Howard Morris Chosen on UP Little All-Coast Grid Crew

San Francisco—(UP)—Fresno State, which staged an impressive windup this season after a slow start, won two spots on the United Press Little All-Coast football team which was announced today.

Both returnees were grizzled seniors — fullback Dean Philpott and center Don Kloppenburg.

The rest of the number one backfield Bob Beathard of Cal Poly (San Luis Obispo), Max fields of Whittier and Fred Emerson of Western Washington.

Joe Kominski of Central Washington and Claude Sharp of Redlands captured end spots, Floyd Peters of San Francisco State and Dick Gleed of Chico State the tackles and Howard Morris (ex-Crater high) of Linfield, (Ore). and Sid Manning of Long Beach State guards.

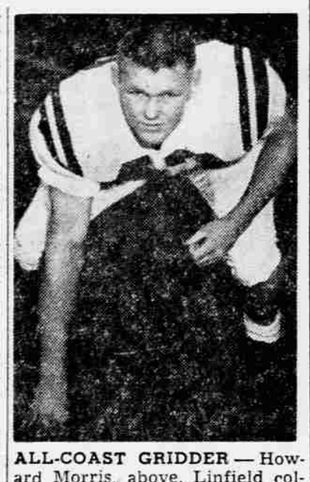
Philpott continued his tremendous rushing this season for the Bulldogs, closing out four years there with a career total of 2578 yards gained. He racked up 767 during the past campaign, scored 94 points and had a punting average of 38.4 yards.

The 210-pound Kloppenburg, light as a lot of centers go, was the usual block of cement in the middle.

Beathard, a 170-pound quarterback, clicked on 50 per cent of his passes this season while sparking Cal Poly to a fine season. Fields led Whittier to the Southern California Intercollegiate conference title by rolling up 1,165 yards rushing and averaging better than 10 of them per crack.

Emerson, although his team played only seven games, led the Evergreen Conference with 1,137 yards gained, scored 10 touchdowns and converted 11.

Ken Fujii, who played tremendous ball for a Nevada team which won only three games in three years, earned the quarterback spot on the second team. Other backfield posts on the second eleven went to Stan Jackson, ace passer from Cal Poly, Pomona, shifty Dan Delgado of Cal Poly, San Luis Obispo, who broke open several games with long runs and Ron Maurer who paced Southern Oregon to the Oregon Collegiate Conference title.



ALL-COAST GRIDDER — Howard Morris, above, Linfield college guard and ex-Crater high (Central Point) star, was named to the United Press Little All-Coast football team today. The 190-pound senior was a main cog in the Linfield line all season and twice was chosen lineman of the week in the Northwest conference.

Ends—Jerry Sullivan, Long Beach; Darrell Moody, Fresno State; Dan Hogan, Cal Poly Pomona; Ralph Anderson, Los Angeles State.

Linemen — Lynn Calkins, Pacific Lutheran; Larry Ross, Pacific Lutheran; Vic Fox, Linfield; Ron Mensinger, Eastern Washington; Ron Gallino, Chico State; Dick Max, Cal Poly San Luis Obispo; Dick Huston, Eastern Washington; Bob Binder, L.A. State; Tom Parker, Cal Aggies.

Backs — Jim Eaglin, Chico State, Tommy Gilmer, Pacific Lutheran; Ron Parrish, Linfield; Jay Roelen, Pepperdine; John Morris, Santa Barbara; Howard Tipton, Redlands; Vic Backlund, Willamette; Bruce Varner, Santa Barbara; Lon Bridges, Central Washington; Bob Austin, Puget Sound; Jim Sochor, San Francisco; Jim Antoine, Cal Poly San Luis Obispo; Earl Barnum, Humboldt State; Gil Rodriguez, Long Beach State; Bob Rodrigo, San Francisco State.

Hurricane Still Rated Contender

New York—(UP)—Tommy (Hurricane) Jackson was still listed as a heavyweight contender in today's latest Ring Magazine ratings despite the widespread campaign to retire him.

Eccentric Tommy of St. Albans, N. Y., was dropped from fifth to 10th among contenders because of his TKO by top-rated Eddie Machen of San Francisco. Any one below 10th place is not a "contender."

