Back To School Night Announced In Central Point

Central Point—George Johns, principal of Jewett Elementary school and C. A. Meyer, principal of Central Point Elementary and Junior High schools, announce that on Tuesday, October 22, the schools and the Parent-Teacher association will sponsor a "Back to School" night.

Jewett Elementary and the Central Point Elementary schools will be open from 7 to 7:30 p.m. At 8 p.m. all parents of the Junior High school students will go through their schedule. Class periods will be 10 minutes, the entire schedule taking 80 minutes.

This evening is designed for better understanding and co-operation between the home and the school, and school officials believe that much more can be accomplished if the teacher and the parents can meet without the children being present. It is stated. Main purpose of this "Back to School" night is to give the parents a chance to see and hear the teacher display books and materials used, and review the subject material covered in that grade, those in charge state.

The PTA will sell refreshments in Jewett and Central Point Elementary school cafeterias during the evening.

Membership cards for all PTA members may be picked up that evening at the schools. Thus far there are 650 paid memberships for the 1957-1958 year.
