

Mays National Loop Slugging Champion

New York—Willie Mays, the New York San Francisco Giants' amazingly versatile outfielder, topped the National League slugging in 1957 with a .626 average to take the title for the third time in the last four years.

The 26-year-old Willie, who totalled 366 bases in 585 official at bats, was a scant .014 points ahead of Stan Musial, the St. Louis Cardinal ace who set four league marks and tied a major league record. Hank Aaron, whose 369 total bases led the circuit, ranked third in slugging with .600 and Duke Snider of the Dodgers was fourth at .587. Snider, who tied a National League record by hitting 40 or more homers for a fifth straight season, topped the league by striking out 104 times, however, and also grounded into 17 double plays.

Musial, who won his seventh batting championship, set league

marks of 895 consecutive games played, 10 straight year in which he knocked in 100 or more runs, 1,156 lifetime extra base hits and a 580 lifetime slugging percentage. In addition, his 307 total bases made it 13 straight years over 300—tying Lou Gehrig's major league record.

Arlington Bowl Choice

Pasadena, Calif. — The powerful Arlington State Rebels from Texas, defending National Junior college champions, were two touchdown favorites today to retain their crown Saturday when they meet Cerritos Junior college of Norwalk, Calif., in the 12th annual Junior Rose Bowl football game.

But the sentimental favorites of a crowd of some 55,000 fans expected for the annual encounter in the famed Rose Bowl were the Cerritos Falcons playing their first year of football and a school without a campus, practice field or even dressing rooms.

HOCKEY

NATIONAL LEAGUE
By United Press

There's a lot more balance in the National Hockey league this year—if you don't count the pace-setting Montreal Canadiens.

The high-flying Canadiens, who have won 17 of 26 starts with four ties, opened up a nine-point lead over second place New York Thursday night with a 3-2 victory over the Rangers to leave the field far behind.

The Detroit Red Wings, paced by Gordie Howe, whipped the Boston Bruins, 3-2, in the only other game played. The action left only an eight-point difference between second-place New York and last-place Chicago.

St. Francis At Phoenix This Evening

Phoenix — Phoenix high has been working on a pressing defense and a running offense this week in preparation for a couple of cage engagements.

The Pirates are hosts to St. Francis of Eugene tonight at 8 o'clock. On Saturday evening they meet Southern Oregon college junior varsity at Ashland.

Against Yreka, Calif., last week end, the Pirates hit 33 per cent of their field shots but missed a number of easy tries. Therefore, shooting drill has been given a lot of attention by Coach Jack Woodward.

Eugene Club Tall
A battle against superior height is anticipated by Phoenix since the Eugene club has several players over the 6-foot level. One is 6-5, two are 6-3 and there are 6-2 and 6-1 players.

Woodward expects to call on his same starting five of last Saturday, Gary Simmonds, Lester Schleicht, Doug Witte, Jim Stout and Jim Heath. Don Wallace and Jim Waldron are in line for heavy duty and Terry Hamilton, Ron Daugherty and Bob Taylor for considerable play.

Preliminary at 6:30 o'clock this evening will be a jayvee intra-squad session. The Phoenix varsity plays Saturday in the curtain raiser for the Southern Oregon - Linfield college game.

Burglar Cuts Way Into Tom Thumb Market

A burglar cut his way into the Tom Thumb Market, Four Corners, Table Rock rd., sometime Wednesday night, according to sheriff's deputies. A hole, 6½ inches by 14 inches, was cut in the roof, officers reported.

Taken from the market were shotgun and .22 rifle shells and a quantity of small change.

The word "turnpike" originated in Massachusetts, getting its name from the gates of toll roads. The gates were turnstiles with a center revolving post into which were stuck the ends of pikes.
