

UCLA Bruins Picked Over Shorter Ducks

By GENE BRYANT
United Press Sports Writer
Play resumes in the Pacific Coast conference basketball race tonight with the Oregon-UCLA and Southern California-Idaho contests at Los Angeles Pan-Pacific auditorium topping the slate.

The Bruins, early season title favorites until a disastrous road swing through the Midwest, are favored to handle the short but scrappy Webfoot squad. UCLA defeated Oregon at Eugene last week end in a hard fought game.

Sporting a surprising 3-0 conference record, the Trojans are given the edge over Idaho. USC defeated the Van-

Frank Ivy Card Tutor

Chicago — Frank Ivy said Thursday night he accepted the job of head coach of the Chicago Cardinals for the 1958 season as "a wonderful opportunity and a chance to advance myself."

In accepting Cardinal Managing Director Walter Wolfner's offer to head the Chicago football team, Ivy became the 19th Cardinal coach and the fifth since Wolfner took over management.

Neither Ivy nor Wolfner would reveal terms of the contract, but it was intimated that it would run longer than one year.

Ivy was released from the final year of his three-year contract with the Edmonton Eskimos of Canada's western Inter-Provincial League to take the Cardinal job.

OTI, Raider Cage Fives Favorites

By UNITED PRESS
Oregon Collegiate conference basketball teams go into action at Klamath Falls and Monmouth tonight with the league-leading Oregon Tech Owls and the Southern Oregon Red Raiders favored to fatten their lead.

Oregon Tech, unbeaten by college teams so far, plays host to Eastern Oregon, which hasn't won a game all season.

Southern Oregon is favored to down Oregon College at Monmouth. The Wolves are weakened by recent ineligibilities.

The same opponents also meet Saturday night. OTI and SOC are 2-0 in conference play.

Portland State draws a conference bye. The Vikings play Montana State in Portland Monday night.

Smith, Miceli Battle Tonight

New York — Charles (Tombstone) Smith lanky Los Angeles welterweight contender, make his eastern debut tonight in a return bout with New York's Joe Miceli at Madison Square garden.

Their 10-rounder will be televised and broadcast nationally by NBC 10 p.m. (est).

Smith is favored at 12-5 because he outpointed Miceli decisively at Los Angeles last March 7. Also because of his aggressiveness, punch and stamina.

Tonight's return match is a substitute for the originally scheduled fight between light heavyweight contenders Yvon Durelle and Tony Anthony. Canadian Durelle withdrew Tuesday night because of food poisoning.

Dodgers Lost in 'Jungle' In Quest for Home Park

Los Angeles — The Los Angeles Dodgers, who don't have the faintest idea of where the locker room will be this season, still were lost today in a jungle of conferences, surveys, opposing statements and legal opinions.

Dodger President Walter O'Malley said previously that he figured some arrangements would be made in about 10 days or two weeks. That meant whether the former Brooklyn club would play in the Rose Bowl, Memorial Coliseum or Wrigley Field.

A Pasadena city official said Thursday the Rose Bowl would be available to the Dodgers despite efforts of the citizens' group. But if the Dodgers use the bowl 12 miles from Los Angeles, they'll have to put out money for alterations.

County Supervisor Kenneth Hahn predicted the Dodgers would play in the Coliseum until they build their own park. The Chavez Ravine site more or less promised to the club in a deal with the city goes up for a public vote in June.

Home Plate Controversy

The main trouble in, the Coliseum is over home plate. O'Malley doesn't want sun shining in a batter's eyes, but the Coliseum commission wants home plate in the east end, as fewer alterations would be needed.

O'Malley had held out for home plate in the west end of the huge oval.

Most of the activity today was set for late this afternoon when the club president will confer with Pasadena officials about their Rose Bowl. So far it looks as if costs of altering the bowl for a big league ball park will be high.

Al Masters Enters Hospital in Chicago

Stanford, Calif. — Alfred R. Masters, Stanford athletic director, had to leave his westbound plane in Chicago and go to a hospital, his wife said today.

His wife said a Chicago physician assured her that "there's nothing to be alarmed about and he's in no danger."

She said Masters had been suffering stomach pains recently and was under the care of a physician. He underwent major surgery a year ago.

At the time he was stricken Thursday, Masters was returning from Philadelphia, presumably with the name of Stanford's next football coach in his briefcase. Speculation had it that the nominee is Jack Curtice of Utah, although Curtice said he has signed no contract with another school.

Philadelphia — Robert Peters of Fort Frances, Ont., remained ineligible to play on the University of North Dakota hockey team today after losing a reinstatement bid before the National Collegiate Athletic association council.

The council also authorized a study of summer baseball to determine whether playing with organized summer baseball leagues would place college players in jeopardy of being ruled ineligible.

Willamette NW Victor

By UNITED PRESS
Willamette and Whitman got off to winning starts Thursday night as the 1958 Northwest Conference basketball chase got under way.

Willamette downed College of Idaho 68-58 and Whitman edged Linfield 73-70.

Coach Johnny Lewis' Willamette team was ahead all the way as the Bearcats won their ninth game in 10 decisions. Five Willamette players hit in double figures, led by Larry Lynn with 17 points.

Whitman, the league doormat last season, put on a second half rally to defeat defending champion Linfield. Rolin Beck of Whitman led the scoring with 22 while Bill Machamer hit 18 and Jackie Riley 17 for Linfield.

College of Idaho goes to Linfield tonight and Saturday with Whitman at Willamette for a two-game series, Lewis and Clark and Pacific open a home-and-home pair tonight in Portland.

Sports Car Rally Billed

Sikiyou Sports Car club will hold its monthly rally on Sunday, Jan. 12, with participants gathering at radio station KMED at 11 a.m.

Drivers interested are invited to take part. Each must have another person in his car to serve as a navigator.

There was no winner last month because all 14 cars became "lost." None was able to follow the complicated directions and reach the termination point. Occupants had to open their "disaster" envelopes to determine location of their destination.

Dinner was served at the Homer Bell home.

Ken Lane Tops John Gonsalves

Oakland, Calif. — Kenny Lane, number one lightweight contender from Muskegon, Mich., punched out a unanimous 10-round decision Thursday night over flashy Johnny Gonsalves of Oakland.

It was the second win over Gonsalves for the Michigan southpaw, but it didn't come as easy as the one he scored here last August. Gonsalves, formerly a high-ranked contender himself, took the first three rounds with a combination of speed and boxing skill.

But, the hard-charging Lane took command in the fourth round and was the master until the final bell.

Next shoot will be held Wednesday, Jan. 15, at the same place. Medford Rifle and Pistol club's own indoor range is under construction.

FARMERS of the ROGUE RIVER VALLEY!

The 1958 John Deere Day, held at our store last Tuesday, January 7th, was a real success, and all of us, here at Hubbard-Wray Company, are grateful to all who contributed in making it the best in our history. We are grateful to our farmer friends and their families who came in such generous numbers and helped to make the day a big one; we appreciate the friendly assistance of the ladies of the West Side Extension Unit, who prepared and served such a tasty lunch. Manager Robert Corbin and the staff of the Craterian Theater were helpful, too, in making the film portion of John Deere Day so enjoyable. John Deere Day has become a yearly tradition, here in the Rogue River Valley, so let us make it a "date" right now to be on hand for the 1959 John Deere Day roll around next year!
