

Sooners, Spartans Hang on Top Rated Grid Positions

New York — A formful week end kept Oklahoma and Michigan State in the 1-2 positions atop the United Press college football ratings today. Army was this week's only newcomer among the top 10 teams. Army's leap from 12th to 8th place and Michigan's promotion from 8th to 5th represented the

biggest advances of the week. Throughout the top 10 group, there were only a few minor changes in the ratings. Oklahoma, which resumed play after an extra week's layoff and crushed Iowa State, 40-14, for its 42nd consecutive victory, lost some of its lead over Michigan State once again. The

SPORTS

Sooners' first-place margin was cut to 38 points from last week's 62.

Twenty-six of the outstanding coaches who comprise the United Press rating board picked Oklahoma No. 1 in the nation; five voted for Michigan State. Coach Bud Wilkinson's team attracted 327 out of a possible 350 points, compared to 291 for Michigan State.

Texas A&M moved up one notch to third, exchanging last week's ranking with Minnesota. A 17th-ranked Michigan State came Oregon State, Duke, Army, Iowa and Auburn in that order. The Texas Aggies, Michigan, Duke and Iowa each received one first-place vote.

Navy, upset by North Carolina, dropped out of the top 10 group.

The two top games of next week end thus shaped up as second-ranked Michigan State vs. fifth-ranked Michigan, and eighth-ranked Army vs. Notre Dame, which moved up to a tie for the No. 11 rating this week.

Trailing Notre Dame and Rice in the second 10 group were Arkansas, North Carolina State, Georgia Tech and North Carolina, with Navy and Mississippi tied for 17th, Pittsburgh 19th and Texas Christian 20th.

Baylor, Wisconsin, UCLA, Penn State, Southern Methodist, Princeton and Miami, Fla., were other teams that received votes this week.

Trophies Planned For Drag Races

Trophies will be given to top eliminator and to winners in all classes Sunday, Oct. 13, in the Southern Oregon Timing association drag races at their Camp White strip.

October 20 has been set as the date for the event if weather forces postponement next Sunday. Official decision will be made on Saturday and drag racers wanting information on the plans are to telephone MU 5-4571 or MU 2-1176 (Ashland numbers) before noon on Saturday.

BOWLING

JUNIOR LEAGUES
Junior leagues started the new season last Saturday at Medford Bowling lanes.

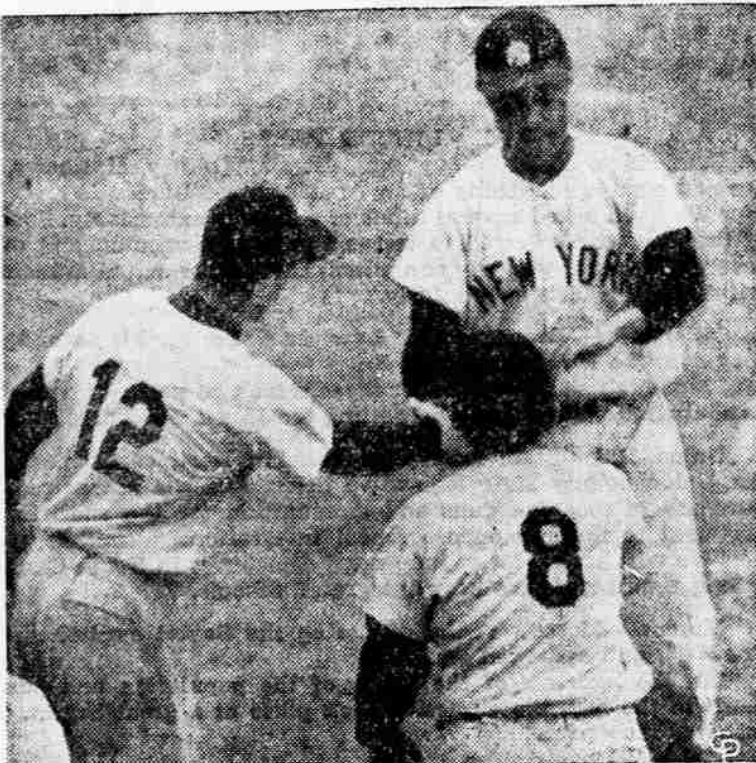

Saturday Junior Senior, McLoughlin Junior High and Bantam leagues each rolled three games to establish handicaps.

The Junior Senior circuit named Dick Atkins, president; Dennis Bauman, vice president; DeLores Williams, secretary; Stew Schroeder, treasurer; Joy Bauman, publicity director; and Rick Sheffers, sergeant-at-arms. Officers and teams will be chosen this Saturday in the other leagues.

The Saturday Junior Senior and the junior high loop are in need of sponsors. The McLoughlin league is seeking backers for about 20 teams. Persons wishing information on the leagues are instructed to telephone Mrs. Ann Wilson (2-2354).

EXHIBITING PRECISION AND POWER, Michigan State drove to a touchdown in the first two minutes against California at Berkeley. MSU's great running back, Kowalczyk, No. 14, slants through the line behind stalwart blocking of fullback Gilbert and others, skirting a phalanx of five California linemen.

CROSSING PLATE after smashing spine-tingling three-run homer in ninth inning, Elston Howard, Yankee first baseman, is congratulated by teammates. Homer came on three-two pitch by Milwaukee hurler Warren Spahn after two were out. Clout tied score at 4 to 4. (International)

TORONTO GOOD SITE

Milwaukee — Owner Lou Perini of the Milwaukee Braves said today he thought Toronto would be a logical site for a major league club should the National and American leagues decide to expand. Perini said he favored Toronto over Montreal because the weather there generally "isn't quite as cold as it is in Montreal."

