Tokyo — Fraley's Folies and the week end football "winners" while saying "sayonara" to Japan and some of the things which will be missed.

Game of the Week
Notre Dame over Navy—This rates as one of these showcase games and therefore gets the national attention. The Fighting Irish spirit which conquered Army should give the South Benders a service sweep.

The East
Army over Colgate — I'll miss those mama-sans.
Princeton over Brown—They are wrinkled and 70-plus.
Columbia over Cornell—But wise, wonderful and serene.
Yale over Dartmouth—Probably because they don't have to read this kind of stuff.

Also: Penn over Harvard, Boston University over George Washington, Penn State over West Virginia and Pitt over Syracuse.

The South
Georgia over Alabama—Miss those pre-dinner hot towels, too.
Auburn over Florida—Every country should use them.
Duke over Georgia Tech — They refresh the weary diner.
LSU over Vanderbilt—Whether he plans to eat, or not.
Also: South Carolina over Maryland, Mississippi State over Tulane, Mississippi over Houston, North Carolina over Tennessee, Miami over Villanova, North Carolina State over Wake Forest, W&M over Citadel, Kentucky over Memphis State and Virginia over VMI.

The Southwest
Texas over Arkansas — You never saw such cherub-faced babies.
Rice over Clemson — Cuter than koala bears.
TCU over Baylor — Only they don't wear fur coats.
Texas over SMU—But, then, neither do the mama-sans.
Also: Texas Tech over Oklahoma State, Texas Western over Hardin-Simmons and Arizona over West Texas State.

The Midwest
Iowa over Michigan — Hate to miss this World Series.
Michigan State over Wisconsin—But they've got enough baseball fans.
Minnesota over Indiana — And not enough tickets to go around.
Ohio State over Northwestern — Which is just exactly like at home.
Also: Purdue over Illinois, Oklahoma over Kansas State, Nebraska over Kansas, Iowa State over Drake, Cincinnati over Detroit, Missouri over Colorado and Dayton over Wichita.

Independent Hoop Meet On Monday

First meeting for organization of the Medford Independent Basketball league for the 1957-1958 season will be held on Monday, Nov. 4.

The session will be at 8:30 p.m. at the end of the social hall of the Medford YMCA.

All persons, firms or groups intending to enter teams in the league are to have representatives at the meeting. All men interested in playing in the league also are invited.

It is hoped to expedite the organization for the season in order that there can be an early start of league play.

Littler, Casper, Links Favorites

San Diego, Calif.—Gene Littler and Bill Casper, a pair of hometown boys, were established as favorites as a field of 147 teed off today in the \$20,000 San Diego Open on the long and flat Mission Valley Country club course.

The two young members of the touring golf brigade have ripped the course apart in practice rounds and look sharp compared with some of the veterans and big money winners from the circuit.

Littler, who hasn't won a title since the Tournament of Champions at Las Vegas last spring, whipped around in 31-33-64 Tuesday, and Casper had consecutive rounds of 65-66. Par is 72.

Top pros competing include Doug Ford, Bob Toski, Arnold Palmer, Porky Oliver, Lloyd Mangrum, Bo Winninger, Billy Maxwell, D. W. Finsterwald, Mike Souchak, Ken Venturi, George Bayer and Jim Turnesa.

AMERICA'S RICHEST MAN
—J. Paul Getty is the richest man in the U. S. The Texas oil man has anywhere from \$700 million to one billion to his name. Getty, now living in Paris, won the title from Fortune magazine.

Prison Will Be Asked for Girard

Maebashi, Japan — The prosecution will demand conviction and a prison term Thursday for S3C William S. Girard in the firing range death of Mrs. Naka Sakai last Jan. 30, court observers said today.

Newspapermen, both Japanese and foreign, agreed that the procurator's office will ask between five and seven years imprisonment for the Ottawa, Ill., GI when it makes its final summation at the Maebashi District Court Thursday.

Most observers believe the three-judge panel will let the 22-year-old Army truck driver off with a suspended sentence when it hands down its judgment sometime the early part of next month.

All indications are that both Japanese and Americans will be satisfied, though some Americans may feel that Girard deserves to spend some time in a Japanese prison for what he has done.

Seven-Room House Destroyed by Fire

A seven room frame house on the Little Applegate, belonging to Mr. and Mrs. Louis Cramer of Butte Falls, was destroyed by fire Monday afternoon, according to U. S. forest service officials at Star Ranger station.

A forest service fire truck from the station as well as a state forestry department truck from Medford answered the alarm but arrived too late to save the home. Another building on the property was not damaged, they said.

A truck driver, Jimmy Whiteley, saw the house on fire and managed to save a few household articles, after turning in the alarm. Mr. and Mrs. Elija A. Stinson, who were subletting the property from Mr. and Mrs. Burt Fukill, were not home at the time, according to reports.

