

SHADY COVE-TRAIL Flower Beds Are Installed

By EVALYN P. WATSON
Shady Cove-Trail — Brightly colored flower beds have replaced the weed-ridden and cluttered areas around telephone poles in the downtown area of Shady Cove through efforts of the Shady Cove Garden club.

Members of the group donated plants, and planted the beds with the assistance of Rotary club members. Care for the small gardens is provided by the people on whose property they are placed.

Several relatives were here for the funeral of Mrs. Vella King, who died July 31 at her home in Shady Cove following a long illness.

Arriving here were her daughter and son-in-law, Mr. and Mrs. Bob King, Ojai, Calif.; her son and daughter-in-law, Mr. and Mrs. Grey King, Portland; son and daughter-in-law, Mr. and Mrs. Harry King, and son Tommy, Hayward, Calif.

Members of the Shady Cove-Trail Volunteer Fire department answered a call on Monday evening to the home of the Johnny Minor family of Shady Cove. Quick action and work on the part of the fire department helped to confine most of the damage to the garage and pump house. The siding was burned at the rear of the house but the garage and pump house were total losses and the Minor's were without water until the

pump could be replaced. Besides losing a pump, they lost a power saw and a quantity of other equipment in the garage. Without a fire department in this community it is very probable that both the Minors house and others adjoining would have been destroyed in the fire.

She first collected a pile of rough looking rocks and then strategically placed and replaced them so that they could be seen from the windows of her neighbors at the Treasure Trove.
