STATEMENT By JOHN CUPP

I believe that this special offering on upholstered Living Room Furniture is no doubt one of the greatest values ever offered in Southern Oregon.

As in the past 35 years, we are trying to bring to you the best values in Furniture that we can possibly find, style wise and quality wise at a price that is realistic.

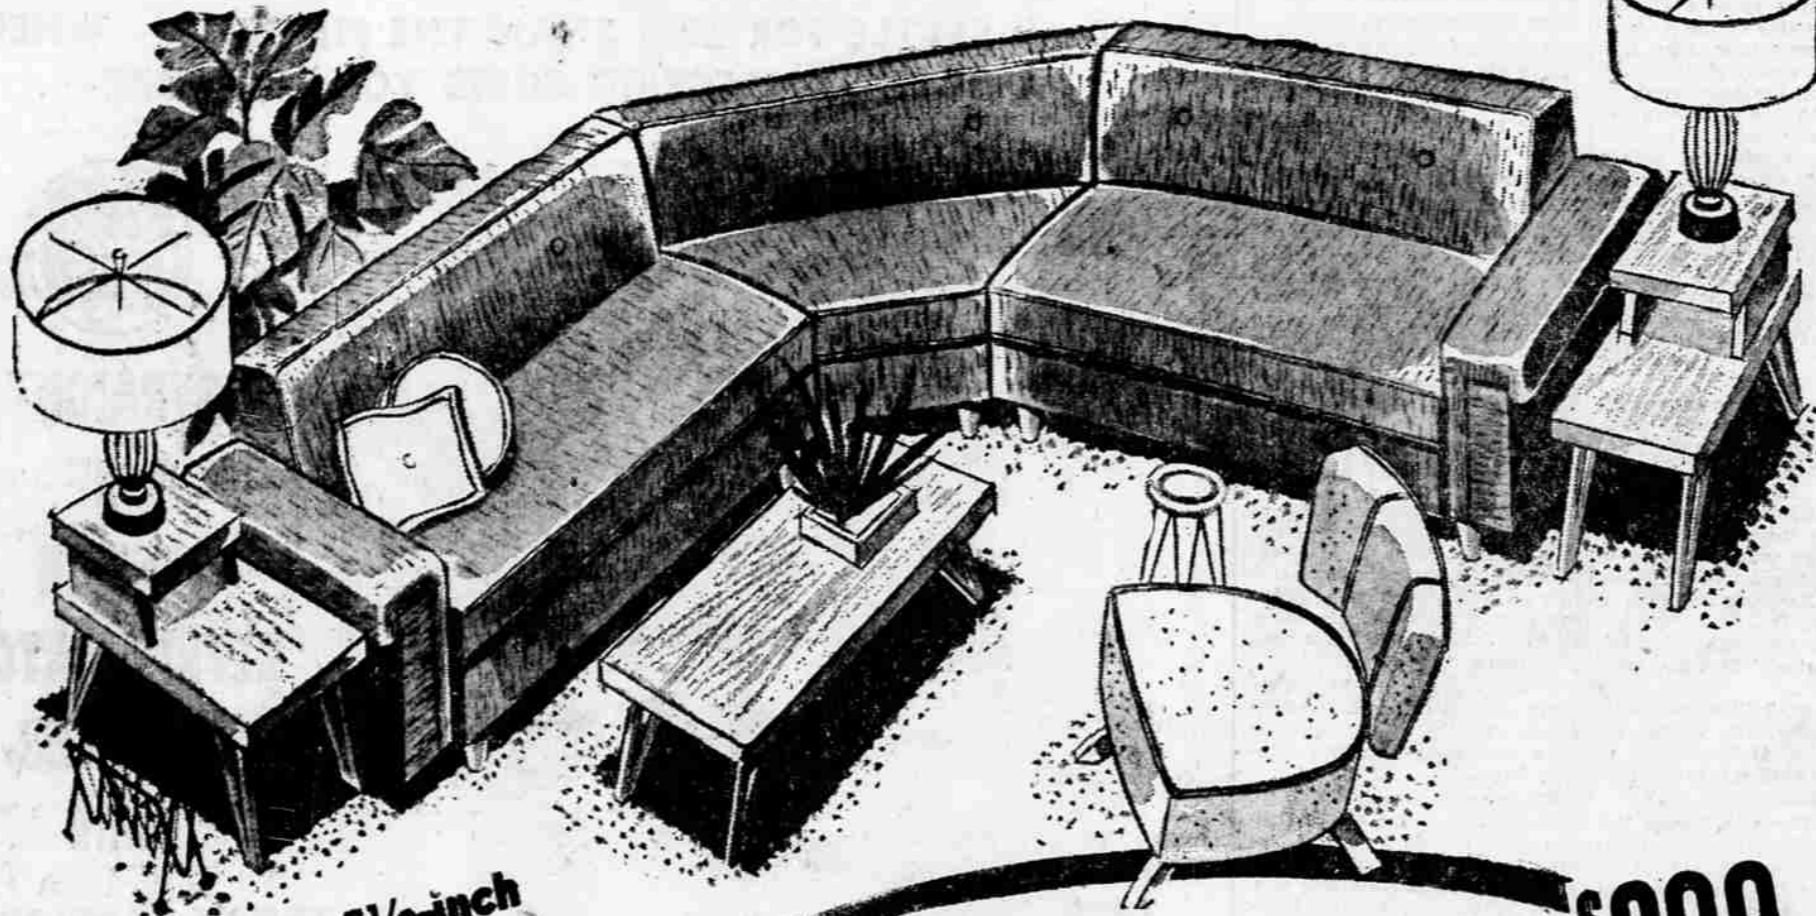

Besides this special offer we are showing, there is in our store over 40 Living Room Suites to choose from — 2 piece Sectionals, 3 piece Sectionals, large oversize Davenports and Chairs, all in foam rubber. I urge you to look over the entire showing if you are in the market for Living Room Furniture.

A special showing of the merchandise is now in our 225 foot long show windows, which I believe to be the largest showing of modern Living Room Furniture ever shown at one time in the State of Oregon.

We invite you to drive out and look at this great showing of fine furniture.
