It's the greatest news since margarine went yellow! It's the new Miracle Margarine by Kraft—and it's whipped!

Yes, Kraft's new whipping process does such wonderful things for margarine—

- New Miracle Margarine melts instantly on your tongue. Its light, delicate flavor is instantly released.
- New Miracle Margarine spreads evenly and easily with almost no pressure from your knife.
- New Miracle Margarine is so economical, too. You can spread many more slices of bread with every pound.
- And every pound of new Miracle Margarine contains not four—but 6 full-sized cubes.
