SPECIAL PRICE!
\$396.00 For The Pair

Appliance dealers can sometimes make good buys
from their factories at the end of a model year. We
were notified by our distributor that the General
Electric factory had a few thousand 1957 colored
washers and dryers available at very low close-out
prices.

We bought 26 pairs of these washers and dryers for
our four stores. The price was so good that we wanted
more, but this was our share.

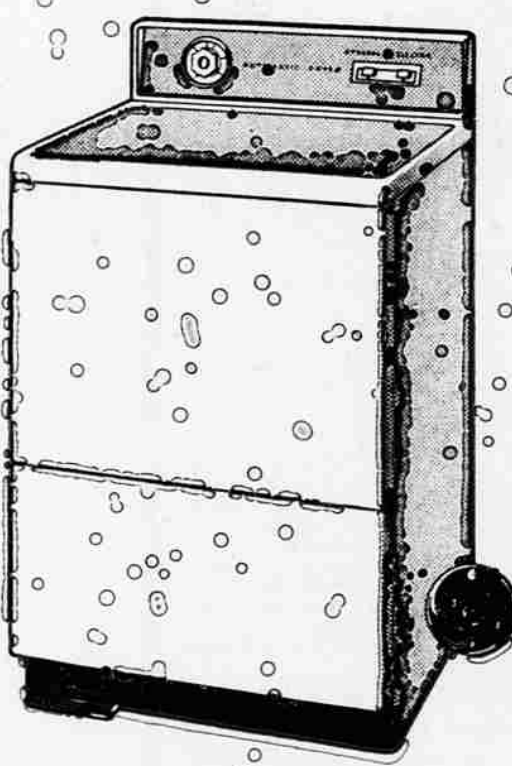

Now they are here . . . and public response to our
offer has been so good that over half are already sold.
We have four sets left in our Medford and Ashland
stores . . . and eight sets in our Klamath Falls store
that are available for customers here.

JUST ARRIVED

.... and going fast!

This is a good buy
that we are passing
on to our customers

You read about this opportunity in our ads
last week. Our customers agreed with us when
we said it was a good buy . . . Many sets were
sold before they arrived!

The washer is the medium-priced General Electric
Filter-Flo model, and the dryer is our matching Air-
Flo model.

The Washer and dryer were priced at \$499.90. We
are offering these special-purchase colored pairs at
only \$396. This is a saving of \$103.90, or about 20%
off from our 1957 prices.

It is our policy to make good buys like this for our
customers every chance we can.

We also have some white washers and dryers in stock
that we bought earlier. We have the clearance price
at \$439.90 on our white pairs. Although this is a
saving of \$60.00 from the 1957 prices, it is not nearly
as good a deal as the \$396 price on the colored pairs
that have just arrived.
