

How Close to Divorce Have You Come?

You may never know the answer to that question. You may never suspect that your wife was even thinking of such a serious thing. But stop and think for a moment, "What are the three things that she really expects from you, her husband?" The answer must be love, companionship and financial security.

Ask yourself this question honestly now: Are you giving your wife the companionship she craves? Are you in good physical condition—fully alert, and able to endure the daily stress and strain of your job?
