

Water Bills to Be Sent on Post Cards

All water bills on the flat rate scale will be sent on post cards for September, water department officials announced Saturday. The new water bills on post cards will be mailed about Oct. 1, according to department employees. New graphotype and addressograph machines have been purchased to process bills quickly. The new water bills on post cards will be mailed about Oct. 1, according to department employees.

Fish Preparation

New York—To bring out the maximum flavor of grilled fish, brush it generously with butter or margarine and sprinkle with onion or celery salt and ground black pepper before cooking.

Ruling Handed Down On County Contracts

Salem—Attorney General Robert Y. Thornton said Saturday that a county court cannot legally enter into a contract for insurance through an agent who is a member of the legislative assembly except through competitive bidding. "The opportunity for undue influence arising from a situation where one contracting party legislates with regard to the governmental powers of the other contracting party is obvious," Thornton said. The opinion was requested by

Mount Rainier Park To Have New Bridge

Tacoma—Carl M. Halverson, Inc., Portland, Friday was awarded a \$1,164,000 contract for constructing a new bridge across the Nisqually River in Mount Rainier National Park. The Interior Department, which awarded the contract, said the bridge would be situated downstream from two temporary spans installed by the Army after the original bridge was destroyed by floods in 1954. Clackamas County District Attorney Winston L. Bradshaw.

Enough steel rails have been made in the U. S. to build a single track almost 33 times around the world.

When the U. S. military academy at West Point was opened July 4, 1802, there were only 10 cadets enrolled. West Point has been a federal military post since Jan. 20, 1778.