Salem — Portland furniture manufacturer William J. Carnese has been appointed by Gov. Robert D. Holmes to a vacancy on the State Furniture and Bedding Advisory council.

Ward Selected Coach of Week By United Press

By GENE MEAKINS
Boulder, Colo.—He told his players that "you fellows have gotten yourself into this thing—now go out there and get yourselves out of it."

Three hours later, after those same players had come within one point of tying the nation's No. 1 team, he said that "we're disappointed as hell."

He learned the single wing from an acknowledged master but he spiced it up with split T and winged-T variations to come within a breath of the college football upset of the year.

Nearly Upset Sooners
He's Dallas Ward of Colorado, the United Press Coach of the Week after his Colorado Buffaloes almost buffaloed mighty Oklahoma before dropping a 14-13 heartbreaker.

The 51-year-old Ward, now in his 10th season as head coach at Colorado, has produced winners annually since 1950 but confessed Oklahoma is his big target each year.

In 1952, the 21-21 tie between the two teams marked the first time since 1946 that Oklahoma had failed to win a Big Eight game. In 1956, Colorado led the Sooners, 19-6, at halftime only to have Oklahoma pull out a 27-19 squeaker.

Ward, a Lexington, Ore., native, who was captain of Oregon State teams in football, baseball and basketball, made his coaching debut in 1928 at a Minneapolis high school.

Rookies Busy In Pro Grid Contention

By EARL WRIGHT
United Press Sports Writer
National Football league rookies are as busy as ants at a picnic this season.

In past years, first-year players felt lucky if they could stick on a pro squad and see a few minutes action when a game was won or lost. The rookies have changed the script in 1957.

Of the 145 touchdowns scored so far this season, rookies have been involved in 35 or nearly one-fourth of the total. Rookies have scored 19 touchdowns on runs or plunges, caught 13 touchdown passes, scored two on interceptions and passed for another.

Cotren Toes Well
In addition, Paige Cotren, the former Mississippi star is making like Lou Groza with his foot. Cotren has kicked five field goals and 12 extra points for the Los Angeles Rams to lead the first-year players in scoring with 27 points.

Willie Galimore of the Chicago Bears, a former Florida A&M player who didn't show on the 1956 All-Americans, leads the rookies in touchdowns with six.

R. C. Owens of the San Francisco Forty-Niners, a College of Idaho lad you won't find on any 1956 All-America teams, is second to Galimore among rookie touchdown-makers with four on pass receptions.

'Skins Start Three
Paul Hornung of the Green Bay Packers, Jim Brown of the Cleveland Browns and Jim Podoley of the Washington Redskins are next among the rookies with three touchdowns apiece. Washington has three rookies in its starting offensive backfield and they have contributed eight touchdowns.

In Sunday's other games, the Forty-Niners are 3½ point choices to beat the Detroit Lions at San Francisco; the Rams are favored over the Bears by three at Los Angeles; the Giants are favored over the Packers by six at Green Bay; the Colts are favored over the Pittsburgh Steelers by 7½ at Baltimore, and the Cardinals are favored over the Philadelphia Eagles by seven at Chicago.

BUILDING TRADES PAY UP
Washington — Average union pay in the building trades rose to \$3.21 an hour, according to U. S. Labor Department. On the basis of 52 weeks at 40 hours per week that would put the building trades average salary at \$6,676 a year. However, the department did not compute yearly earnings because building trades workers seldom work a full year.

WELL, THAT'S THAT!

Los Angeles — The age-old problem of how to keep vitamins from being lost during the milling of rice was reported solved today. The answer — shoot them into the kernels. A process through which steam pressure is used to drive vitamins and minerals inside the kernels of rice from the outer bran layer was announced by Comet Rice Mills.

Salem — A bill to increase the basic school fund from \$90 to \$120 has been introduced in the State Senate by Sen. Francis W. Ziegler, Corvallis.

NINTH TO BE PENTOMIC

Washington — The 9th Infantry Division will reorganize itself along "pentomic" lines Dec. 1, the Army announced. The 9th is the last of 15 divisions to begin conversion to atomic warfare organization. The pentomic divisions (pentomic being a combination of atomic and pen, meaning five) are organized into five battle groups, instead of the three infantry regiments formerly making up the divisions.

VOLCANO ERUPTS

New York — MacKay Radio reported today a volcano had erupted Tuesday in the Galapagos Islands off Peru with an explosion and smoke that resembled pictures of an atomic blast. MacKay said the smoke rose some 3,000 feet from the first crater northeast of Isthmo Perry on Isabela's Island and that a seven-mile long stream of red hot lava was flowing down the mountain side.
