1959, the international road federation said Saturday.

It said that only 5 per cent of the 3,200-mile road remains to be built but this will take two years because of rough and sometimes inaccessible terrain. Here the builders must contend with jungle, tropical heat, rocky mountains, landslides, rivers, and torrential rains which wash out roadbeds.

Utah's state tree is the blue spruce, the sea gull the state bird, and the Sego lily the state flower.
