

living quarters for the cast and crew.

"The actors, so the story went, would live on *Brand VI*—that's Barbara Hutton's former yacht, you know. I had visions of ermine-carpeted staterooms and gold-plated water faucets."

Borgnine scowled behind his thick Viking beard. "It was only when I got here that I learned Miss Hutton had sold the yacht to the Norwegian Boy Scouts, who converted each stateroom into a dormitory for four small kids. Why, those bunks were so narrow, I fell out a half-dozen times the first night on location!"

Across the way, Janet Leigh washed out a few personal items in the time-honored tradition of a pioneer wife.

Somehow, though, everybody seemed to enjoy the tribulations, and an *esprit de corps* grew that overcame all of nature's obstacles. During non-working hours, local extras, stars, and crew joined in dart games and folk singing. For entertainment, Kirk Douglas strummed his guitar and Tony Curtis told his favorite jokes.

Talk about roughing it!

As for Hardangerfjord itself—well, when the rain clouds cleared to unveil waterfalls and mountains rising majestically above the clear, cool inlets, there was no doubt that the picture could have been made in only one place—the fjords of Norway, home of the Vikings.

Tony Curtis, producer Jerry Bresler, and Kirk Douglas found Norway cold and wet.

Ernest Borgnine liked fishing at Hardangerfjord. Beard-growing was good, too.

Janet Leigh had some consolation, too—she found stardom hadn't "softened" her.

Time passed slowly at isolated spot, so Tony Curtis tried making Viking helmet.

crew that endured rough times, too.

NEW COLD AND FLU TABLETS

**Helps relieve 5
of the worst symptoms
in just one day!**

—OR YOUR MONEY BACK

IF other tablets you've tried haven't helped much in the first two or three days of your cold, here's good news.

Here's a safe, potent new tablet, made by the famous Mentholatum Company, that helps relieve 5 of your worst cold and flu symptoms in just one day—or your money back.

In every Mentholatum COLBAN Tablet you'll find 5 wonder-working medications widely prescribed by doctors:

1. **Analgesics** to soothe away body aches and headaches,
2. **Anti-depressant** to offset the heavy, weary feeling of a cold and help you feel better almost immediately,
3. **Antipyretics** to help reduce fever,
4. **Antihistamine** to help open clogged nostrils and stop virus-spreading sniffles and sneezes, And last but very important...
5. **Vitamin C** to help your body fight infection.

This vitamin—the "orange

juice" vitamin—is very important. You see, many doctors now believe cold viruses attack you by penetrating weakened walls in tiny blood vessels when your resistance is low.

But Mentholatum COLBAN Tablets contain in each daily dose the recommended amount of Vitamin C you normally need to strengthen the blood vessel walls and thus help fight germs.

Get Mentholatum COLBAN Tablets today. Take at the first sign of a cold or flu. (If symptoms persist, see your doctor.)

Generous 35-tablet bottle, 98¢. If Mentholatum COLBAN Tablets don't help relieve 5 of the worst symptoms of your cold or flu in just one day, we'll refund your money.
