

BIG GAME HUNT IN NEW YORK—Siam, 14-year-old elephant, seems to be enjoying the last laugh on her pursuers, although she was finally captured near Cairo, N. Y. The two-ton circus elephant, who enjoyed 13 days of freedom, had been trapped earlier in the day, but broke loose and lumbered back into the woods.

Graham Crusade Drew 2,145,000

New York—The official tally on attendance at Billy Graham's New York crusade meetings showed the evangelistic effort attracted 2,145,000 persons, it was announced Wednesday.

The evangelist's staff also revealed that 60,577 persons recorded "decisions for Christ" in the course of the crusade, which began May 15 in Madison Square Garden and officially closed last Sunday with a rally in the Polo Grounds.

A spokesman for Graham said the evangelist had cancelled all engagements for the next three weeks to go to his Montreal, N. C., home and recover from a knee injury suffered when he was butted by a ram.

Members of Graham's evangelistic "team" will go without him to San Francisco for a ministerial seminar Nov. 11 to prepare for a crusade in the Cow Palace due to begin April 27.

Graham will also hold a series of evangelistic meetings in the Caribbean area in January, a crusade in Charlotte, N. C., next fall, and another in Australia in early 1959.

At the Grange

Shady Cove Grange

The Shady Cove Grange will meet Saturday evening in the music room of the Shady Cove school at 8 p.m. Members are urged to attend as it is to be election of officers.

D. A. Littlefield,
Publicity Chairman.

Pomona Grange

The Oct. 26 meeting of Jackson County Pomona Grange was held at the Phoenix Grange hall with Master Robert Bitterling presiding. All officers and committee chairmen were present except Ceres Grace Buck and Executive Committeeman William Howes.

As William Howes has attended only one meeting this year and has moved from the district, his chair was declared vacant and Wilfred Davies of Eagle Point was elected to replace him on the executive committee.

A distinguished guest was State Deputy Henry Hendrickson, who spoke on "Operation Forward for '58," urging each subordinate master to appoint a steering committee to handle it. He also urged the appointment of calling committees in each Grange to make calls, in teams, on inactive members and prospective members. He also reported that Grange membership is showing a net gain nationally.

Reports Heard

Informative reports were heard from the standing committee chairmen. Arnold Bohnert, reporting on agriculture, stated hay prices are down \$10 from last year, but oats are selling for \$45 a ton, barley for \$48, corn for \$58, and wheat for \$70. An order for 61 tons of Talent Alfalfa seed to be delivered to Greece probably cannot be filled due to damage to seed in the rainy weather.

Herb Carlton stated prices are up on livestock, top prices at the Oct. 22 sale being 25 cents.

According to Delmar Smith, plans are being formulated for a tri-state bee conference to be held in Pendleton Dec. 5-7, drawing growers from Washington, Idaho and Oregon. Most recent development in using honey is a honey-vanilla ice cream produced by an Idaho manufacturer, reputedly creating quite a sensation.

Chester Jensen stated the dairyman is making more money now, with 7 per cent fewer cows he is getting a 2 per cent increase in milk production. After a difficult growing year, Dee Hendrickson reported the orchardists were getting good prices on pears in the open market, with a short crop in Europe stimulating the export market on small sizes of pears.

GOLD HILL Miss Drake to Enter AF

By MRS. CLYDE KELL

Gold Hill—Miss Rose Drake will leave Sunday for Portland, where she will attend swearing in ceremonies Nov. 4 for her induction into the Air Force. She will go by plane from Portland to Los Angeles, Calif., then to San Antonio, Texas, where she will begin eight weeks basic training at Lackland Air Force base near San Antonio.

Miss Drake recently returned from Portland where she had taken her physical examination Oct. 16 and 17. She received orders to report for induction in a letter Oct. 28 from T/Sgt. Florence Green, Portland recruiting officer.

Miss Drake is the daughter of Mr. and Mrs. Everett Drake of Gold Hill. She attended the Gold Hill elementary school and graduated from Crater High school in 1957.

Miss Carol Gregory, daughter of Mr. and Mrs. Francis H. Gregory of the Upper Applegate rd., will accompany Miss Drake to Portland where she will be inducted into the Air Force. She is a graduate of the Jacksonville High school.

