Water Records Fall In AAU Meet

Philadelphia —(AP)— The National Men's AAU swimming and diving championships at Kelly Pool here went down on the books today as one of the biggest record-smashers in the history of the event.

Eight marks were established in the 13 swimming events on the program. They included three American records, an American citizen's mark and a possible world record.

The highlight was the 5:15.6 American record set by 17-year-old Gary Heinrich of San Leandro, Calif., for the 400-meter individual medley which the AAU is submitting to the International Swimming federation as a world record.

The 5:15.4 world record for the event claimed by V. Strojanov of Russia was set in 1954 on a shorter, 40-meter course. AAU officials are confident that Heinrich's time on the regulation 50-meter Olympic pool here will be recognized since it had less turns to boost the swimmer's speed.

Frank E. McKinney Jr. of Indianapolis lowered the 100-meter backstroke meet record to 1:04.7 in a qualifying round and shaved another two seconds off it in winning the final round. He also broke the 200-meter backstroke American record with a 2:21.7 timing.

Other double-winners were Dick Hanley of Detroit, taking the 200-meter and 100- meter free-style titles and George Breenn of Buffalo, who set a new American mark of 18:17.9 for the 1,500-meter freestyle and successfully defended his 400-meter freestyle championship.

Albert Wiggins of Pittsburgh, world record holder for the 100-meter butterfly event, lowered his American standard for the race to 1:02.8. Bill Yorzyk of New Haven, Conn., broke his own meet record for the 200-meter butterfly twice to lower the mark to 2:22 flat.

Wrong-Time

Cyrus Hopkins of Ann Arbor, Mich., made his best effort at the wrong time. He set a new American mark for the 200-meter breast stroke of 2:43.2 in a qualifying race, then lost the title event to Manuel Sanguily, Havana, in a slower race.

Louis Schaeffer, 16-year-old Cleveland swimmer, set a 2:29.1 record for the junior 200-meter backstroke and the Pittsburgh YWCA team set a 5:32.5 standard for the women's junior 400-meter medley relay.

Indianapolis won the team title with 59 points, followed by Coca-Cola Swim club of Cincinnati with 47 and New Haven, S. C., with 38. Hawaii S.C. was fourth with 31, and Los Angeles A.C. fifth with 24.

Robert Hughes of Manhattan Beach, Calif., retained his 100-meter breast stroke crown, Gary Tobian of Army kept his platform diving title and the New Haven team defended its 800-meter freestyle relay championship successfully.

Gracie DeMoss Retains Title

Portland — (AP) — Gracie De Moss of Corvallis retained her state women's amateur golf title Sunday by walloping Carold Jo Kabler of Sutherlin 12 and 11.

The playoff had been delayed because of a back injury suffered by Miss DeMoss in the state tournament in June.

Carol Jo, the Northwest woman's champion, was off her usual form.

Fangio Wins, May Retire Now

Nuerburgring, Germany — (AP) —Juan Manuel Fangio of Argentina, who clinched his fifth world auto racing championship by winning the Grand Prix of Germany, today declined to comment on reports he is ready to retire from the sport.

It had been reported earlier that the Argentine speed king would quit as a professional driver if he won the world title again this year.

Fangio drove his Maserati at average speed of 89.312 miles an hour in winning the race in Germany. He took over the lead on the 21st lap of the 22-lap 313.6-mile race.

Britain's Mike Hawthorne and Peter Collins finished second and third, respectively, while Harry Schell, an American living in Paris, wound up seventh. Fifteen of the 24 starters finished the race.

Davis Cuppers Face Philippines

Chestnut Hill, Mass. — (AP) — The United States Davis Cup team today looked forward to the match with the Philippine entry after taking the American Zone championship with a 5-0 sweep over Brazil.

The United States-Philippine series will probably take place in December. The eventual zonal winner takes on defending Davis Cup champion Australa.

The U. S. squad topped Brazil in both singles matches here Sunday to complete their sweep. The double win made little difference as the United States had already clinched the title with two singles victories Friday followed by a doubles win Saturday.

He rolled out of the car with his clothing aflame.

Mrs. Alonzo Stagg, 81, "Grand Lady" of Football

By HAL WOOD
United Press Sports Writer

Stockton, Calif.—(UP)—A month of milestones starts this week for the grandest old lady of football—Mrs. Amos Alonzo Stagg, the best wife a football coach ever had.

Stella Stagg will be 81 years old on Wednesday; her husband will be 95 on Aug. 16; and on Saturday of this week they will be feted by the College of Pacific at a campus dinner party.

Still mentally alert and well enough to do her own housework at their modest, tree-shaded home, Mrs. Stagg still probably knows more about the game of football than any woman in America.

Mr. Stagg often has referred to her as "The Boss" when it comes to planning his strategy for football games—maybe with tongue in cheek, but certainly with a modicum of truth.