Rochester, N.Y. — Richard F. Canning of Providence, R.I., has been named president of the American Hockey League, succeeding John Chick of Windsor, Ont., who retired last June. Canning had been serving as vice president of the league.

LA City Council Okays Dodger's Land Grant, Await O'Malley Move

Los Angeles — The City Council today awaited word from Brooklyn Dodger President Walter O'Malley on his plans to move the ball club to Los Angeles following passage of an ordinance which officially offers them a site for a stadium.

O'Malley said Monday night in New York that he would not have any comment on the council action until this afternoon. He learned of the council approval after arriving in New York from Milwaukee where he attended the World Series game.

The ordinance was approved Monday after a dramatic day-long debate in council chambers. If accepted it would provide the Brooklyn club with 300 acres of land in Chavez Ravine for a 50,000-seat stadium, which

O'Malley said the club would build if it decided to move west.

O'Malley's decision on whether or not to accept the Los Angeles offer must come before Oct. 15. The deadline was set by the National League last Tuesday after the Brooklyn president had requested a two-week extension on a previous deadline of Sept. 30.

Caveman Junior Varsity Tops Tornado Gridders

Grants Pass touched down in the final 14 seconds to subdue Medford high 12 to 6 here last night in a junior varsity football tussle.

Outplayed through much of the conflict, the Cavemen capitalized on a blocked punt. It set up a 20-yard push for the winning score, which came on a six-yard pass play, Dick Haynes to Rex Benner.

First touchdown of the game, tabulated by Grants Pass, was in the second quarter. Larry Drake poked into the end zone after a 32-yard pass play, Hayes to Benner, had placed the ball about one foot from the goal.

Medford's goal was on a Calvin Dean to Jerry Anderson pass which covered 22 yards. Dean's attempt to buck the conversion was short. Gary Woolsey attempted to boot the extras for GP. One try was wide and the other hit the goal post and bounced back into the end zone. Tornado-Neils 147

picked up 117 yards on the ground and 30 in the air and Grants Pass 55 and 49 net. The home club recorded 10 first downs and the Cavemen six.

Woolsey blocked Dennis Jensen's punt to get the GP eleven on its way to the winning TD. Marvin Terry pushed two yards to the 18-yard line. Gary Hurncutt made 12 to the five, but Drake lost to the seven. Hurncutt got back to the six. Then Hayes hurried to Benner.

GP moved 62 yards to its first TD. Dave Wilson, Drake, Jerry Patterson and Hugh Brown were ball packers in the mark down to the Medford 32. Then came the long Hayes to Benner aerial and Drake's final carry across the pay line.

Medford required nine plays to go 78 yards for its score. Toters who took the ball down to the GP 22 were Ed Cripe, Ken Durkee and Don Cranston. Cripe had one gain for 10 yards. Durkee had 14 and 15 yard carries and Cranston one for 19.

A Medford-Grants Pass cross country race scheduled before the game was postponed because of flu at Grants Pass. It may be held next Tuesday.

Medford High's football aggression opens defense of the District 6 A-1 championship this Friday, opposing the Crater Comets at the senior high stadium here.

It will be the only district and Southern Oregon conference engagement of the week end. But one member of the loop will have opposition which should indicate how it may fare against Medford's Black Tornado.

In the Friday conflicts of other Southern Oregon loop clubs Grants Pass entertains Marshfield, Ashland will be host to Phoenix and Klamath Falls will take on Ft. Vancouver at Vancouver, Wash.

Marshfield was foe of Medford last Friday, trimming the Tornado 12 to 0 while Grants Pass was downing Crater 20 to 13.

In District 6 A-2 southern division, the Rogue league, on Friday, Glendale will be out to

pull even with Phoenix at the top of the standings but may run into trouble at Eagle Point. The Eagles lost by a nose to Phoenix last week and appear to have hit their stride. Other Friday 6 A-2 scraps are Brookings at Rogue River and Henley versus Illinois Valley at Cave Junction.

Two District 5-B undefeated crews clash Friday night with Malin at Talent. B action will have Jacksonville versus St. Mary's at Medford on Saturday. Other district scraps of the week end match Merrill at Bonanza and Sacred Heart of Klamath at Chiloquin.

On the college front Southern Oregon begins Oregon Collegiate conference rivalry on Saturday against Portland State college at Portland.

Cal Winter Olympic Group Okays \$2,307,000 Contract

San Francisco — A \$2,307,700 contract has been signed by California's Olympic commission for major construction at Squaw Valley, site of the 1960 Winter Olympic games.

The contract, first in the three-phase construction program totaling \$7,990,000, calls for erection of major buildings and key installations on land which either has been acquired by the commission or will be bought and leased.

Commission Executive Secretary H. D. Thoreau said negotiations for phase 2 would start "in a short time," while phase 3 would be negotiated next year.

Monday's contract provides four buildings to accommodate 1,200 athletes, three ski jumps, a water system, roads and parking area. It also includes a flood control reservoir, which is to be erected on a 10-acre site obtained by condemning property belonging to Wayne Poulsen.

The Placer County Superior Court last week granted the commission immediate possession of the site. A jury trial is scheduled to determine how much Poulsen should receive for the 72 acres involved. He is seeking \$440,000 and the commission has offered \$103,000.

Thoreau said the contract includes tentative provisions for building a sewage disposal plant. The plant was originally scheduled for the land contested by Poulsen, but Thoreau said it would be moved to U. S. Forest Service area now leased for 30 years by the commission.
