

NEW TECHNIQUE AT TALENT — Talent High school yells leaders have taken on a new look after adding new techniques as the result of recent instruction at George Pepperdine college. Yell Queen Jeanne Henry, center, and her assistant, Christ Knudsen, right, who took the course, are shown with Julie Hanson, third cheer leader, who was unable to make the trip. Misses Henry and Knudsen were among four from Oregon who attended the one-week session at the Los Angeles

school, where 250 junior college and high school students were enrolled in each of two sections. The Talent girls have added tumbling to their routines. This calls for a different type of uniform than the traditional street length pleated skirts. The Bulldog cheer girls now have short burnt orange skirts and white sweaters. Student body funds pay for uniforms and the girls have three complete outfits.

Duck Fray With Cougars Could Decide Bowl Team

By SCOT BAILLIE
United Press Sports Writer
Sad collapses and funny bounces were the highlights of the week end football action that ended with Washington State and Oregon facing each other next Saturday in the game that may decide who goes to the Rose Bowl.

Coach Jim Sutherland's Cougars bounced off the ropes in the last three minutes to score twice and upset Stanford, 21-18. The victory gave Washington State a 2-0 conference record to match that of Oregon which trimmed San Jose State, 26-0, in a non-league tilt. The Cougars, Webfoots, Stanford and

California are the only teams eligible to go to Pasadena this year.

The guy Washington State will have to stop next week appears to be Oregon's Jim Shanley, who scored twice and set up a third tally as the Ducks bounced weak San Jose.

HOCKEY

AMERICAN LEAGUE

By UNITED PRESS
An attack of the flu and the presence of a couple of high school "kids" in the lineup notwithstanding, the Providence Reds have gained a fast start in the American Hockey League.

The Reds scored three times in the opening period against the Springfield Indians Sunday and then added an insurance marker for a 4-1 victory which left them undefeated in four starts this season.

The Hershey Bears scored early and late to defeat the Rochester Americans, 4-2, and the Buffalo Bisons gained a 2-1 win over the Cleveland Barons on Ken Wharram's third period goal in other games.

NATIONAL LEAGUE

By UNITED PRESS
Maurice (Rocket) Richards, 36 years young, needs only three more goals to reach the 500 mark.

The fiery Frenchman, who breaks a record every time he scores a goal, raised his regular season total in the National Hockey League to 497 Sunday night with a three-goal burst that sparked the Montreal Canadiens to a 6-0 victory over the Detroit Red Wings.

The Canadiens triumph enabled them to take over undisputed possession of first place, one point ahead of the Boston Bruins, who zoomed to a 3-1 triumph over the New York Rangers in the night's only other contest.

Milwaukee Win Break For Baseball

Milwaukee — All of baseball got a break when the Milwaukee Braves defeated the New York Yankees in the World Series, said the player who starred at the plate in the 1957 season.

Outfielder Hank Aaron of the Braves, who had the best batting average, most home runs and most RBIs, in the series, said:

"We showed all of baseball that just by playing good ball you can beat the Yankees." The 23-year-old Braves slugger said Milwaukee's triumph "put an end to the domination" the Yankees held on baseball under manager Casey Stengel.

"That's going to do baseball a lot of good," said Aaron. "We especially did the American League a favor," he said. "The Braves set the example for the other seven American league teams by showing them that you play ball against those guys and you can beat them," he said.

By Surprise
"We took them by surprise and really broke them up," said Aaron on the Braves four Series victories that brought the world baseball title to Milwaukee and touched off a wave of jubilation from Manhattan's western boundary to the West Coast.

"I know we have a better ball club than the Yankees," said Aaron. "The Yankees didn't think we had it, but we showed them by capitalizing on anything that could benefit us. They outthit us but we got the runs that counted."

Aaron had three homers, 11 runs batted in, and an average of .393 to lead in the three most important departments in the series.

Irish of Notre Dame May Settle National Diadem in Football

By TIM MORIARTY
United Press Sports Writer
They settled Army's hash and, who knows, maybe Notre Dame's settle the 1957 college football championship.

Oklahoma and Michigan State, the leading contenders for the national title, unfortunately are not scheduled to meet this season. However, both play Notre Dame—on successive Saturdays next month.

So if the Sooners and the Spartans remain unbeaten, those games with the Irish may decide who wears the crown this season.

Notre Dame conceivably could join in the title chase if the Irish continue their strong comeback, but the odds — and the schedule — are against them.

Irish Idle Saturday
The Irish draw an open date in their murderous schedule next Saturday — and they deserve it after that comeback 23-21 victory over Army at Philadelphia.

Trailing by two touchdowns with one minute remaining in the third period, Notre Dame fought back to edge the powerful Cadets on a field goal by Monty Stickles, a third-string

end from Poughkeepsie, N. Y. It was the first field goal Stickles ever attempted and it traveled 39 yards — a good boot even in pro ranks.

Oklahoma, meanwhile, spotted Texas a 7-0 lead and then bounced back to down the Longhorns, 21-7, for its 43rd straight victory while Michigan State employed the rushing of Walt Kowalczyk and the passing of Jim Ninowski to overpower Michigan, 35-6.

Oklahoma and Michigan State each run into league "patsies" this week. The Sooners entertain Kansas and the Spartans host Purdue. Army will attempt to rebound against Pittsburgh, Michigan entertains Northwestern, Minnesota is at Illinois, Iowa hosts Wisconsin, Auburn visits Georgia Tech, Duke entertains Wake Forest, Oregon State is at UCLA, and Texas A&M visits Texas Christian.

