Labor Day

ON OR OFF the green, today's men and women are in great form. Their slim good looks say a lot for their sensible modern diet—for the swing in taste to lighter, less-filling food and drink. Pepsi-Cola is right in step with this modern trend. Reduced in calories, today's Pepsi is never heavy, never too sweet. Better check your home supply for the holiday ahead. It's fun, anywhere, to refresh without filling. So—say it: "Pepsi, please"!