Granges: Enterprise, Gold Hill, Live Oak, Eagle Point, Sams Valley, Central Point, Bellview, Phoenix, Roxy Ann, Upper Rogue, Upper Applegate, and Griffin Creek.

During the lecture hour, piano solos were played by the two little Bolz girls from Phoenix; and several lively numbers were rendered by G. E. Cowdon of Eagle Point on his violin. On the serious side was a debate on the subject "Is There a Future for the Family-Size Farm," with William Darby and Melvin Lattie upholding the affirmative and Frank Hall and Chester Jensen speaking for the negative; but the judges declared it a draw. A humorous skit by Roy and Belle LeVander of Griffin Creek concluded the program.

Judges in the White Sugar Canning contest were Home Extension Agents Mary Pat Lucy and Millie Kay McCauley. Winners reported by Edith Poe, HEC district chairman, were as follows: Tree fruit—first, Bertha Croft, Griffin Creek; second, Maude Arnold, Butte Falls; third, Emogene Abbott, Butte Falls. Canned berries—Nora Wait, Gold Hill; second, Mrs. Roy Eskew, Gold Hill; third, Mrs. C. J. Farnsworth, Griffin Creek. Jelly—first, Lulu Sturcill, Griffin Creek; second Vera Culy, Upper Applegate; third, Mrs. C. J. Farnsworth, Griffin Creek. There were also three entries in the men's jelly division which will go to Portland in the state contest.

Describes Exhibit
Delmar Smith described the Pomona exhibit for those who had not seen it at the Town and Country Holiday or at the state fair. He expressed surprise at the number of people who stopped in the booth at the state fair who did not know where Medford is. With better cooperation from the valley he felt a prize-winning exhibit could be put on next year.

Resolutions passed included approval of one from Live Oak Grange opposing the present proposed county subdivision ordinance. Also approved was a resolution from Baker district Pomona favoring an accelerated method of depreciation on state income tax reports to conform with that on federal income tax reports. Also passed was a resolution requiring the assessor to include a description of the land on tax bills.

Announcements were made of a dinner to be given by Griffin Creek Grange Nov. 3, and of a pie social at Eagle Point Grange Nov. 16.

Next meeting of Jackson County Pomona Grange will be at 10 a.m. Jan. 25, at Roxy Ann Grange.

Mrs. Melvin Lattie,
Secretary.

Truman To Speak At Los Angeles

Los Angeles — Former President Harry S. Truman arrived today for his major address at the fund-raising Jefferson-Jackson Day Democratic dinner Friday night at the Biltmore Bowl.

Truman was greeted upon his arrival at Union Station by Democratic National Committeeman Paul Ziffren and other Democratic leaders.

He promised a speech "of major significance" for the \$100 a plate dinner. Attorney General Edmund G. Brown, who announced his candidacy for the governorship Wednesday, also will speak.

SOC Librarian Speaks At Medford Meeting

Ashland — Topic of an address by Mrs. Hazel Ann Hunt, Southern Oregon college librarian of children's literature, before the recent luncheon meeting of the school librarians of Jackson county in the Medford hotel, was "Three Little Words: Service, Sharing, and Self-Protection."

Mrs. Hunt outlined organizational and functional points of interest concerning the school librarians association of California of which she is a member, and explained to the group some of the steps necessary in the formation of a similar association for Jackson county.

Freighter Repair To Cost About \$50,000

Portland — Temporary repairs to the bow of the Finnish freighter Korsholma which was damaged when it struck a railroad bridge protection pier here last Saturday night will cost about \$50,000 agents for the ship said today.

It was expected to take about 10 days to build a false bulkhead and temporary bow for the vessel.

Capt. E. B. Grunstad, pilot on

the vessel, testified at a Coast Guard hearing Wednesday that he ordered the helmsman to swing the ship to starboard but that the vessel continued to port. The helmsman said he understood the pilot to order the

ship swung to port. No one was hurt in the collision.

Permanent repairs to the ship will cost about \$150,000, it was estimated. Damage to the railroad bridge was estimated at \$70,000.

Lake Ontario is the most easterly of the Great Lakes.
