Hospital Plan Is Recommended to Ashland Council

Ashland—A nine-point hospital improvement program which would cost an estimated \$10,000 was recommended to the Ashland city council this week by the hospital advisory committee.

Dr. Christian Hald and Dick Herndobler gave the report. It urged the council to use as much speed as possible to carry out the proposals which are said to be minimum needs.

A meeting of the finance committee will be held soon to determine if it is possible to take \$10,000 out of the electrical fund reserve, according to Ashland Mayor Richard Neil. If the committee decides the \$10,000 could be transferred, a special meeting of the council would have to be held for authorization to use the funds, he said.

Remodeling Included

The plans include remodeling of the X-ray room, making two labor rooms which would include shower and toilet facilities, enlargement of the office space, use of the present nurses' station to make two separate rest-rooms, transfer of the doctor's dressing room to the present labor room, making a supply room of the dressing room and enlargement of surgery facilities by moving a room partition about six feet.

Other improvements suggested were improvement of lighting, remodeling the laboratory to store oxygen and fracture equipment, and installation of a new scrub sink in the doctor's scrub room. New floors in the scrub room and in the sterilizing room were suggested.

Herndobler pointed out that these are only the immediate needs in the three-fold survey which includes suggestions for expansion of existing facilities, the eventual creation of a new hospital and recommendations on long-range planning operations of the hospital.

Hungarian Olympic Athletes Celebrate

San Francisco—The Hungarian Olympic athletes who refused to return to their homes from Australia last year began celebrating a year of freedom from Communism today at the opening of a three-day get-together.

The athletes were welcomed to San Francisco by Lt. Gov. Harold J. Powers and San Francisco Supervisor Henry R. Rolph. The reunion will be highlighted by a public reception Saturday, proclaimed as Hungarian Olympics Day in San Francisco, when championship exhibitions of fencing, wrestling and gymnastics will be presented.

The Hungarians are being brought together by the Hungarian National Sports Federation of New York and are being sponsored locally by the Pan-Donia Athletic club.

Zsa Zsa Gabor KO'd By Microphone Boom

Brookville, N.Y. — Zsa Zsa Gabor was knocked cold by a falling microphone boom on a movie location here Thursday, her press agent said today.

She was revived with ice packs and apparently required no medical treatment, he said. "She may have a concussion," he said, "but with Zsa Zsa, how could you know?"

The accident took place during filming of "Have Guitar, Will Travel" in which the blonde Hungarian actress is costarred with former middleweight boxing champion Rocky Graziano.

McKay Will Attend Northwest Meetings

Washington — Oregon's former governor Douglas McKay plans to go to the Pacific Northwest Tuesday for conferences in Seattle and Vancouver, B.C.

McKay, former interior secretary, is a member of the International Joint Commission charged with working out problems such as storage of the Columbia river's headwaters along the Canadian-United States boundary. He hopes to gain some ground toward an agreement with Canada on future development of the Columbia Basin.

After meeting with water resources experts in Seattle, and Canadian officials in Vancouver, McKay will return to Oregon to spend the Christmas holidays at his home in Salem.

Tortuous Interpretation

Santa Rosa, Calif. — Manager Sam B. Hood has slightly relaxed a city charter provision that city employees cannot give Christmas presents to their superiors. Hood instructed department heads they could accept a gift only "if you can eat it, drink it or smoke it one day."

Relations Committee To Visit Eagle Point

Eagle Point—The high school-college relations committee of the Oregon system of higher education will visit Eagle Point High school Wednesday, Dec. 11, at 1:10 p.m.

The team will consist of a representative from each of the state institutions of higher education and a representative from Oregon Technical Institute. The team is headed by Francis Nickerson, executive secretary of the committee.

An assembly has been called for the team to explain general college preparation and requirements. Sessions will be held by representatives to talk with interested students.

Parents and other interested persons have been invited to attend the meeting, according to S. W. Callaghan, school principal.

Hawaii consists of more than 100 islands and rocks jutting from the Pacific 2,400 miles southwest of San Francisco. Only seven are inhabited. The capital, Honolulu, built on the site of a Polynesian village, was settled in the 1790's.
