

St. Louis Downed As Braves Start With Win Streak

By UNITED PRESS

©The Milwaukee Braves started a new winning streak today, coming from behind to down the St. Louis Cardinals, 5-4, on Hank Aaron's two-run double in the 11th inning.

The Braves, somewhat annoyed when the Cardinals snapped their 10-game victory string Friday night, appeared headed toward another setback when St. Louis went ahead 4-3 in the top of the 11th. But Frank Torre and Eddie Mathews cracked successive singles off Cardinal relief pitcher Billy Muffett in the bottom of the 11th and then Aaron drove them both home with his game-winning blow.

Warren Spahn, who relieved Don McMahon in the ninth inning, picked up his 14th victory against eight defeats. Red Schoendienst homered for the Braves in the sixth after St. Louis starter Larry Jackson had pitched no-hit ball for five innings.

The defeat dropped the second place Cardinals 8½ games back of the pace-setting Braves and left them one percentage point ahead of the Brooklyn Dodgers, who fell before the Pittsburgh Pirates, 7-3.

Ron Kline gave up only six hits—four by Roy Campanella—in turning in the first complete game victory of his career at Ebbets field. After spotting the Dodgers a 3-0 lead, Pittsburgh knuckered out Sandy Koufax with a four-run blast in the fifth inning. It was only Kline's fourth triumph against 15 losses this season.

Rookie Jack Sanford allowed only six hits in registering his 16th victory of the campaign as the Philadelphia Phillies downed the New York Giants, 3-1. The Phillies broke a 1-1 tie with two runs in the third inning, featured by Harry Anderson's triple. Losing pitcher Ruben Gomez strained his right shoulder in the midst of Philadelphia's rally and was forced to leave the game.

Ernie Banks' sacrifice fly in the eighth inning scored Bob Speake and enabled the Chicago Cubs to edge the Cincinnati Redlegs, 2-1. It was the Cubs' fifth straight victory and the fifth straight loss for the Redlegs, who scored their lone run on a homer by Frank Robinson.

The New York Yankees increased their American league lead to 6½ games by downing the Baltimore Orioles, 6-2, while the Detroit Tigers nipped the second place White Sox, 9-8 in 10 innings.

Bobby Shantz scattered nine hits in gaining his first victory since June 23 against the Orioles. Mickey Mantle collected two singles and a double to raise his average two points to .384. Ray Moore started for Baltimore but was relieved in the first inning by Bill O'Dell, who absorbed his sixth loss against two victories. Shantz' record now is 10-3.

Johnny Groth's fifth straight single scored Charley Maxwell from second base in the 10th to give the Tigers their uphill victory over the White Sox, Chicago.

Pollution Blocks Fish Release at Eastmoreland

Portland—Anglers who yearn for the presence of the prize of all steelhead—the big summer fish—in rivers adjacent to Portland and the lower Willamette are going to have to wait a few years. At least they will have to wait until further reduction of Willamette river pollution comes about.

So said Dr. John Rayner, chief of fisheries for the Oregon game commission, who recently ordered part of this year's steelhead release destined for Crystal Springs creek at Eastmoreland to be planted in the Sandy river after an oxygen block was found in the Willamette.

Steelhead and salmon require about eight parts of oxygen for every million parts of water in order to have successful egg incubation. The adults and downstream migrant fingerlings should have five parts per million in order for them to survive. Water samples taken in the lower Willamette on July 5, 1957, showed only 1.2 parts per million at the SP&S bridge in Portland.

The game commission has been stocking summer steelhead fingerlings in Crystal Springs creek near Milwaukie for the past three years in an effort to get a good run started there. The eggs it was hoped that runs of these fine fish could be started in the Clackamas, Laolla, and other lower Willamette valley streams. The program has been jolted by continued summer oxygen deficiency in the lower Willamette.

SF Mayor Asks Giants Move Plans

San Francisco — Mayor George Christopher of San Francisco has asked President Horace Stoneham of the New York Giants for a "forthright statement" on the Giants' future plans.

Christopher wrote a letter last week asking Stoneham to expedite negotiations so the transfer of the National League baseball club can be "wrapped up next week."

Stoneham already has arranged to put San Francisco's proposition before his board of directors on Monday. Christopher said he is eager to have the deal settled so he can "divulge our negotiations" and draft the necessary documents.

"I believe that if we act quickly, we can engender considerable spirit and enthusiasm, which will permit me to assure you an early sellout of San Francisco games," the mayor wrote.

Woman Sues Pro Golfer In St. Paul

St. Paul, Minn. — Professional golfer Bill Nary, an entrant in the St. Paul open, Saturday was named in a complaint by a Minneapolis woman asking \$2,500 for injuries she allegedly suffered when struck by a golf ball hit by Nary.

The incident occurred Aug. 26, 1956. Mrs. Dorothy Burnes, Minneapolis, said she was struck in the face by a golf ball "negligently hit and drove" by Nary, from Tucson, Ariz., while she watched the 1956 St. Paul Open.

Forty Niners, Giants Vie Today

San Francisco — The San Francisco Forty Niners and the New York Giants, who both finished fast in the National Professional Football league last year — the Giants won the championship—tangle here Sunday in the first local exhibition game of the year.

CHESSE CHAMPION — Cleveland, Ohio — Robert Fischer, 14, of Brooklyn, N.Y., won the championship of the 58th annual National Open besting any number of older players before tying tournament veteran Arthur Bisquiere of New York City.

go hustled to a 4-0 lead in the first inning on Minnie Minoso's grand slam homer but the Tigers refused to quit, sending the game into overtime with a two-run rally in the ninth on four straight singles.

The Washington Senators banged out 19 hits in swamping the Boston Red Sox, 16-2. Art Schult paced the Nats with four hits and four runs-batted-in. Ted Williams had one hit in two official appearances to maintain his .393 average.

Cleveland was at Kansas City in the only night action.
