Skyway Wedgwood Blue luggage is covered with a new rock-grained Koroseal® in a heavenly shade of light powder blue. Inspired by a similar blue once featured and identified with the famous English bone china. It has all the tough durability, the light weight, the maximum packability, for which Skyway and Koroseal® are renowned, plus the other Skyway exclusives—Travelgard locks, handsome and sure-holding, and Liftomatic hinges, that hold lids open till you close them.

Here's your opportunity to start with this rich and exciting new Skyway luggage at a saving! You'll get three pieces for the price of two.
