Jordan Asks Arabs To End Hostility

By UNITED PRESS

Jordan has appealed to the Arab world to end the campaign of hostility against King Hussein, but the Egyptian press and radio attacks were more heated than ever.

One Cairo radio broadcast said it would be impossible for Hussein to keep his throne "in the face of the people's revolt against him." It again accused him of plotting with Israel and the United States.

The Cairo newspaper Al Shaab said today Hussein had transferred \$2 million abroad, presumably as a reserve if he were forced to flee from Jordan. Other newspapers said he had been offered \$20 million by the United States to create Arab dissension and that he had received \$3 million from the U.S. embassy in Amman to strengthen his forces.

ROK Calls for Free North Korea Elections

United Nations—The Republic of Korea has called for the withdrawal of Communist armies from North Korea and a U.N. supervised election there as the simplest way of uniting the divided country.

The proposals were set forth by Dr. You Chan Yang, the ROK ambassador to Washington, in a speech prepared for delivery to the U.N. Political Committee.

Florence Nightingale helped to open the first YWCA hotel in 1855.

The design in a Navajo rug is not generally copied but is woven by the Indian women from memory.

Stumbo Faces Charge In Court Warrant

Roseburg — A warrant has been issued for the arrest of Robert D. Stumbo of Wolf Creek by District Judge Warren Woodruff in a development in the case of the Stumbo clan versus the State Highway Department.

The warrant charges Stumbo with selling subdivided land without "properly" recording and acknowledging it in the Douglas county clerk's office. It was filed by Lee Altendorf, secretary of the Southern Douglas County Highway association.

The case involves a dispute which began when the Stumbos charged that the State Highway department failed to buy right of way over 16 1/2 feet of property belonging to the family. They demanded \$409,000 for the property, on which U.S. Highway 99 is built, but the state refused.

The Stumbos made headlines last year by barricading the highway for several hours.

Woodchucks gorge themselves with food before hibernating and then live off their own fat until spring.