Down through more than a half century of coaching for Mr. Stagg, Stella has scouted, worked in the press box, acted as housemother to worried football players, drawn charts of games—and even mended uniforms.

Perfect Wife

"At the 60th reunion of my Yale class some years ago," Mr. Stagg said recently, "the president of a major steel company described the perfect wife as one who gives up her own career to devote it to her husband and family.

"That is exactly the description of Mrs. Stagg. She has completely devoted herself to me, my work and our children."

Mrs. Stagg passed the Greek and Latin examinations to enter the first University of Chicago class in 1892. She was an outstanding tennis player — good enough to compete against the world champions. She was only 16 when she entered college, married Mr. Stagg when she was 18 and a junior at the university.

Mother of three children, Mrs. Stagg still found time to trek from coast to coast, either with her husband or on scouting assignments during his 63 years of coaching.

Considered Fixture

While Mr. and Mrs. Stagg were considered a fixture at Chicago where he was the head coach for 41 years, they recently were inducted into the College of Pacific "25-Year Club." Stagged coached here for 14 years before retiring.

Principal speaker at the Saturday night affair will be William (Bill) Becker, New York Times writer and former Stagg gridder who followed the coach from Chicago in the 1930s to play on the College of Pacific team.

Being guest of honor at banquets is old stuff to the Stagg family these days—but they enjoy every one as much as a kid at his first birthday party.

The living and dining rooms of the Stagg home sometimes look like over-large trophy cases, with mementos of the years. But that doesn't mean that Mr. and Mrs. Stagg live in the past.

Actually they are looking forward, not only to the next months but to the next years.

Boudreau May Get Boot Soon

New York — (UP) — Unless the last-place Kansas City Athletics do a complete about-face within the next eight days, Lou Boudreau will be let out as manager and George Selkirk probably will replace him, the United Press learned today on excellent authority.

Boudreau faces the eight-day deadline because the Kansas City front office feels something drastic has to be done before the A's come off the road and return home, Aug. 13.

Boudreau, whose contract still has another year to go, will be offered a job in the Kansas City front office, according to the source. As a matter of fact, he may be offered the same post with the Athletics Selkirk now holds—director of player personnel—so that the two men actually would be trading jobs.

Selkirk, the former New York Yankee outfielder, won a pennant with Kansas City in 1952 when the club was still in the American Association, and still is a tremendously popular figure in that city.

Arnold Johnson, the owner of the Athletics, is "extremely disappointed" at the club's recent showing, according to the United Press source.

If Boudreau is released by Kansas City, he will be the third pilot deposed this year.

The Washington Senators named Cookie Lavagetto to succeed Chuck Dressen, May 7, and Danny Murtaugh replaced Bobby Bragan as manager of the Pittsburgh Pirates last Saturday.

Cubs Tangle For Top Spot

Medford Cubs were to meet Grants Pass Cubs this afternoon to decide final leadership of the Southern Oregon Junior Baseball club league. The games will be played at Grants Pass. A scheduled encounter between Grants Pass Bears and Ashland has been cancelled.

Don Frailey Leads League

Portland — (AP) — Don Frailey of Eugene with a .352 mark led Northwest league hitters in games through July 30, league statistics showed today.

Ellis Burton, Tri-City slugger, led in homers with 22, in stolen bases with 26 and in total bases with 190. However, Burton has been injured in an automobile accident and it's doubtful he will see further action.

Herman Lewis of Yakima led in doubles with 25 and in runs batted in with 102.

Mike Acker of Eugene has the top earned run average of 2.42 runs per game.

Motors Club Whips Yoncalla, Lakeview Next

Crater Lake Motors took twin bill from Yoncalla at Drain yesterday by scores of 6 to 2 and 7 to 0.

The local softball contingent piled up a six run advantage then coasted to victory in the first game. Don Sanford and Bob Smith clouted home runs, and Smith and Pete Hale each gained two hits.

Don Weatherford was winning pitcher, scattering six Yoncalla hits.

In the nightcap, Vern Collins twirled a one-hitter, striking out eleven with no walks issued. Dale Thompson, Don Wendt, Chuck Richardson and Robbie Isaacs sparked the Motors hitting attack.

The double victory enables Crater Lake to play Lakeview for a berth in the state softball tournament at Oregon City Aug. 17.

Maids Victors Over Red Bluff

Rogue Valley Dairy Maids whipped a Red Bluff woman's softball team 10 to 1 at Camp White yesterday.

Pat Barron pitched for the Maids, relieved in the fourth by Sharon Day, with Doris Hickson coming in in the sixth inning. Jean Main caught.

Chicago — (AP) — A retiring "monarch" will present a surefire program for "leisure and prosperity" to his organization's annual convention at Britt, Iowa, on Aug. 27. Ben Benson, 72, who steps down this year as king of the hoboes, says the platform will include a four-hour day, a four-day week and a three-month vacation with pay.