Ring Editor Nat Fleischer explained that although retirement "definitely would be for his best interests," the fact that Jackson lasted into the 10th rounds with both Machen and champion Floyd Patterson entitled him to "be kept in the choice 10 for at least another month.'

McMurtry Rated Fifth

Jackson's drop enabled Pat McMurtry of Tacoma Wash., to rise a notch to fifth, followed by Mike DeJohn of Syracuse, N.Y.; Wayne Bethea, New York; and Alex Miteff of Argentina.

Middleweight Rory Calhoun of White Plains, N. Y., won the "Fighter of the Month" designation and kept him number three rating by knocking out Bobby Boyd in the second round. Willie Vaughn of Los Angeles entered the ratings at number 10 because of Friday's victory over Ralph (Tiger) Jones. Neal Rivers of Los Angeles also moved into the rankings at number nine because of his close, though losing fight with ex-champ Gene Fullmer, number two.

The biggest upheaval occurred in the featherweight division, where Ike Chestnut of New York was dropped from second to fifth because of his kayo by Ricardo Moreno of Mexico. Moreno entered the group at eighth. Muguel Berrios of Pureto Rico, who had been third, was eliminated from the ratings by his temporary retirement because of an eye operation.

Heavyweights — Champion Floyd Patterson. 1—Eddie Machen. 2—Zora Folley. 3—Willie Pastrano. 4—Roy Harris. 5—Pat McMurtry. 6—Nino Valdes. 7—Mike DeJohn. 8—Wayne Bethea. 9—Alex Miteff. 10—Tommy Hurricane Jackson.

Light Heavyweights — Champion Archie Moore. 1—Harold Johnson. 2—Yolande Pompey. 3—Yvon Durelle. 4—Tony Anthony. 5—Willi Hoepner. 6—Artenio Calzavara. 7—Chuck Spieser. 8—Gerhard Hect. 9—Erich Schoppner. 10—Clarence Hinnant.

Middleweights — Champion Carmen Basilio. 1—Sugar Ray Robinson. 2—Gene Fullmer. 3—Rory Calhoun. 4—Joey Giardello. 5—Charley Humez. 6—Spider Webb. 7—Joey Giambra. 8—Charley Joseph. 9—Neal Rivers. 10—Willie Vaughn.

Welterweights — Championship vacant. 1—Issaac Logart. 2—Virgil Akins. 3—Tony DeMarco. 4—Vince Martinez. 5—Charley Smith. 6—Gil Turner. 7—Gaspar Ortega. 8—Kid Gavilan. 9—George Barnes. 10—Larry Baker.

Lightweights—Champion Joe Brown. 1—Duilio Loi. 2—Kenny Lane. 3—Ralph Dupas. 4—Willie Towell. 5—Paolo Rossi. 6—Joey Lopes. 7—Baby Vasquez. 8—Al Nevarez. 9—Orlando Zulueta. 10—Johnny Busso.

Featherweights — Champion Hogan Kid Bassey. 1—Cherif Hamia. 2—Flash Elorde. 3—Davey Moore. 4—Paul Jorgensen. 5—Ike Chestnut. 6—Ricardo Gonzalez. 7—Jean Eneyers. 8—Ricardo Moreno. 9—Shigeji Kaneko. 10—Victor Manuel Quijano.

Bantamweights—Champion Alphonse Halimi. 1—Raton Macias. 2—Mario D'Agata. 3—Leo Espinosa. 4—Al Asuncion. 5—Piero Rollo. 6—Manuel Armenteros. 7—Jose Lopez. 8—Danta Bini. 9—Joe Beccera. 10—Peter Keenan.

Flyweights—Champion Pascual Perez. 1—Ramon Arias. 2—Young Martin. 3—Tommy Umeda. 4—Masaji Iwamoto. 5—Aristide Pozzali. 6—Pone Kingpetcher. 7—Memo Diez. 8—Hitoshi Misako. 9—Ramon Calatayud. 10—Dennis Adams.

Tests To Be Made On Safe Jet Runs

Washington—(UP)—The government's airways modernization board said it will conduct tests next month to learn the fastest and safest way jet airplanes can leave runways after they land.

