this Christmas he'll pledge his love...

"The minute I tell people that Bob's giving me a Lane Chest for Christmas, they say we're really *serious* about each other. They know it's the first gift a boy gives a girl, when he's sure he's in love. And even though marriage is still a long way off, Bob and I feel that we're already starting our future home together with a Lane Cedar Chest — our first shared possession."

Christmas is the ideal time to pledge *your* love . . . with the

gift that symbolizes the lifelong partnership of home and marriage. Every treasure will be safe from moths, dust and dampness. And this beautiful furniture will always be a reminder of that Christmas Day in 1957 when she first knew you really loved her.
