COULD ANY anniversary gift be more appropriate than one for the home? And what woman wouldn't welcome a thoughtfully selected piece of occasional furniture for her birthday or at Christmas?

Small-scale occasional furniture is designed for very special gift-giving—a bachelor's chest, a coffee table, planter, coffee cart, or a desk-vanity. There's always some spot—in the entrance hall, dining area, or bedroom—which could use a touch of something to give it new interest.

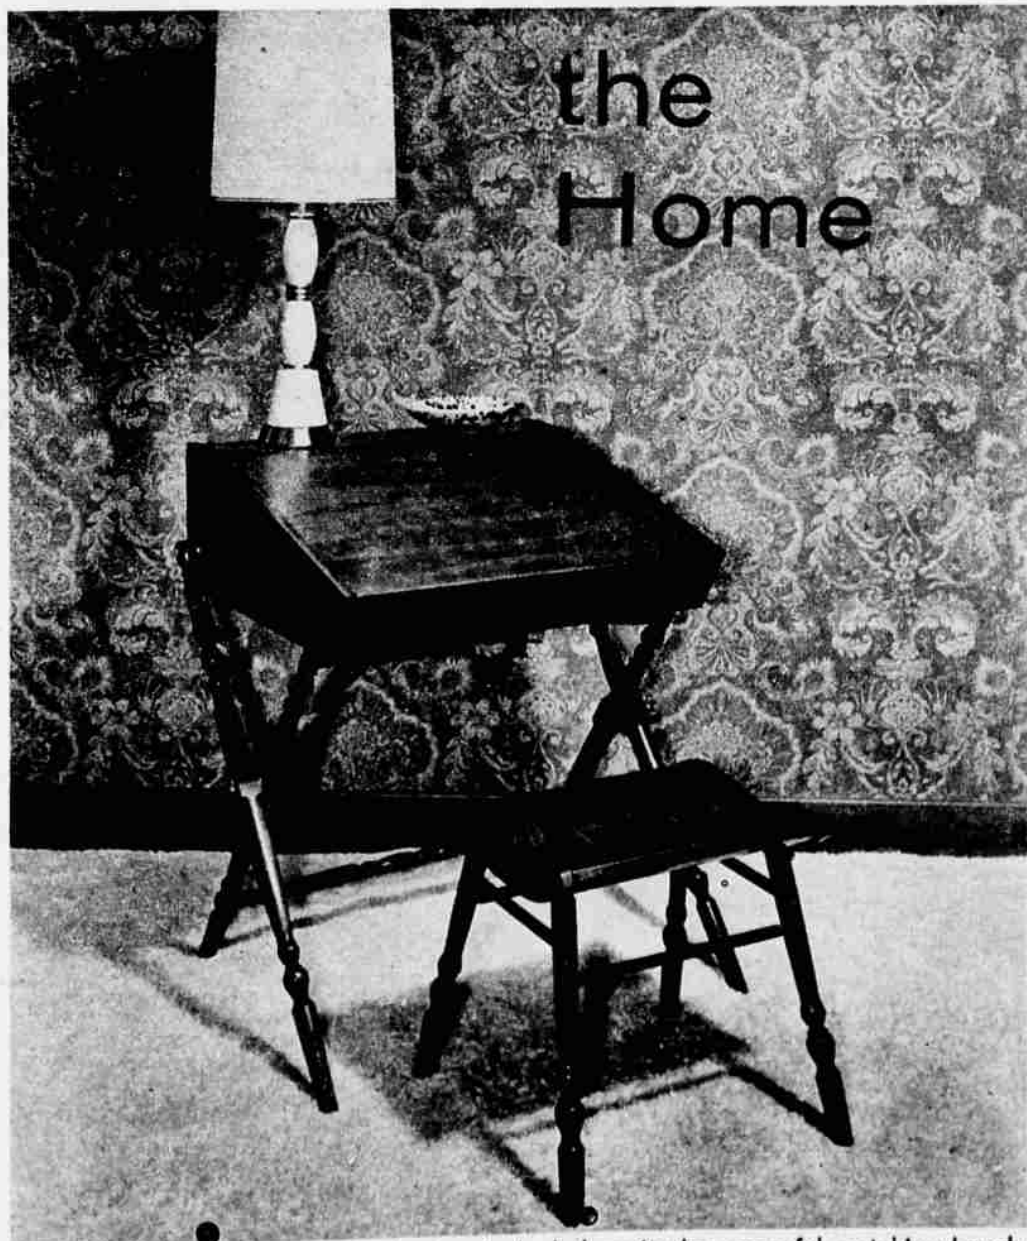

Study the needs of the recipient's home before selecting such a gift. You're sure to find the "something" that's just right, to be remembered and cherished for years to come.

Charming coffee and planter tables are small-scaled, wonderful for gift-giving.

"MY BACK IS KILLING ME" —why put up with sluggish kidneys...when relief is often so swift and easy to obtain?

If you suffer backache, dizziness, lack of energy, restlessness, getting up nights...the answer may be swifter, more effective than you'd dare to think.

These conditions may be caused by functionally sluggish kidneys, mild bladder irritation.

For 50 years, people have found swift, effective relief by using De WITT'S PILLS. This famous diuretic stimulant for the kidneys 1) flushes congestive waste material out

of kidneys; 2) increases circulation of blood through the area; 3) reduces irritation of kidneys and bladder; 4) fights infection and resists reinfection of the urinary tract.

No need to wonder when De WITT'S PILLS are at work—you can see. When "the blue comes through" you know De WITT'S PILLS are already in action.

Get De WITT'S PILLS today. No prescription needed.
