

Don't take on more than you can handle

That's good advice when you buy a car "on time," too.

Because the *longer* you pay, the *more* you pay. It's thrifty to pay down as much as you comfortably can—then pay the balance as *soon* as you can.

Last year, over 2,000,000 families financed their cars at reasonable cost on the GMAC Plan. Enjoy the convenience of financing where you buy.

Ask your General Motors Dealer who uses the GMAC Plan about terms arranged to suit your needs.