The study of "high-speed exit taxiways" will be made at McClellan Air Force Base, Sacramento, Calif.

The chairman of the board, Gen. E. R. Quesada, said information on how to get planes off runways is "urgently needed" to build and adapt airports for the jet age.

Participating in the tests will be air force jet fighters, tankers, bombers, conventional transports and light planes. The study is being made at the request of the Airport Operators Council, an organization of large public airport operators.

IV Hoopmen Vie Tuesday

Cave unction—Illinons Valley high hoopsters will meet Myrtle Creek in the first basketball game of the season on Tuesday. First home game is to be played against Jacksonville Saturday, Dec. 7.

Out for the team this year are Ray Woodbury, Dan Slanaker, John Goodwin, the only three lettermen; Rick Rauber, who played on the varsiity last year but not enough to earn his letter; Howard Ollis, Grant Dickey, Mike Whitely, Rus Beem, Mike Hanby, Doug Lewis, Bob Tucker, Clark England and Gene Hovater.

Don Smith is varsity coach while Wes Peters has the junior varsity. Smith says practice has been somewhat hampered by illness of two of the lettermen, Slanaker and Goodwin, and by the fact that the high school gym was not available during the first part of the practice schedule. The boys used Kerby gym while preparation for the Junior-Senior play was in progress.

Cold Air Mass Invades Eastern Half of Nation

By UNITED PRESS

A cold air mass that invaded the eastern half of the country during the week end was confined to two widely separate sections today, northern Florida and New England.

Tampa, Fla., registered an early morning low of 40, about 15 degrees cooler than at the same time Sunday.

Nashville Has 47

Elsewhere east of the Mississippi river, a warming trend sent readings from 8 to 20 degrees higher than the previous day. Nashville, Tenn., had a low today of 47 as compared with 27 the day before, and Fort Wayne had a low of 36 in contrast to its 16 Sunday morning.

However, a new cold air mass knifed into the Dakotas today, dropping readings from 10 to 15 degrees throughout most of the area.

The only major precipitation today was in the form of snow flurries in the Great Lakes and New England and a few rain showers in the Pacific Northwest.

Most of the precipitation was light, and fair weather prevailed over the major portion of the nation.

Light Snow Forecast

Weathermen said light snow or snow flurries will continue today in the northern states from the Dakotas east through the Great Lakes and New England. A few snow flurries also are expected in the Cascades and Rocky Mountains.

Colder weather is seen for the northern Rockies, the upper and mid-Mississippi valleys and the Great Lakes. It will be warmer along the Atlantic Coast from Georgia to Virginia.

Washington Tells Its Approval of Aid To Athletes

Seattle —(UP)— Dr. Henry Schmitz, president of the financial assistance to athletes is justified.

Dr. Schmitz made the statement as a prelude to the Pacific Coast conference meeting Sunday in San Francisco.

"The University feels assistance is justified because athletes, by competing in athletics, are less able to spend time earning money for college expenses," Schmitz said.

Schmitz said the University believes assistance should be allowed only if it is controlled by the school.

He also said grants-in-aid should be predicated by scholastic performance. He said a "C" average should be the minimum.

"The University feels a grants-in-aid should be sufficient to pay for an athletes board, room, tuition, fees, and cover minimum expenses during the academic year," Schmitz said.

He said an athlete should not be allowed to accept off-campus employment during the academic year except during vacations.

"An athletic program has much to contribute to the life of a University student, but it must remain subordinate to the academice program," Schmitz said in regard to the emphasis that should be placed on athletics.

Girard Retrial Urged by Rally

Maebashi, Japan — (UP) — A mass rally today adopted a resolution urging the retrial of American GI William S. Girard for the firing range death last Jan. 30 of Mrs. Naka Sakai.

The rally came as dissatisfied Japanese prosecutors met in Tokyo today to decide whether to retry Girard.

Tuesday is the deadline for the prosecution to appeal against the three-year suspended sentence handed down against Girard in the Maebashi District Court.

The Maebashi rally was sponsored by the Somagahara committee organized by the Socialists and other groups.

A resolution adopted by the group said the sentence given Girard was equivalent to acquittal. It said the people of Maebashi could not accept the "political" verdict and called it a "product of undue pressure exerted by the United States to influence the sentence."