Heath Resigns Sacramento, Claims League 'Unsettled'

Sacramento — Popular Tommy Heath resigned Saturday as the field manager for the Sacramento Solons of the shaky Pacific Coast league.

Heath left after two seasons at the helm of the Sacramento entry. His Solons finished seventh this year following a fifth place position in 1956.

Both Heath and Solon presi-

dent Fred David expressed "regret" at the manager's resignation.

David said Heath's decision to leave the club "was in no way connected with the unsettled status of the PCL." David has predicted flatly that the decision of the New York Giants and the Brooklyn Dodgers to come to California will doom the league.

The Sacramento Union said that Heath was in line for a combination field and general manager job in Portland.

Heath said his plans still were "indefinite" but that he hoped to "be able to say something within a week."

G. A. Kingsley, president of the Portland club, denied that Heath had been signed but he admitted the ex-Sacramento pilot was under consideration.

COQUILLE COACH DIES

Coquille, Ore. — Earl E. "Spike" Leslie, 63, football and track coach at Coquille high school since 1937, died Saturday at a local hospital at Myrtle Point. He suffered from a heart condition.

Leslie had been unable to assume his coaching duties this year but was expected to return to school in the near future.

Walton League Session Slated

Reports on studies concerning Rogue river natural resources and a film on Rogue salmon fishing will be on the program this evening at meeting of Jackson County chapter of the Izaak Walton league.

The meeting will be at 8 p.m. at Medford Gun club.

The public is invited to the meeting and persons interested in becoming members of the IWL are particularly welcome, chapter officials stated.

An Army Engineers representative will report on Rogue flood control studies. The colored motion picture is entitled "Rogue River Run."

Report On Savage Rapids

A report through Cole Rivers, state game commission biologist, indicates that the contractor on the concrete work for fish screens will be done with that part of the work at Savage Rapids dam by about Nov. 15. The biologist indicated that the screens have been "back ordered" until about March.

Screening of the irrigation water intake turbines at the dam to prevent damage and obstruction to downstream migrating was a major project on which Waltonians successfully worked to get an Congressional appropriation.

ALL-STAR GAME DUE

Colts, Browns Grab 3rd Straight in Pro Gridiron Divisions

By EARL WRIGHT
United Press Sports Writer
The Baltimore Colts and Cleveland Browns, doling out points like misers counting gold pieces, hit the National Football League's one-quarter mark today with 3-0 records and became the teams to beat for the division titles.

Baltimore, "needed" by coach Webb Ewbank when it trailed 10-7 at the half Sunday in Milwaukee, scored more than a point a minute in the last two periods to crush the Green Bay

Packers, 45-17. It was the season's biggest offensive spree and the Colts have allowed their first three victims to average just 13.7 points.

There was virtually a fight a minute at Cleveland as the Browns tamed the Eagles, 24-7. The Browns and Eagles have been feuding for years and seven players were tossed out of Sunday's game for fighting.

Have Old Look
The Browns have allowed their first three opponents to average only 7.3 points and are beginning to look like the team that won six straight Eastern Division titles before losing the crown to the New York Giants in 1956.

New York, still not showing the power that made it league champion last year, edged the Washington Redskins, 24-20, and the Pittsburgh Steelers defeated the Chicago Cardinals, 29-20. The Giants and Steelers both 2-1 trail the Browns by a game. Each has lost to Cleveland.

The Detroit Lions and San Francisco Forty-Niners both 2-1 won thrillers and are a game behind the Colts in the Western race. The Lions intercepted six of Norm Van Brocklin's passes during a 10-7 victory over the Los Angeles Rams at Detroit and Y. A. Tittle's pass to R. C. Owens in the last 30 seconds gave the Forty-Niners a 21-17 victory over the Bears at Chicago.

Addie Griffith, Senator Owner Taken by Death

Washington — Mrs. Clark Griffith, widow of the former baseball team, died suddenly at her home early today, a spokesman for the team announced.

She was the 80-year-old Mrs. Griffith, affectionately known as Aunt Addie, apparently was stricken by a heart attack shortly after midnight while viewing television with her sister, Miss Jean Robertson.

Principal Stockholder

Mrs. Griffith was a principal stockholder in the baseball team her husband was associated with for 43 years. Clark Griffith, who first joined the team as manager in 1912, and then became president a few years later, died Oct. 27, 1955, at the age of 85.

He left most of his stock, valued at his death at around \$500,000, to Mrs. Griffith. It now will be divided equally among their adopted children, Calvin R. Griffith and Mrs. Thelma Griffith Haynes, and Miss Jean Robertson, sister of Mrs. Griffith. Calvin Griffith now is president of the ball club.

Kuts Shatters Distance Mark

Rome — Vladimir Kuts of Russia broke the world record for the 5,000-meter run Sunday, therefore serving notice he will be the man to beat at that distance in the 1960 Olympics.

The wiry Russian, winner of the 5,000 and 10,000 meter races in the 1956 Olympics at Melbourne, was clocked in 13 minutes and 35 seconds flat, clipping 1.8 seconds off the previous world record of 13:36.8 set by Gordon Pirie of Britain.

Kuts registered his victory before 10,000 spectators on the cinders of Rome's Foro Italico, where the track events of the 1960 Olympics are scheduled to be held.
