Authorities Seek Gunmen Who Shot Policeman Saturday

Minneapolis, Minn. — Federal, state and local authorities conducted a widespread search for three young men who killed a policeman and critically wounded his partner.

Police said they were prepared for another gun battle with the three dapper men wanted in the Saturday night slaying of patrolman Robert Fossum, 31, and the wounding of his partner, Ward Canfield, 35.

A woman motorist who was kidnapped and freed by the fleeing gunmen described them as well-dressed and under 25. They were believed carrying pistols and a shotgun taken from the wounded officer.

Curb Car
Mrs. Alvin Anderson, of suburban Bloomington, told police the three men curbed her car, drove her a short distance and then forced her from the vehicle.

Fossum and Canfield spotted the three in a stolen car while cruising through the neighborhood business section here.

The patrolmen opened fire when the youths refused to stop, but their bullets bounced off a steel plate lodged against the car's rear window.

The chase ended when the gunmen's car hit and locked bumpers with a parked car.

The youths opened fire on the officers from behind the cars, killing Fossum and wounding Canfield. The gunmen then hopped back into their car and backed both cars over the fallen Canfield.

Factors Send Stocks To New Low Ground

New York — A combination of factors topped by the Soviet-inspired Syrian coup today sent stocks to new low ground since March 26.

The sell-off hacked about three billion dollars from the valuation of all listed securities. The market has lost 17 billion dollars since it hit the year's high in industrials July 12.

Utility issues set a new low in their averages since Dec. 27, rails since Feb. 26, and industrials since April 8.

Metal, oil, steel, and special issues with losses ranging to more than 5 points were hardest hit. Gulf led a break in the international oils and at its low was down more than 5 points. Copper fell by more than 3 points in Anaconda and Magma. Lukens, down more than 4, was the soft spot in the steels. Chrysler at its low was off 2 1/2.

Dow-Jones final stock averages: 30 industrials 478.95, off 9.25; 20 railroads 140.35, off 2.35; 15 utilities 67.1, off 0.76, and 65 stocks 166.18, off 2.90.

Sales today were about 2,040,000 shares compared with 1,470,000 shares Friday.

American Scouts Touring Europe

Koblenz, Germany — A group of 164 Boy Scouts left for tours of Frankfurt and Heidelberg today, wearing their American insignia very conspicuously.

They didn't want to be taken for Russians again. The scouts, who came from the West and Hawaii, wore red shirts and passersby in Cologne, unfamiliar with American scout insignia, thought they were Russians traveling from the Moscow Youth Festival. German scouts wear leather pants.

The boys arrived at nearby Ruedesheim Sunday night at the end of a tour of the Rhine river. They took a chairlift ride over the hillside vineyards obtaining the best view possible of the countryside.

Scout leader John G. Triplett, Corona Del Mar, Calif., said the boys were glad to be staying in hotels following their camp jamboree in England.

"One of the high points of our trip was taking leave of camp life and going back into our hotel," he said. "We learned a lot from our camp experiences, but we are glad to be able to sleep in real beds again and not have to eat our own cooking."

After visiting the famed University of Heidelberg, the scouts will go to Baden-Baden and Interlaken and Lausanne, Switzerland. They will spend the week end in Paris.