The suspension, in effect, freed the 22-year-old soldier to go home to the U.S. with his 29-year-old Japanese bride.

But a decision by the procurators to appeal the case would automatically cancel any plans to return and would force Girard to face a new trial in the Tokyo higher court.

Ft. Niagara Has New Old Exhibit

Fort Niagara, N.Y. —(UP)— Ancient Ft. Niagara has something "new" to exhibit as the result of a discovery by three boys.

The youngsters were exploring the Lake Ontario shoreline near the old French fortress when they found a 350-pound cannonball partially covered by a heavy growth of crustaceans, buried in the sandy bank. A detachment of soldiers carted it off to the nearby Ft. Niagara army post.

One official of the Old Fort Niagara Association believes the missile may have been fired by the British when they laid siege to the fort in 1759. Another thought it was one of a more recent vintage.

Bruin Basketball Outlook Bright; 4 Regulars Back

(Following is another in a series on the outlook of West Coast basketball teams for this season.)

By ALEX KAHN

Los Angeles—(UP)— Coach John Wooden, one of the nation's leading basketball mentors, expects this season's UCLA basketball team to be in the thick of the Pacific Coast conference race again if he can find the player to provide the floor leadership.

Last year, Capt. Dick Banton was the key man in the UCLA offense and with his inspiration the Bruins were barely edged out for the championship by California.

UCLA has four of the five men back from that squad which set a new Bruin record of 22 wins and four losses, so the outlook is anything but discouraging this year.

The fifth member of the starting quintet is up to the coach. He has Denny Miller, a service returnee, and two reserves from last year— Roland Underhill and Bob Archer. Miller rates an edge in experience but Underhill and Archer both have shown ability.

Missed in addition to Banton will be guard Fred Crabtree who did not return to school. Last season he supplied the Bruins with zip as the best "sixth man" in the conference.

From last season's weak frosh squad, Brian Kniff is a strong prospect with a keen eye for the cage. Olympian Rafer Johnson is another prospect, providing a knee that bothered him at Melbourne does not give out.

Outstanding Transfers

UCLA also drew an outstanding group of junior college transfers to make up for lack of material from the frosh. These include Bob Bell of Glendale, Cliff Brandon of Los Angeles, Denny Crim of Pierce, Bob Fisher of Porterville, Bill French of Fullerton and Sonny Skjervheim also of Pierce.

Transfer Bill Wagoner, who came to UCLA from Highland university in New Mexico and also played service basketball, was expected to give the Bruins added depth at center.

Kreft Again President of Waltonians

Eugene — (UP) — The Oregon division the Izaak Walton League reelected its entire slate of 1957 officers at its convention here over the week end.

Dr. Alfred L. Kreft of Portland is president. There was one change as Allan Kelley, 1957 secretary, and Arthur K. Roberts, vice - president, changed places. Both are from Portland.

The league went on record as opposed to political interference with positions taken by state agencies. It also passed a resolution encouraging penalties for drinking hunters and for wilfully destroying or damaging public property.

Col. Paul Weiland, Medford, was reelected a vice-president at the Oregon division convention of the Izaak Walton league which end Sunday at Eugene.

Southern California Commuters on Own

Los Angeles —(UP)— Strike-hit Southern California commuters thumbed rides, took taxis and walked long distances today because of a walkout of 1200 drivers of transit lines serving 135 cities in four counties.

Already heavily traveled freeways and streets in the sprawling Los Angeles complex were even more clogged by honking, harried motorists trying to get to work after the long Thanksgiving week end.

Members of the Brotherhood of Railroad Trainmen, driving for Metropolitan Coach Lines and Asbury Rapid Transit System, walked out early Sunday after failure of month-long negotiations.

Negotiators for the transit companies and the brotherhood reached tentative agreement before the strike deadline on converting from a six to a five-day week.

Federal Conciliator Harry Malcom said the talks broke down over details of wages and rules for the new work scheduled. No new negotiations sessions were scheduled immediately.

John Crow Rated Best Grid Back

New York — (UP) — John David Crow of Texas A&M, who would rather smash into the middle of the line than run around it, was voted college football's back of the year today in a nationwide United Press poll.

