Guild Sets Coffee Hour Thursday

The Philharmonic Society guild will hold a coffee hour at 10:30 a.m. Thursday, January 23, at the new home of Mrs. John Stong, 248 South Modoc avenue. Coffees on the Thursday preceding a Philharmonic concert have become a traditional event of the guild.

Mrs. Stanley Brown, Gold Hill, new president of the guild, announces that a musical program is planned and invites all interested persons to attend. Since the Stong's new home does not yet have a house number, it is explained that it is the only pink house in the second block on South Modoc avenue.

First plans for the coffee were made at a meeting of the guild held Wednesday noon at Rogue Valley Country club, with Mrs. Brown presiding. In addition to the coffee party, the group made other plans for the concert of the Philharmonic Society of Southern Oregon to be given Sunday, January 26, at 3 p.m. in Medford High school auditorium.

Coffee will be served at intermission during the concert, with Mrs. Henry DeVoss, Talent, Mrs. Bruno Pellegrini, Medford, and Mrs. Brown serving.

Since the Philharmonic society has a deficit, fund-raising projects were discussed. Mrs. Brown reported on a benefit coffee which she gave recently at her home in Gold Hill.

Mrs. H. C. Beck, Gold Hill, provided musical entertainment, playing a group of marimba numbers.

'Wooden Dish' To Be Repeated January 23-26

Medford Footlighters will repeat its production of the Edmund Morse three-act drama, "The Wooden Dish" for four additional nights beginning Thursday, January 23, and ending Sunday, January 26, according to President Leslie Boardman.

This decision, the president said, is in response to a persistent demand on the part of many theater patrons previously prevented from seeing the show during the heavy fog during December.

Proceeds from the production's "biggest box office night" in the January series will be donated to the local March of Dimes fund, Mr. Boardman said. Tickets may be obtained from Purucker's Piano house, Swem's, from members of the cast or at the box office.

Making his debut in "The Wooden Dish" and playing the leading male role was Dr. Frank Roberts, who, according to Director Richard Graham, is not only a "natural" in the field of acting, but shows signs of being a real trouper. Dr. Roberts plays the role of the 78-year-old Pop Dennison, storm center of family conflict in the home of a son and daughter-in-law.

Others in the cast are Frank Buchter, Mrs. Max Wimmer, Robbie Robins, Mrs. B. A. Cope of Ashland, Miss Ruth Kilbourn, Bob Klumph, Thayer Tarvin, Miss Beverly Nelson and Mrs. Helen Ashley.
