

District Roundtables Scheduled for Scout Leaders in District

Wayne Safley, district commissioner for the Big Pine district, Crater Lake Boy Scout Council, has announced that the regular district roundtables for Scout leaders will be held at 7:30 p.m. at Hedrick Junior High school.

Separate instruction will be given for Den Mothers, Cub Scout leaders, and Explorer leaders.

Safley also announced the appointment of Paul Gasparatti as assistant district commissioner for Cub Scout roundtables. Gasparatti has served for several years as Cubmaster of the Lone Pine school Cub Pack 44. Gasparatti replaces Jim Johnston

who resigned because of additional duties in his profession.

Pritchard Appointment

L. A. Pritchard has been appointed district commissioner for Boy Scout roundtables. Pritchard has served as a Neighborhood Commissioner in the Big Pine district, and prior to coming to Medford, served as a Cubmaster, Scoutmaster, and Order of the Arrow Chapter advisor.

Three additional Neighborhood Commissioners have been appointed. Alan Franzke will serve Packs 2 and 3 and Squadron 14. Walt Marquess will serve Pack 41 and Troop 41, and Dr. Gene Chamberlain will serve Pack 10, Troop 10, and Explorer

Post 10.

With the latest appointments, the commissioner staff totals 21 men, the goal is 28 by early 1958.

Jackson county sheriff's officers apprehended him when the train halted in Ashland.

A curious species of pine carries built-in fire insurance. The heat of a forest conflagration is needed to trigger the slow opening of cones and release of seeds. Thus the tree automatically replants a burned over tract.

U. S. FLIERS HONORED

Sayama, Japan — Residents of this small village have dedicated a memorial tower in honor of two American airmen who sacrificed their lives to save a group of Japanese farmers. Villagers took this means Tuesday to thank Lt. Harry Elliott, of Lakeland, Fla., and Lt. John Friel, of Grand Junction, Iowa. The officers were killed last month when their B-47 crashed into the dry river bed of the Iruma river. It was believed they could have crash-landed safely in a nearby field, but they diverted the plane to avoid hitting the farmers planting barley.
