

Vancouver Mounties Gain Slightly; Must Win Six Remaining

By JIM HEALY
United Press Sports Writer

After nearly two weeks on a maddening treadmill, the second-place Vancouver Mounties have finally gained a crucial half-game on the San Francisco Seals.

Playing the only single Pacific Coast league game on the schedule Tuesday night, the

Mounties came from behind to whip last place Portland, 4-2, while the Seals split with Los Angeles, trouncing the Angels 5-3 in the opener, then getting trounced themselves, 3-2.

Elsewhere, San Diego nailed Sacramento, 5-3, in the opener, and went down in the nightcap, 3-2 while Hollywood and Seattle split with identical 2-0 scores, Seattle winning the first contest and the Stars the nightcap.

It was the sixth straight win for the Mounties. But in order to even tie for the pennant, they have to win all six remaining games, assuming San Francisco loses three.

St. Mary's Hampered By Injuries

St. Mary's high football team has swelled to 30 aspirants but the Crusaders could be a bit crippled for their opening game here Friday night against Illinois Valley.

Coach Bill McKibbin reported Jerry Flakus, big end, out with a sprained back, another letterman, George Lucas, fullback, lamed with a badly bruised thigh and Paul Smith a right half, suffering from an ankle sprain.

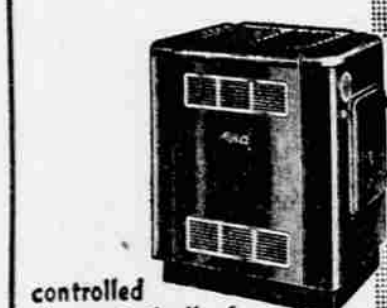

The mentor said the rest of his players are going full steam under his direction and that of Neil Murphy, line coach.

The Crusaders play the Cave Junction club on the Medford Senior High field in the first prep fray of the season here. It may be the only non-loop game for St. Mary's this year. However, a game is set against Eagle Point here on Nov. 9 if neither team is in state play-off.

This season finds SM with its fullest 11-man grid slate. The Crusaders have seven district games. The opener in the B circuit will be on Sept. 20 at Talent. Other clubs in the district are Merrill, Sacred Heart of Klamath Falls, Jacksonville, Malin, Bonanza and Chiloquin. SM won the Jackson county title last year but there is no such circuit in football this season since Jacksonville and Talent are the only other schools playing the 11-man sport in the county.

Of all adult pedestrians killed in motor vehicle accidents about 23 per cent had been drinking or were drunk.

Father, Son Golf Players To Sign Up

Entrants in the annual father and son golf tourney at Rogue Valley Country club are asked to sign up right away at the pro shop for starting times.

First tee-off will be at 10 a.m. following an 8:30 a.m. breakfast. Only a few entries had signed by yesterday.

George and Gary Harrington won the title with low gross last year but now live at Phoenix, Ariz.

A me and mine tourney for husbands and wives is set for Sept. 29. Play in the men's 54-hole fall handicap will open on Sept. 28.

Pheasant Crop Excellent in Jackson County

About 60 members of Jackson county chapter, Izaak Walton League, met Monday night at the Medford Gun club in the first meeting of fall.

Charles Shepherd, game commission biologist for this area, said surveys to date indicate the crop of pheasants is excellent in the county and deer should be plentiful. A game commission color-sound moving picture, Trophy Hunt, was shown.

Col. Paul Weiland reported to members regarding a public hearing held by the district army engineers in Coos Bay July 16 on log rafting regulations for the lower Rogue river.

He and chapter president Hank DeVoss presented papers at the hearing personally and, Weiland said, the engineers received letters from around the country, generally opposed to log rafting. On Resources Committee.

In the meeting, it was brought out that at least 13 Izaak Walton members of this county are serving on the county water resources committee. Many tributaries of the Rogue river are dry, and others have very little flow due to logging operations and forest fires, it was reported.

The chapter voted to sell one dollar supporting memberships to raise money for activities. The treasurer's report showed the chapter in debt, due to past heavy expenses on conservation programs. The building fund has over \$600, however.

A representative of the Medford Rifle and Pistol club proposed on behalf of his organization that the Izaak Walton chapter and the Rifle and Pistol club combine efforts toward a new clubhouse adjacent to the gun club. A committee was appointed to study the proposition.

Pros Will Aim To Keep Up Dominance in Hudson Cup Matches on RVCC Course

The ninth annual Hudson Cup matches, scheduled for Saturday and Sunday, Sept. 21 and 22, at Rogue Valley Country club, will find the 10 top pros of the northwest attempting to continue domination over the leading amateurs.

Over the past eight years the pros have won six times and the amateurs twice.

Biggest margin for the play-for-pay men was in the opening match in 1949. Team score was 12½ to 2½. Closest pro win was 8 to 7 last year. Amateur victories were 9 to 6 in 1950 and 9½ to 5½ in 1955. Other pro wins were 9½ to 5½ in 1951, 9 to 6 in 1952, 8½ to 6½ in 1953 and 10 to 5 in 1954.

During the eight seasons 38 different amateurs and 28 different pros have been on the teams.
