LEGAL NOTICES

ORDINANCE NO. 6811

AN ORDINANCE declaring the assessment on property benefited for the cost of constructing a sanitary sewer in and along South Grape Street to serve the property abutting said street from Melrose Avenue to Stewart Avenue, in the City of Medford, Oregon; and directing the Recorder to enter a statement thereof in the docket of City Liens and publish a notice thereof as required by the Charter.

THE CITY OF MEDFORD DOTH ORDAIN AS FOLLOWS:

Section 1. WHEREAS, the City Council did heretofore by Ordinance declare its intention to construct a sanitary sewer in and along South Grape Street to serve the property abutting said street from Melrose Avenue to Stewart Avenue, in the City of Medford, Oregon; and to assess the cost thereof upon each lot or part thereof adjacent to and benefited by such improvement its proportionate share of the cost of said improvement, and did fix the time and place for hearing protests against the construction of said improvement, and the assessment of the cost thereof, as aforesaid; and

WHEREAS said Ordinance was duly posted and published as required by the Charter of the City; and

WHEREAS a meeting of the Council was held at the time and place fixed in said Ordinance for the purpose of considering any such protests, but no protests were at such time, or at any time, made to, or received by the Council to the construction of said improvement, or the assessing of the cost thereof, as aforesaid, and said Council has considered the matter and deeming that said construction of said improvement was and is of material benefit to said City, and that all the property to be assessed therefor will be benefited thereby to the extent of the probable amount of the respective assessments to be levied against said property, did order the construction of said improvement; and

WHEREAS, the cost of said improvement has been and hereby is determined to be the sum of $3,350.35.

NOW, THEREFORE, it is hereby determined that the proportionate share of the cost of construction of said improvement, on each parcel of property adjacent to said improvement and benefited thereby is the amount set opposite the description of each piece or parcel of land below, and that each piece or parcel of land benefited by the construction of said improvement, to the full extent of the amount so set opposite such piece or parcel and that the respective amounts represent the proportional benefits of said improvement to said respective parcels of property, and the Council does hereby declare that each of the parcels of property described below is hereby assessed the amount set opposite each respective description, for the cost of the construction of said improvement.
