Letters Inviting Contributions to Band Are Mailed

Letters inviting contributions to the Medford High school Band Booster club were mailed to most business and professional men in and around Medford this week.

Glenn L. Linn, secretary of the group, said that response was immediate, and is encouraging.

The funds will be used to finance a trip by the MHS band to the Shrine East-West game in San Francisco Dec. 28. This is the seventh consecutive year the band has been invited to perform.

A high school music concert, also to raise funds for the trip, will be given at the school Sunday at 1:45 p.m.

According to I. A. Mirick, supervisor of instrumental music for the school system and leader of the high school band, an innovation at the game this year will be the featuring of three southern Oregon high school bands—Medford, Klamath Falls and Grants Pass—in a special pregame demonstration at Kezar stadium.

Other features of the trip will include visits to Chinatown, Fisherman's Wharf, and other attractions by band members.

Linn said that if anyone is "missed" in the mailing of the letter of solicitation, donations may be mailed to him at 119 Washington st., Medford. Size of contributions is not important, he stated, adding that it is hoped to receive many small gifts rather than a few large ones. About \$3,000 is needed for the project.
