

Ducks Keep on Bowl Special By Downing Cal Bears, 24-6

By HOWARD APPLAGATE
Eugene, Ore. — Oregon's speedy Webfoots ran California's Golden Bears into the ground for a 24-6 football victory Saturday before 18,321 fans at Hayward field to remain unbeaten in the Pacific Coast conference.

The victory kept Oregon in front of the race to the Rose Bowl, although the Webfoots still have four tough PCC games remaining. It was the second conference loss for bowl-eligible California.

The Flying Ducks, paced by Jimmy Shanley and a flock of other fleet backs took advantage of the breaks for a 10-0 halftime lead. Then they came roaring back for two fourth quarter touchdowns after the Bears had made it 10-6 and threatened to move in front.

California's big rugged line several times held Oregon at bay and once the Bears stopped the Webfoots on the one-yard line, but Oregon mixed an occasional pass with end runs and quick opening plays to maintain its advantage.

Shanley, the PCC's leading rusher, scored two of the Oregon touchdowns, one on a two-yard plunge to open the scoring and the other on a 16-yard with only 54 seconds left to play.

The breaks helped Oregon. In the first period, Guard Harry Mondale pounced on a fumble by California's John Stewart on the Bear 30, leading to the first touchdown.

Fullback Jack Morris, a battering ram blocker, kicked a field goal in the second quarter after Oregon reserve end Pete Welch blocked a punt on the California eight.

The third Oregon touchdown which proved the vital one came after Chuck Osborne intercepted a pass on the California 35. The Bears held on the one but the Ducks came bouncing back and quarterback Jack Crabtree hit Ron Stover who made a leaping catch in the end zone early in the fourth period.

Spokane Looks at PCL, Plans Drive for Team

Spokane — A big move toward putting Spokane back into organized baseball — and into the Pacific Coast League specifically — was begun, again, Friday.

The new spark of hope for the return of the national sport was generated when major league teams recently moved to the west coast and a reshuffle of the 55-year-old PCL loop was being

considered. A meeting in Sacramento Nov. 1 and 2, called by PCL President Leslie O'Conner, is for the purpose among other things to consider possible new sites for franchises.

Besides Spokane, sites under consideration include Phoenix, Tacoma, and Salt Lake City. And die-hard baseball fans think Spokane will be a definite asset to the league. They expect to have a representative at those meetings.

Curt Haggerty, a director of the community-owned Indians team when it dropped out of the baseball picture after the 1956 season, said he would start contacting business men here to create more interest.

How far the try for a franchise will go, however, depends on a number of items, most important of which is a ball park.

When the Indians played in the Western International League in 1947 they drew a record 287,000 fans during the season. But later the stands at Ferris Field burned and the fans apparently didn't like the replacements. Crowds steadily dwindled.

The squad moved in and out of different leagues until the '56 season when it became community-owned, but they still were forced to drop the sport. Lack of adequate seating facilities again.

Last winter the city and county turped down cold some leader's appeals to finance a ball park. But those same die-hards believe now that a city-county owned ballpark may be a reality in 1959 if commissioners become convinced that baseball — in the Pacific Coast League — is here to stay.

John Busso Nips Kerwin

New York — Lightweight contender Johnny Busso, who beat a No. 2 substitute Friday night, will meet the "real article" in Italian Paolo Rosi at Madison Square Garden, Nov. 29.

Busso of New York, ninth-ranking contender, won a close but unanimous decision over Gale Kerwin of Valley Stream, N.Y., in their TV-radio 10-rounder at the Garden Friday night.

Good Showing
Kerwin, 22, substituted for Soony Boy Williams of Washington, D.C., who was to have substituted for Rosi, the fifth-ranking contender. Both Williams and Rosi were kayoed by the flu.

Young Kerwin made an excellent showing in his first Garden main event. He forced the fighting in nearly every round of their see-saw contest; but he was floored for a count of nine in the sixth session by a right to the chin and he ate more than his share of Johnny's left jabs.

6 A-2 Berth Almost Sure For Glendale

Glendale — Glendale high is a virtual cinch to collect the District 6 A-2 play-off berth from the southern division after pouncing Phoenix 20 to 7 here Friday night.

The verdict was the fifth decision in Rogue league games for unbeaten Glendale while Phoenix suffered its first loop defeat in as many conflicts. Even if Glendale should drop its final division fray to Brookings and Phoenix should beat Illinois Valley for a Rogue league deadlock, the Friday win over Phoenix is expected to decide the play-off spot.

Glendale, with a strong ground offensive and stout defense, fought to the win after allowing Phoenix the first touchdown.

The Jackson county club drove 51 yards after the opening kickoff with Fred Faytinger going the last six on a pitch-out. Dennis James ran the extra.

Reynolds Tallies
A 68-yard drive got the first Glendale TD. Troy Reynolds won the last eight yards and Ray Munyon ran the bonus to tie the game. A Phoenix fumble put the Douglas county team underway again. Munyon scored from the one. For the closing touchdown Reynolds intercepted a James pass and romped 60 yards. Munyon converted.

First downs favored Glendale 10 to six and the home team led in net yards 177 to 101. Phoenix had a net of only 27 yards rushing in the second half. Phoenix, with several regulars missing because of sickness, did manage to hold down Glendale's air threat. The Douglas county crew has had flu troubles but reportedly wasn't missing key players.

Bulldog Eighth Gridiron Winner

McLoughlin Junior high eighth grade footballers subdued Grants Pass 13 to 0 yesterday at Grants Pass.

Dan Coghill ran 60 and 10 yards for the touchdowns and George Clearwater crossed the goal for an extra point. The 10-yard play capped a drive from midfield.

Craig Lawrence and Renner were defensive standouts for the Bulldogs.

from the one. A Klamath fumble set up one of the scores and a 32-yard pass play, Smith to Sparlin, the other. The stellar aerial combine clicked for touchdowns on two, 32 and 50-yard passes. A 37-yard punt run back by Sparlin set up the first of the counters. Jack Dean went over from the two for the last Grants Pass goal.

The Cavemen led in first downs 14 to 4 and in total net yards 426 to 82. Klamath netted only 51 yards from rushing.
