GOLD HILL Contest Winners Listed

By MRS. CLYDE KELL
Gold Hill—Mr. and Mrs. Paul Thompson of 960 Second ave., were named first-place winners, for the second year in a row, in the outdoor Christmas lighting contest sponsored by the Gold Hill Lion's club.
A flood-light was arranged to illuminate a Santa Claus, in a small realistic airplane, complete with moving propeller, red and green blinking lights and a sack filled with toys, arriving on the deck at the Thompson's home.
Lighted evergreens formed to tree-shape at two front windows, with a spray of holly and red berries, and pine cones on the front door, decorated the outside of their residence. A Christmas wreath was placed in each of the four front windows. First place award was \$40 in cash. The home of Mr. and Mrs.

Delos Walker on Second ave., was judged second best in the outdoor lighting contest. They received a \$25 cash award. The display featured a lighted blue star on the roof, lighting across the entire front of the house, and a lighted tree in a large picture window. Santas helpers were placed about the front lawn, near a large Santa.
Judged third for the \$15 cash award, was a "birth of the Christ child" scene with flood-lighting at the home of Mr. and Mrs. A. A. Walker, Second ave.
Fourth place, \$10 cash award winner, was a reindeer and Santa scene framed by a large picture window, with a lighted Christmas tree in the background, at the home of Mr. and Mrs. Ralph Bell, Fourth ave.
Winning fifth place and \$5 cash award was a Santa Claus and reindeer scene illuminated

by a floodlight, on the lawn of the small cottage of Mr. and Mrs. John Cogswell of Second ave. The Santa scene was flanked by lighted evergreen trees and glowing red bells decorated the entrance to the Cogswell cottage.
Sixth place winner of a \$5 cash award was a small lighted tree surrounded by a general nativity arrangement on the front porch at the home of Mr. and Mrs. William Ferguson on Second ave. An evergreen wreath decorated the Ferguson's front door.
The displays were judged in originality, Christmas theme, and outside lighting technique. Judges were Mr. and Mrs. Larry Sheehan and Mr. and Mrs. Howard Miller, all of Rogue River. Only the homes of those who had applied for entry by the deadline, Dec. 20, were judged, according to Neal Smith, president of the local Lion's club. There were 11 entries.
Smith stated that members of the Lion's club expressed their appreciation to all who participated in the outdoor lighting

News About Books From the Library

A new service will be provided patrons of the Medford Public Library with the commencement of the new year, according to Miss Helen Webster, librarian. The library has contracted to receive, on a monthly rental basis from McNaughton Libraries, Inc., of Altoona, Pa., a rotating collection of popular titles in current fiction and non-fiction above and beyond the library's collections by purchase. The cost of this service will be entirely undertaken by the library, no charge being made to the borrowers for these or for any other books borrowed from any Jackson County library agency.
The advantage to the reader of the new service, Miss Webster explained, is that titles in current demand but not of permanent worth can be provided at little cost as well as additional copies of titles which the library cannot afford to duplicate by purchase. The library's limited book funds and shelf space will be saved for books of more lasting worth.
Many books, such as "The Return of Bridey Murphy," circulate actively for only a few weeks, and the library is not justified in allotting taxpayers' money or library space to their purchase, she said. The McNaughton service will keep ephemeral books flowing in and flowing out, while books of permanent value will still be obtained by purchase and retained in the collection. The plan has been tried by many libraries throughout the United States, including the Douglas County library, and has been favorably received, librarians report.

Morse's Proposal Said Nonsensical

Taipei — Nationalist China Saturday dismissed as "sheer nonsense," the proposal by U. S. Sen. Wayne Morse (D-Ore.), that Formosa be put under United Nations trusteeship.
The senator, in a radio program in Tokyo Friday, advocated Formosa be placed under UN trusteeship with a police force controlling the Nationalist Chinese island bastion until the question of sovereignty over the area be settled by an international court.
When asked to comment, a foreign ministry spokesman burst into laughter and said "it's nonsense, sheer nonsense."
Other government officials termed Morse's ideas as "fantastic, unthinkable."

RED ENVOY — Russia has informed the United States that she is sending M. A. Menshikov (above) to Washington as ambassador, succeeding Georgi Zarubin. Menshikov has been ambassador to India and minister to Nepal.