Balloting by 256 sports writers and sportscasters gave Crow 101 votes, or 40 per cent. Far behind in the next three positions were Walt Kowalczyk of Michigan State with 33 votes, Bob Anderson of Army with 16 and Clendon Thomas of Oklahoma with 13. Those three and Crow made up the backfield of the United Press All-America announced last week.

Jim Shanley of Oregon got five votes and ranked 11th.

Linfield Has 4 All-Star Grid Berths

Portland —(UP)— Ten of the 11 places on the district 2 NAIA all-star football team were grabbed by Northwest conference players, District Chairman Eldon Fix said today.

The lone selection not from the Northwest loop was Wyman Gernhart, Oregon College of Education halfback.

Linfield had four members, Ron Parrish, quarterback; Jerry Peiere, end; Terry Picknell, tackle, and Howard Morris, guard. Willamette had Bill Long, center; Gary Raid, tackle and Vic Backlund, fullback. Lewis and Clark had three members, halfback Gary Grill, guard Larry Wilkins and end Bill Stempel.

Idaho Cops Harrier Toga

Los Angeles—(UP)—Idaho won the first annual PCC cross-country meet here Saturday with Oregon second and UCLA third.

Max Truex of Southern California took individual honors with a time of 20 minutes, 32.6 seconds over the four-mile course.

Eight Children Die As Fire Levels Home

Sherbrooke, Que.— (UP) —Firemen today believed a faulty oil stove triggered the inferno which engulfed an eight-room frame house Sunday, burning to death eight young children.

The fire apparently started shortly after Mrs. Marie-Ange Denault, 32, had left for 7:30 a.m. Mass with her 13-year-old son Robert, leaving the other eight children with their sleeping father.

Mrs. Denault had turned up the stove at her husband Lionel's request shortly before leaving the house.

Denault, 38-year-old pulp and paper worker, suffered third degree burns and cuts in trying to save the children. He had two of them in his arms at one point, but he was so badly burned they managed to wriggle loose in their panic. Denault escaped through a ground floor window.

Mrs. Denault knew nothing of the tragedy until she and her son returned from church to see the one-and-a-half story building blazing.

Suspect Sought In Eugene Area

Eugene—(UP)—A man suspected of wounding a deputy sheriff in Tacoma was sought here today after a stolen car was wrecked and the occupant fled on foot.

More than a dozen city and state police officers spread out over Eugene early today after the incident. State police said the car reported stolen in Tacoma Sunday night was spotted here and that officers gave chase. The man inside wrecked the car and fled on foot.

The sherif's office in Tacoma reported that Deputy Sheriff Harold V. Knabel was shot in the face by a shotgun Sunday night when he started to get out of his patrol car to shake down a suspicious car.

The car was registered to an ex-convict now on parole, officers said.

Knabel was not hurt seriously. The full blast of the shot fired by the assailant was taken by the safety plate glass in the door of the patrol car.

New York —(UP)— The town of Protection, Kan., population 800, on Monday will become the first community in the nation in which every person under the age of 40 has received all three shots of the Salk polio vaccine.

Neuberger Visions New Transit Systems

Portland —(UP)— Sen. Richard L. Neuberger (D-Ore.), told the monthly meeting of the Pacific Northwest Electric Railway association here Saturday night that the time will come when great metropilitan areas like Portland, Denver and Seattle build rapid-transit trolly lines to take the pressure off city streets and access highways.

"It would be cheaper for municipalities to subsidize modern subway and elevated railroad systems than to be forced to thrust elaborate super-highways from every point of the com-

Americans use about 135 pounds of wheat flour per capita each year.

Sunday's Results

San Francisco 27, New York 17
Baltimore 31, Los Angeles 14
Cleveland 31, Chicago Cards 0
Washington 14, Chicago Bears 3
Philadelphia 7, Pittsburgh 3

San Francisco — (UP) — There was a new note of optimism in the San Francisco Forty Niner camp today as coach Frankie Albert began preparations for next Sunday's crucial with the Baltimore Colts.

Asked if his National Football league club could now go all the way, Albert said: "Yes. We will beat Baltimore next Sunday and Los Angeles should take them a week late. Detroit could lose to Cleveland — and there we'd be."

