Book Presented Library by Legion Honors Member

In memory of the late George E. Gates, who served his country during World War I in the United States Army, a gift book has been placed in the Medford and Jackson County Public Library. The memorial gift was presented to the library by Medford Post 15 of the American Legion, in accordance with the post's tradition of honoring its departed members with book tributes.

The title selected for this memorial was "Peter Freuchen's Book of the Seven Seas," an exciting, colorful picture of man's adventures on the sea—from the first prehistoric voyages in open rafts to daring scientific explorations in bathyspheres.

Known As Viking
The author, known to many as the "vagrant Viking," tells of the sailors who fought for fame and glory, the traders who risked their lives for wealth, the galley slaves, the whale hunters, the pirates and privateers, and the scientists and explorers who made expeditions into the sea and across it to make new discoveries. His book was chosen as a worthy memorial and one suitable to George Gates' particular interest in travel and adventure.

Tribute has been paid to 33 persons during the past five years through memorial books donated by American Legion Post 15 to the Medford and Jackson County Public Library, according to Librarian Miss Helen Webster. In each case thoughtful friends have commemorated a citizen's and a patriot's memory through providing the community with a worthwhile book. A bookplate, designed for this purpose, carries the name of the person to whose memory the book is presented. The family of the deceased is immediately notified of the gift and invited to borrow the book before it is loaned to any other reader.

Suspended Listed Driver Licenses

Salem—The department of motor vehicles has released names of 258 drivers whose licenses were ordered suspended during the period beginning Dec. 30 and ending Jan. 3.

Length of suspension varies, depending on charges involved, recommendation of court discretionary action by the department or requirements of Oregon law. The department said some of the licenses involving financial responsibility and court recommendations may have been re-instated after suspension was ordered.

The department warned drivers that the penalty for driving while suspended is a jail sentence of no less than two days and up to six months and there may be imposed a fine up to \$500. Under licensing procedures, this will also result in an additional year of suspension.

Those suspended in Jackson county were:
