

Annual Holiday Charity Ball To Be Friday; Officers Named

Medford Junior Service league members are completing arrangements today and tomorrow for the annual Christmas charity ball, always one of the most elaborate of the traditional holiday events in the valley. Invitations to the ball were issued earlier this month and reservations are still open, according to Mrs. Jack Ingram, chairman.

The ball will be held Friday, December 13, at Rogue Valley Country club and proceeds will go for the support of the league's kindergarten for hard-of-hearing children. Following a tradition set three years ago, women attending the ball will wear fancy Christmas head-dresses and these will be judged during the evening. Wearer of the first prize-winning head-dress will become "queen of the ball."

Cocktails and hors d'oeuvres will be served from 8 to 9 p.m. and dinner will be served beginning at 9 p.m.

Officers for the advisory board of the Junior Service league kindergarten were elected recently at a meeting held at the home of Mrs. John G. Crawford. Donald Herried was named president, and Mrs. Victor Milnes, vice-president. Arnold Bauder, Ashland, is the new treasurer, and Mrs. Crawford, secretary.

Newly elected to the board are Mrs. Milnes, Mr. Bauder, Hugh Coleman, E. B. DeVoe, Everett Baber, Central Point, K. W. Kellington, Mrs. Donald Herried and Mrs. Ralph Hibbs.

Since the kindergarten must find new quarters, a housing committee was named, headed by the new president, Mr. Coleman. Mrs. Milnes and Miss Hazel Swayne are members.

The first ready-to-wear suits for men were made in Boston about 1830 by John Simmons, founder of Simmons College.

Grooming and Conduct High School Classes Help Cut Delinquency

Chicago — High school principals say teaching youngsters good grooming and good conduct can help cut delinquency.

The principals of 38 schools called for a specific program to correlate grooming, grades and conduct in a survey sponsored by a hair products firm.

"The famous educator, John Dewey, said he should educate the whole child, not just his head. We present a total picture to the world. It's hard to think of good citizenship and then dress and act like an anarchist," said the principal of Mt. Lebanon High school, Pittsburgh.

All schools questioned offer special classes to improve looks and posture. Classes are compulsory and range from homemaking for girls to ROTC for boys. Southwest High school in Kansas City, Mo., offers six courses in general appearance, which include health habits, hair care, and eating habits.

"We do not let our students wear unusual garb. Our leaders are conservative. Our physical education and home economics courses stress good grooming," reported the Topeka High school principal, Topeka, Kans.

Chapter to Hold Annual Election

The annual election of officers will be held at a meeting of Medford chapter, United Nations' association, to be held Thursday, December 12, at 8 p.m. in St. Mark's Episcopal parish house. George Rode is the retiring president.

The program will include a report by Mrs. H. P. Bosworth Jr., of the recent UNESCO conference held in San Francisco and which she attended as a representative of OUNA.
