Operation Snowball ends August 31st. Come in during this last

big week. You'll thrill to the styling advantages found only in the dream-designed new Plymouth, Dodge, DeSoto, Chrysler, and Imperial. Take a ride and discover the velvety smoothness of exclusive Torsion Aire Ride and the convenience and ease of famous Pushbutton Powerflite.

Then be amazed by the deal you can write on a car of the Forward Look. Remember — only these advanced new cars will still be new next snowfall!
