Orchestra Adds Musicians For Concert January 26

Seventeen musicians have been added to the orchestra of the Philharmonic Society of Southern Oregon according to Director Richard D. Werner. The orchestra, now numbering about 40 players, will play for a three-part program which the society plans for Sunday, January 26, at Medford Senior High school. The new players are June Martin, Eagle Point, and Joyce Stockstill, Phoenix, both flute players; William Jeliski, Eugene, and Gretchen Kehrlie, Grants Pass, both oboists; Bryan Meadows, oboe

and English horn; Donna McQueen, Grants Pass and Richard Hagen, both bassoon players; Mary Pierce, Joyce Hunter and Robert Ellis, French horn; William Hannah and Dr. Herbert Cecil, Ashland, trombones; Irma Kyle, timpani and percussion; Howard Jones and Cheryl Dunn, cellists; Terry Simmons, string bass; Robert Heide, second trumpet.

For the concert the orchestra will play Beethoven's "Symphony No. 1 in C major." The symphony was first played in Vienna in April, 1800, at a benefit concert for the composer. At first not well received, the work is written in the tight, classical form of that period with the exceptional progressions of harmony and for the customary third movement minuet, substituted a faster movement written in what has been called "jocular" style.

Also planned for this concert is a presentation of Claude Debussy's "Blessed Damsell" with soloists and chorus, and "Carnival of Animals" by Saint Saens with two piano soloists, narrator and ballet.

Changes Announced By YMCA

Gordon Williams, YMCA physical director, announces that the age range for YMCA members has been dropped from 9 to 8 years. Because of this change, the regular classes on Saturday morning at the YMCA have been divided into two groups. The first group will consist of 8 and 9 year-old boys, and the second group will consist of 10, 11, and 12 year old boys.

The 8 and 9-year-olds will meet for gym class at 9 a. m. and the swimming class at 10 a. m. The 10-12 year boys will meet for gym at 10 a. m. and for swimming at 11 a. m. Also each group will have 25 minutes of beginning swim instruction during their swim period, with the 8 and 9 year old boys having the instruction at 10:35 and the 10-12 year old boys at 11:35 a. m.

Gym classes for both groups are developed with emphasis on strengthening the body for adult life. This will be done through various exercises, games, tumbling, trampoline and gymnastics.

Tomorrow all grade school boys 8-12 years of age are invited to the YMCA as guests.

Further details may be obtained by calling Mr. Williams at the YMCA, Spring 2-6295. The director also announced that there still are several openings in the tiny twin classes held Saturday morning at the YMCA. Because of the demand for the lessons, Mr. Williams has scheduled another class from 8:30-9:15 a. m. Saturdays for tiny tot beginners. The age range is from 6-7 years.

There is a great need for children to learn to swim in this area, due mainly to the large number of rivers, lakes, irrigation canals and smaller streams. Each year many water accidents occur, and many of these accidents can be avoided if the individual knows the basic skills of swimming, he points out.

Registration for this 8:30 a. m. class Saturday will be limited to about 20, so those who sign up first will be admitted. Further details are to be obtained from the YMCA, Spring 2-6295.

Soft shades of green have reached new heights of popularity in men's sportswear as well as in Ivy-style suits. Gray, blue and tan make excellent color combinations with the new greens. Try them, advises the American Institute of Men's and Boys' Wear, as accessory colors in shirts, tie and handkerchiefs. A spot of red in a tie worn with green suits or with green sports jackets makes a handsome combination.