The Forty Niners broke a three-game losing streak Sunday and put themselves back into the thick of the Western division title chase by defeating the New York Giants 27-17, before 54,121 fans in Yankee stadium.

"I think we caught them a little by surprise," Albert observed. "I don't know what happened to us the last three weeks, but Sunday was certainly as fine an effort as we have seen."

The Forty Niner victory left San Francisco tied with Detroit, each with a 6-4 record, and only one game behind Western division leading Baltimore, now 7-3.

Quarterback Y. A. Tittle's passing and ball-handling plus San Francisco's recovery of six New York fumbles may have cost the Giants the game, but solid line play by both the defensive and offensive lines and the return to form of fullback Joe Perry was at least as important a factor in the Forty Niner victory.

The fumbles led to touchdowns by fullbacks Gene Babb and Perry plus two field goals by Gordie Soltau. Tittle threw 14 yards to Billy Wilson for the other Forty Niner touchdown.

Alex Webster plunged a yard and Charley Conerly, who fumbled four times, passed six yards to Frank Gifford for the favored Giants.

Great Day for Tittle

Tittle had another great day, "for the tenth time in ten games," Albert says, as he gained more yards rushing than any of New York's highly-touted backs. Y. A. picked up 49 on bootlegs around end and sneaks up the middle. But the fumbles wrecked any chance the Giants may have had for a win.

"You don't deserve to win when you lose the ball six times on fumbles," Giant Coach Jim Lee Howell remarked. "The Forty Niners gambled on shooting their linebackers through to get at Conerly and it paid off."

Westgate Name Of Padre Park

San Diego, Calif.—(UP)—President Bill Mulvaney of the San Diego Padres announced that the Pacific Coast league team would name its new ball park in Mission valley Westgate park.

Mulvaney expressed hope the stadium would be completed in time for the opening of the 1958 season.

Tax Relief Urged By Demo Official

Los Angeles — (UP) — Paul Fiffren, Democratic National committeeman for California, declares that the "oppressive tax burden on the citizens of California must be relieved."

Fiffren revealed that he had sent a wire to Governor Goodwin J. Knight recently saying that one of the causes of the increased tax burden is "wasteful duplication by a multitude of governmental units."

"In California," Ziffren said, "there are 3,881 regular governmental units in addition to 1,652 special districts, according to the 1957 study by the United States Department of Commerce."

During the past five years, he said, 262 special districts have been added in California.

He said he suggested that study be undertaken immediately "to streamline and eliminate hundreds of governmental units within the state."

Duck Practice Gridiron Picked

Eugene — (UP) — The Oregon Webfoots will drill at Bouvard field in preparation for their football clash with Ohio State in the Rose Bowl New Year's day, Oregon Athletic Director Leo Harris said today. The field is the practice home of the Southern California Trojans.

Harris said the Ducks' first practice session will be Dec. 16, in Eugene. They leave for Los Angeles on Dec. 21.

Seattle Man Lost In Rainier Snow

Seattle — (UP) — State Forest Rangers at the Longmire Ranger station said Sunday night they held little hope for survival of Lowell Linn of Seattle, who was reported lost in heavy snows on Mount Rainier Saturday night.

A 25-man party searched the western slope of the mountain all day Sunday but found no trace of Linn, 33. He was reported missing Saturday evening by hiking companion Harry Holcomb, also of Seattle.

Holcomb said that about 10 a.m. he started down and thought Linn was close behind. He waited at the bottom of the hill but Linn did not arrive as expected.

A search was started Saturday night but was thwarted by darkness. It was resumed Sunday morning and continued until blinding snows and frigid weather halted the search.

Linn was reported wearing jeans, a sweatshirt and a hooded jacket. However, searchers said they were cold even while wearing heavy winter gear.

KISHI TO VISIT MANILA

Manila—(UP)—President Carlos P. Garcia said today he and Japanese Prime Minister Nobusuke Kishi will discuss "points of conflict" between their countries during a two-day visit by Kishi Dec. 6-7. Garcia said he also will take up "with an open mind" the subject of Japan's Asian Development fund. The fund is planned to be financed by the United States, Japan and other countries to provide loans and other forms of assistance to the underdeveloped countries in Asia.
