66th ANNIVERSARY SALE

Serving Southern Oregon For 66 Years!

MEDFORD was a small town, back in the "horse and buggy days" of 1892. Then the firm was established on Front street and feature furniture manufactured at its little plant in Phoenix. Since 1900, Weeks & Orr have been doing business at the present location. Through the years the firm has steadily expanded its building and stocks to keep pace with the growth of this community. The most ambitious expansion, however, was in 1953, when the present fine new store was completed. This conveniently planned and beautifully arranged store, shown at right, with southern Oregon's largest stock of quality furniture, is a far cry from the original West Main street store, shown at right, below. This new store, largest in this part of Oregon, has 23,000 square feet of floor space devoted to furniture displays. This is additional to 14,000 feet of storage space in another location. Eugene Orr, shown below, is owner and general manager of Weeks & Orr today. He joined the organization in 1932 and has been active since that date except for the period of World War II, when he served in the armed forces. He has been active in veteran and community affairs, serving as commander of Medford Post 15, American Legion, is a Past Commander of District 13, and is now National Rehabilitation Officer for Oregon. Mr. Orr is also chairman of Medford Retail Merchants association.
