Canadians Join Hunt for Little Minnesota Boy

International Falls, Minn.—Volunteers from Canada joined in a hands-across-the-border search today for a 5-year-old Minnesota boy lost in the northern wilderness in near-zero weather.

Interrupted Wednesday night by darkness and cold, the hunt resumed at dawn.

Men and women streamed across the border from Ft. Francis, Ont., bringing to more than 1,000 the number of searchers for Danny Lamon, Deputy Sheriff Milton Kochanuk reported.

Danny, heavily bundled, was put out to play Wednesday morning by his mother, and apparently wandered off into one of the most rugged wilds in Minnesota.

Father Joins Hunt
The boy's father, Lawrence Lamon, informed his son was missing, was among the first to trample through the dense brush and swampland near his home about a mile south of here. He stayed with the search party until after midnight when the hunt temporarily was called off.

A pilot, Francis Einarson, took his plane up in the afternoon but could see no trace of Danny.

Women and teenage youngsters joined the army of hunters organized by Koochiching County Sheriff Ed Anderson who appealed to a Canadian radio station at Fort Francis to put out a call for volunteers.

The response was almost instantaneous. Two bloodhounds were brought across the rainy river, which separates the two countries, and hundreds of Canadians braved the frigid night air to help in the search.

Jayne Mansfield Awaits Wedding

Hollywood — Actress Jayne Mansfield busied herself with last-minute preparations today for her marriage to musician Mickey Hargitay, 28, former "Mr. Universe."

Miss Mansfield's divorce from Paul Mansfield, Dallas, Tex., public relations man, became final Wednesday with the filing of a decree in Superior Court.

The bosomy blonde actress and Hargitay plan to be wed Monday at the Wayfarers' Chapel in nearby Palos Verdes Estates. They will honeymoon in Florida after a reception at her parents' home in Dallas.

Burt Lancaster Undergoes Surgery

Hollywood — Actor-producer Burt Lancaster underwent a successful emergency appendectomy early today at Cedars of Lebanon hospital, where his father has been a patient for the past 10 days.

Attendants said following surgery that Lancaster's condition was good and there was no indication of complications.

Lancaster, 44, was taken to the hospital at 11 p.m. Wednesday.

Lancaster's father has been hospitalized for 10 days, according to attendants, who said he was suffering from a cardiac condition.
